Today in the Quad-Cities

'Limited' holiday Monday

Employes of federal agencies and a few retail establishments will be alone this year in the observance of Veterans' Day on Monday, a holiday date set by federal law. Store closings may be on an individual basis, but generally stores will remain open in the Quad-City area.

Schools and most businesses, state, local and county governmental offices, banks and financial institutions will mark the annual Veterans' Day observance on Nov. 11.

The double holiday results from federal laws establishing five holidays on Mondays instead of their traditional dates to give workers a three-day holiday. Veterans' Day was one of the five.

Illinois enacted legislation restoring Veterans' Day to the traditional date of Nov. 11, formerly known as "Armistice Day," and provided that all state employes would observe the holiday on that date.

As a result, only the post offices in Granite City, Madison and Venice will be closed in the Quad-City area on Monday. There will be no mail delivery and regular holiday service will be maintained for lobby customers.

Weather outlook for this region

Partly cloudy today with chance of showers this afternoon. High about 80. Chance of a few thundershowers tonight and Friday. Low tonight about 60. High Friday about 80. Chance of showers Saturday, ending Sunday and turning cooler. Highs Saturday in the 70s lowering into the 50s by Monday. Lows Saturday in the 50s lowering into the 30s by Monday.

Grassroots Government

Madison School Board 7 p.m. today, Oct. 23, at 1707 Fourth St.

Long Lake Fire Protection Board, 10 a.m. Friday, Oct. 24, at Long Lake Fire Hall.

Pontoon Village Board 7:30 p.m. Friday, Oct. 24, at Village Hall.

Nameoki Town Board 10 a.m. Saturday, Oct. 25, at 4250 Highway 162.

Granite City Council 8 p.m. Monday, Oct. 27, at GC City Hall.

News notes

A major study of Illinois state police urges increasing the staff from 1,674 to 2,500, realigning the 16 districts and six subdistricts into 17 more cohesive areas, and improved crime scene search operations and crime laboratory facilities.

+++

Placed on sale Tuesday, new Illinois "instant" lottery tickets immediately were in heavy demand. The $1 tickets require only a scratch of the thumb to determine winners or losers.

State lottery

Numbers in the Illinois state lottery weekly drawing will be selected tonight at Chicago. Numbers in the Super Bowl and the Playoff Game will be selected Friday night. Both sets of numbers will be published in Monday's Press-Record.

Daylight time ends Sunday

"Spring ahead and fall behind" is the old saying to remind everyone which way to turn their clocks at the beginning and end of Daylight Saving Time.

Daylight saving time ends officially at 2 a.m. Sunday. Residents are being reminded to turn their clocks back one hour before retiring Saturday night.

The time change will begin a four-month period of standard time during the winter. So-called "fast" time will resume Feb. 29, 1976.

DRIVE CONTRIBUTIONS have reached 46 per cent of the goal. Campaign Chairman David Fox paints the United Way sign in Civic Park yesterday to show the status of the drive. *(Press-Record Photo)*

United drive lagging; 46% with week to go

Solicitation incomplete

The Tri-Cities Area United Way drive is lagging, partly because many initial contacts remain to be completed by campaign workers, it was related at Wednesday's report session, held at the Granite City Army Installation.

Pledges total 46 per cent of the $430,000 goal.

Another problem cited was that—even when scheduled solicitations are made—the receipts may be insufficient.

While many are increasing their giving this fall, some apparently are reducing their pledges or remaining "uninvolved," it was asserted.

Categories of special concern mentioned were physicians, teachers, dentists, the construction field, lawyers, optometrists, auto agencies, insurance firms and real estate agencies.

With three of the scheduled four weeks of the drive already gone, chairmen and captains issued appeals that the current campaign week—today to next Wednesday—be made as significant as possible.

Whether "reserve troops" will be dispatched to help in failing divisions or units has not been determined.

But the air of confidence that seemed to prevail as the over-the-top drive progressed a year ago appeared to be absent yesterday.

$500 RADIO STOLEN

A $500 commercial citizens' band radio was stolen from an unlocked C. D. Peters Construction Co. truck, parked at the company's maintenance shop, 2042 Grand Ave., it was reported at 4:55 p.m. Wednesday.

UNITED WAY RECIPIENT Jimmy Taylor, son of Mr. and Mrs. James H. Taylor, 2216 Dewey Ave., is shown at his home Tuesday with Bill Horvath (right), physical and speech therapist connected with the Visiting Nurse Association, a Tri-Cities Area United Way agency. The boy has participated in a specified exercise program for five months and is showing progress. VNA provides professional nursing services and health-nutrition instruction for patients confined to their homes and for their families. *(Press-Record Photo)*

Honor A. O. Smith staff

Tri-Cities Area United Way campaign receipts reached $198,847 yesterday, and A. O. Smith Corp. employes were praised for helping achieve the total.

The pledges represent slightly over 46 per cent of the $430,000 drive goal. They were announced at the campaign's third weekly report luncheon, held at the Granite City Army Installation.

It was noted that employes of the Smith auto frame plant in Granite City are pledging more to the United Way now than a year ago, despite four layoff periods during the past year.

The Smith staff's contributions are part of a $110,841 total reported by the Industrial Division, headed by A. P. Steinhauser. General chairman of the United Way drive is David Fox.

Business Division (Allen Jessee) receipts rose to $24,388 and the Civic Division (Lionel Portell) reported $19,066.

Other new totals included:

Mail-Phone (Mrs. Emylee Alford) $10,429, Construction (Henry Ross) $9,691, Professional (Ted Eilerman-Maurice Dailey), $6,126.

Madison-Venice (Wayne Scannell), $5,266; Commercial Division I (Robert Jackson) $5,456; Commercial Division II (Donald Van Horn) $5,027; and Combined Federal Campaign (Mrs. Sally Herbst), $2,556.

The next report luncheon is set for 12:30 p.m. Oct. 29 at the Army base. It is the final one scheduled at this time.

Drive pledges totaled 25 per cent and 30 per cent (an added five per cent) at the Oct. 8 and Oct. 15 meetings, followed by yesterday's 46 per cent on an added 16 per cent.

Route 3 crash

Audrey Stewart, 18, of 10 Ruth Drive, was injured when her car and the auto of Edward Hart, Alton, collided at Route 3 and West Chain of Rocks Road at 2:50 p.m. Wednesday. Madison County sheriff's deputies noted her eastbound car went through a red light at the intersection because the light had been malfunctioning the past two days. She was not charged.

She was taken by a relative to Christian Northwest Hospital, St. Louis. Her auto was demolished, deputies said.

Brighter GC soon?

A five-year plan to upgrade street and alley lighting throughout the city was proposed to the Granite City Council Monday night.

The program was submitted by Alderman Steve Basarich, chairman of the Lights Committee, in a first-phase plan involving a three block area which already has been surveyed for upgrading by the Illinois Power Co.

Basarich asked the aldermen to study the plan so that it may be discussed in the council's next meeting Monday night and action taken to authorize installation.

He said that certain sections of the city will be mapped for upgrading over a five-year period. When completed, he said, the additional lighting will cost the city a total of $9,300 per year above what it is now paying for power.

Under the city's franchise with Illinois Power Co., lighting facilities are installed without cost to the city and the city is billed for power costs of one-half of the lights. In addition the city receives a 10 per cent discount on each monthly power bill.

The three-block area which will constitute the first phase of

(Continued on Page 13)

Remnant House Super Store to open Monday

Remnant House Super Fabric Stores will open a new store in Granite City with a ribbon cutting ceremony at 9:30 a.m. Monday.

The new store, in the building formerly occupied by Biederman's Furniture on Nameoki Road, is the 30th store in the Remnant House chain, which has stores in Missouri, Illinois, Kentucky and Tennessee.

The stores carry fabrics, upholstery, draperies, patterns and notions. The new store here will occupy 10,000 square feet, nearly all of which will be showroom and sales area, according to Seldin Cutter, Remnant House district supervisor, who made the announcement.

Two other businesses in the building will remain, with Ricco's II Lounge remaining in its present space and the Original Granite City Flea Market operating in a smaller area of the building.

The Remnant House here will employ about 25 persons in stock, sales and other areas. Joe Warren of St. Louis is to be manager of the store.

Michael Rourk is president of the Remnant House chain, which is headquartered in Ripley, Tenn., and Herbert Feist is vice-president.

Cutter said the public is welcome to attend the ribbon cutting ceremony.

Spa business in region is healthy

"Health" has become big business in this metropolitan area, with two "spas" or "clubs" active in the Quad-Cities and more than two dozen operating in the St. Louis region.

A St. Louis publication that used to list such firms under "business personals" has now established a special "health clubs" listing to handle the volume.

One of the newest health businesses, the Green Dragon Health Spa, has opened at 3905 Lake Drive in Pontoon Beach, offering massages for men and women.

A receptionist answering the telephone at the health spa told the Press-Record that the business is open every day from 10 a.m. to midnight and stays open Friday nights and Saturday nights until 1 a.m.

She said that only massages are offered, starting at $15 for "a complete body massage."

(Continued on Page 13)

YOU WOULD BE HAPPY, TOO! Members of the Madison County Special Sewer Committee present checks totaling $130,500 to Ed Juneau, second from right, planner for the proposed Four Township Sanitary Sewer which is to serve Nameoki, Chouteau and Venice townships. The checks represent the major portion of the engineering and planning costs since Juneau and his firm, Sheppard, Morgan and Schwaab of Granite City, began planning the project in 1970. From left are: Walter "Dick" Sparks, special sewer committee chairman; Louis Whitsell, treasurer of the committee; Juneau, and Arthur "Cooper" Moore, a committee member. The check was the result of a state grant, paying most of the engineering fees. *(Press-Record Photo)*

City studying firms to design new fire station

First steps toward construction of a new Granite City fire station at Richmond Avenue and Johnson Road were taken Monday night by the City Council.

The aldermen authorized the City Buildings Committee to confer with representatives of architectural firms with a view toward selecting an architect to handle details of design planning for the new station.

At the same time the council approved a motion for expenditure of up to $1,000 for test borings on the station site to determine ground density and whether or not pilings may be needed.

Edward Schulze, assistant city engineer, told the aldermen that he had discussed such tests with three drilling companies and was informed the necessary tests could be made within $1,000 cost.

Action to retain an architect was taken after the council's Fire and Water Committee and City Buildings Committee, in meetings last week, decided that several changes would be necessary in design plans that had been obtained of a fire

(Continued on Page 13)

Early history traced

The early history of the local community — prepared by Mrs. Georgia Engelke in connection with the U. S. Bicentennial observance — begins with this article today:

The 200th birthday of the United States is July 4, 1976— the Bicentennial of the American Revolution.

Celebrations from Maine to California will commemorate the birth of the nation and its 200 years of growth and development.

President Ford made a nationwide summons on July 4, 1975, to recall our heritage and place it in historical perspective.

He urged all groups to re-examine their origins and to expand their knowledge of their community and its people.

Our community, the former Six-Mile Prairie, has an eventful past.

The landscape of our state was shaped by the mighty glaciers which covered this land during the Ice Age.

As the glaciers shrank or disappeared, streams and rivers were established.

History tells us that a great

JACK L. SALTICH

Award to Saltich on patent

Jack L. Saltich, son of a Granite City couple, has been honored by his employer for one patent granted to him and the company and one patent application filed.

Saltich, son of Mr. and Mrs. Steve Saltich, and a manager for new product development for the Motorola Semiconductor Products Division (SPD), received his award from Weldon Douglas, director of operations, bipolar integrated circuits, at Phoenix, Ariz.

SPD makes cash awards to employes whose inventions are deemed patentable.

They become members of the firm's Scientific and Technological Society when their first patent application is filed.

Saltich's patent is for a solid-state pressure sensor; his patent application utilizes an automatic registration technique to fabricate solid-state devices.

SPD manufactures discrete semiconductors and integrated circuits at plants in Arizona and around the world. The firm is headquartered in Phoenix.

Graduates from Avionics school

Navy Aviation Electronics echnician Third Class Andy L. Knott, son of Mrs. Thelma Knott, 2907 Roosevelt Ave., Granite City, has graduated from Advanced Avionics School at the Naval Air Technical Training Center, Millington, Tenn.

The 26-week course includes instruction in mathematics, physics and solid state circuitry as they relate to the operation and maintenance of airborne electronic and computerized systems.

A 1974 graduate of Granite City High School South, he joined the Navy in June 1974.

$300 TOOLS STOLEN

A green tool box, containing an assortment of tools valued at $300, was stolen from the truck of George Gordon, 2819 Iowa St., parked outside his home, he reported this week.

Navy Mothers state post

Mrs. Norma Darnell, 2711 Center St., a member of Quad-City Navy Mothers Unit 850, has received the appointment of state publicity chairman, it is announced by Illinois State Commander Lola Vickers of Champaign.

A lifetime member and also a charter member of the local unit, Mrs. Darnell has worked actively in the organization since it was established in 1957.

Mrs. Darnell, a past commander of the Quad-City Club, served two years as state commander and is a past state finance officer. She also has served on committees for state welfare, publicity and rules and regulations under previous commanders.

As state publicity chairman, Mrs. Darnell announced the first activity of note will be the National Navy Mothers convention in 1976 at Chicago. The state convention in 1977 will be held in Belleville.

Briarcliff Church plans memorial

Briarcliff Pentecostal Church, 1120 Pontoon Road, will conduct a memorial service in honor of their late pastor, the Rev. Ross S. Smith, at 7:30 p.m. Saturday, according to the Rev. Wayne Miller, the current minister.

Special speaker for the event will be the Rev. Paul Worley of Murphysboro. A memorial of the cross and communion table will conclude the service, the Rev. Miller said.

Bazaar at Nameoki Presbyterian

A Christmas bazaar planned by members of the Nameoki United Presbyterian Church will take place at the church, 1700 Pontoon Road, from 10 a.m. to 4 p.m. Saturday, the Rev. Don F. Pierson announced today.

Hundreds of unique handmade items will be featured in the Attic Treasure, Plant and Bake shops, the pastor reported.

The Rev. Pierson also announced the pictorial directory photos will be taken from noon until 6 p.m. on Nov. 1 for families and on Sunday, Nov. 2, from noon to 12:30 p.m. for groups.

Families missing the Saturday date may have pictures taken on Nov. 2 from 12:30 to 4 p.m.

OPEN PLAY AFTER NINE DAILY
TRI MOR BOWL

Minerva Club plans annual hobby auction

The Minerva Women's Club met in the home of Mrs. Shirley Goff, 1712 Fourth St., Madison. The meeting was conducted by the president, Mrs. Frank Kraus.

The members voted to send a contribution to the United Way. Mrs. Alan Skirball and Mrs. Goff will represent the club at a Collinsville Women's Club reciprocity tea on Nov. 4.

Mrs. Kraus, Mrs. Goff and Mrs. Kurt Merz will attend the Illinois Federation's fall meeting in Trenton, Ill., Oct. 29.

Plans were made for the club's annual hobby auction to be held Nov. 20 at the St. Elizabeth Church cafeteria.

Others attending were Mesdames Fred Barr, Earl Benoit, Louis Brusatti, Maurice Burgess, Pat Busch, Paul Halbert, Leo Manoogian, Fred Mercer, Keith Parker, John Phillips, Kenneth Rapp, Jack Sollberger, Alex Tarpoff, Charles Weiss and Elaine Shipcoff.

The next meeting will be held at the home of Mrs. Fred Mercer, 67 Karen Drive.

Patriotic festival in shopping mall

A four-day patriotic "happening," looking at America and its accomplishments, past and present, begins today and continues through Sunday at St. Clair Square Shopping Center mall in Fairview Heights.

Bell ringers, school children, quilters, workers in batik, choral groups, painters, barbership singers, doll makers, potters, folk singers, wood carvers, dancers, gospel singers and area club women will combine their talents in the pre-centennial salute to the USA.

The public is invited to attend all events at the "American festival" free of charge. The mall area is open from 9:30 a.m. to 9:30 p.m. through Saturday and from 11 a.m. until 6 p.m. Sunday.

AID TO RETARDED TO MEET MONDAY EVENING

The Granite City Association for Aid to Retarded will meet at 7:30 p.m. Monday at St. John United Church of Christ, 2901 Nameoki Road. All meetings of the group are open to the public, Mrs. Audrey Lewis, association officer, advised.

ROCA to mark 25th year

Former members of the ROCA Young Men's Club are invited to attend the 25th anniversary celebration, scheduled Saturday, Nov. 6 at 6 p.m. at the VFW Hall, 2044 Washington Ave.

All past ROCA members are urged to attend the dinner dance when special honors will be accorded Earl Parsons, founder of ROCA here, who now lives in San Francisco, Calif. Parsons will be present at the affair.

Tickets, costing $15 per couple, or $10 per individual, may be obtained by calling Harry Diak, at 876-4549, or Mike Loftus, at 931-6452, after 5 p.m. daily.

Proceeds from the dinner will help pay transportation expenses of the club's founder to Granite City.

Cocktails will be served during a "get-acquainted" hour from 6 until 7 p.m. Dinner will be served from 7 to 8 p.m. and the anniversary program is set from 8 to 9:30 p.m.

Music for dancing will be provided from 9:30 p.m. until 12:30 a.m.

1776 topic of Drusilla Chapter

Miss Mary Candler presented a bicentennial program, "The First Four Days of 1776," which reviewed the days leading up to the signing of the Declaration of Independence, at a meeting of the Drusilla Andrews Chapter of the Daughters of the American Revolution (DAR).

The October meeting was held at Charlie's Restaurant. Mrs. Janet Wilson, vice-regent, was in charge.

Mrs. Thelma Molique announced the donation of a book to the State Genealogy Library in the chapter's name. The book deals with the genealogy of persons residing in Edwards, Lawrence and Wabash counties in Illinois and was copyrighted in 1888.

Farewell remarks were addressed to Mrs. Grace Johnson, who is moving to Galveston, Tex., and she was presented with a year's subscription to the DAR magazine. Mrs. Johnson will maintain her membership in the local chapter and become an associate member of the DAR Chapter in Galveston.

The President General's message was read by Mrs. Ruth McCarty, and Miss Ella Ray Smith presented the national defense topics for discussion.

Several members reported being contacted by high school students searching for information about persons in this area who fought in the Revolutionary War.

Also present at the meeting were Miss Nelle Harte, Mesdames Madge Hansen, Emma Schoen, Margaret Belt, Barbara Williams and a guest, Mrs. Helen Bergfield.

Nature walk near Pere Marquette

Mrs. Susan Walker of the Illinois Department of Horticulture served as a guide for a nature walk into the Prairie Forest area near Pere Marquette Lodge, Grafton, part of the October pilgrimage of the Cloverview Garden Club.

Members viewed the foliage at its peak autumn colors as Mrs. Walker pointed out interesting and unusual vegetation, plants and trees along the trail. Later, the group enjoyed a picnic lunch prepared by Mrs. George Knapp, chairman of arrangements.

Club president Mrs. Richard Branding reported she and Mrs. Joseph Ochoa attended the Shiloh Valley Garden Club's guest day at The Hut in O'Fallon. At a flower show staged by the Collinsville Garden Club, Mrs. Branding received a blue ribbon for a house plant entry. Her son, Ricky, received a blue ribbon for a butterfly collection shown in the junior division.

Mrs. B. C. O'Neill, awards chairman, reviewed a District V board meeting held at the NCO Club at Scott Air Force Base. Plans were made to attend the District V presidents' council day at Signal Hill Lutheran Church, Belleville.

The November meeting will be held in the home of Mrs. Fred Orr, 2430 Lynch Ave.

CHURCH ORGANIZED

On Aug. 23, 1879, followers of Mary Baker Eddy obtained a charter in Lynn, Mass., which gave them permission to organize as the Church of Christ, Scientist.

Terrell receives insurance award

Billy H. Terrell, general agent in Granite City for the Franklin Life Insurance Co., Springfield, Ill., has been named to membership in the company's Top Hat Club.

Terrell's qualification for the national honor was based on outstanding personal sales for the month which provided his clients with more than $100,000 in permanent life insurance protection. Presentation of the "Top Hat" award will be made by Franklin President George E. Hatmaker.

The 91-year-old Franklin Life Insurance Co., with yearly sales exceeding one and one-half billion dollars, is the world's largest company of its kind devoted exclusively to individual money management, Hatmaker said.

Education course on Channel 9

For the half million adults in the St. Louis area without a high school diploma, but eligible to seek a high school equivalency examination, a new television course, "General Educational Development," will be offered on KETC-TV, Channel 9, beginning at the end of October.

The series, to be telecast on Channel 9 in cooperation with Ralston Purina, enables adults 18 or older to study the material covered on the GED examination in their own home. Passing the GED exam leads to an equivalency certificate.

Channel 9 will show the series at 10:30 p.m. Tuesdays beginning Oct. 28, at 8 a.m. Thursdays beginning Oct. 30 and at 3 p.m. Saturdays beginning Nov. 1. The three telecast times will enable students with different time schedules to view at their convenience.

The series consists of 34 programs, and is broken up into five main subject areas: correct and effective expression, social studies, natural sciences, literature and mathematics.

It is not a blackboard-type presentation. The program uses a combination of entertainment and education.

The half-hour programs feature humorous skits, musical performances, animation and special electronic techniques, with such guests as folk singer Oscar Brand, ragtime pianist Max Morath, Cincinnati Reds player Pete Rose and news commentator Harry Reasoner.

The primary goal is instruction. Students will receive study guides which correspond with the five subject areas covered by the broadcasts. After each unit of instruction, students will have the opportunity to complete practice exercises in the study guides, and they will receive confirmation or correction before proceeding.

The guides also contain vocabulary, content summary, a statement of the learning objective and additional exercises to strengthen mastery of the content.

Enrollment is handled through Forest Park Community College. For a $15 fee, the student receives a packet of materials, including the study guides, and information on contacts for students who need additional help.

After the series has been completed, and the student feels the material has been mastered, he or she calls the college for a GED application. The college mails the application with information on the location and date of the GED exam.

Like the series, the test is broken down into five parts; each takes about two hours to complete.

If the student fails any part of the test, he or she must only repeat that particular part of the test. The GED examination costs $6; this cost is not included in the enrollment fee.

Nameoki accident

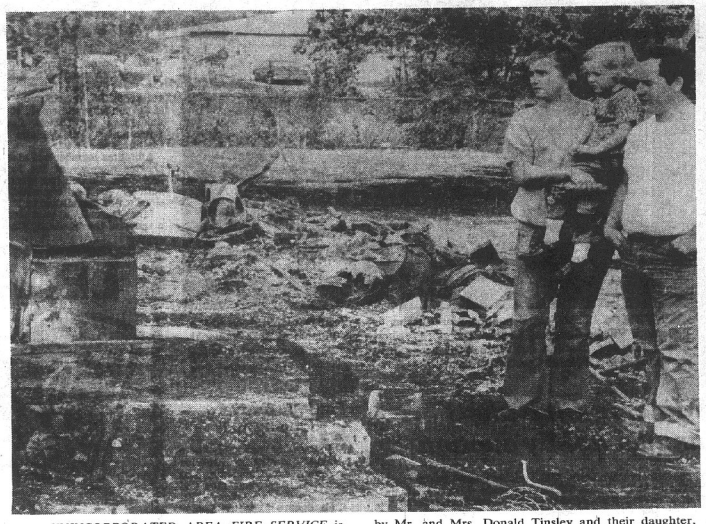

The pickup truck of Patsy Tanner, 1926 Skeen St., Madison, and the car of Glennwood Lowe, 61, of 2813 Wayne Ave., were involved in an accident at Nameoki Road and Pershing Boulevard at 11:25 a.m. Tuesday.

Fred Tanner Jr., 4, a passenger in the Tanner auto, was taken by ambulance to St. Elizabeth Hospital where three sutures were required to close a cut between his eyes. X-rays were taken and he was released.

Lowe also suffered minor injuries but did not require hospital treatment.

ANTIFREEZE STOLEN

A burglar netted 25 gallons of antifreeze, 84 pints of Pepsi Cola and 26 cupcakes from the Clark Service Station, Washington Avenue and Nameoki Road, it was reported this week. Entry into the building was gained by removing a glass pane from a window.

UNINCORPORATED AREA FIRE SERVICE is needed by some local families, who are seeking to annex to Granite City to obtain firefighting protection. The ruins of their home of 2633 Logan Ave. are viewed here by Mr. and Mrs. Donald Tinsley and their daughter, Sandra Kay, four; the child, trapped in the burning house Oct. 13, was rescued by two neighbors.

(Press-Record Photo)

Annexations sought; 'Can't fight fire with garden hose'

Nine applications for annexation to Granite City were referred to the City Plan Commission by the City Council Monday night as the first step in a plan under which city officials said they hope to annex all of the area in which the nine homes are located.

The requests that the nine properties be annexed to the city were filed with City Clerk Robert Stevens after a fire on Oct. 13 destroyed the home of Mr. and Mrs. Donald Tinsley, 2633 Logan Ave., damaged two other homes and, for a while, threatened the life of a 4-year-old girl.

The annexations were requested by residents in the neighborhood where the fire occurred. That area, known as the Benjamin subdivision, has been without fire protection because it is located northwest of the Granite City limits.

Council members agreed with a suggestion by Mayor Paul Schuler that a public meeting be called of residents living in the area to discuss annexation of all the homes in the area. The mayor noted that some of the families that requested annexation Monday night "can expect to run into some problems" because their properties are not immediately adjacent to the Granite City boundaries.

Schuler said that data outlining the prospective cost in tax dollars to residents of the area who may annex to the city will be worked out for presentation at a public meeting. He said he thought it might be cheaper in the long run for the area to join Granite City and obtain sewer service through the city, than it would be if the area was to become a part of the four-township sewer program.

Schuler said after the meeting that the district will be covered with fire protection by Granite City while the annexation plans are developing. Granite City firemen answered the alarm to the Tinsley home when it became apparent that the entire block could burn, according to Fire Chief Don Parente.

Granite City enacted an ordinance in 1969 providing that firemen would not answer fire alarms outside the city limits. That action was taken on the basis of legal advice that the city would be liable for injuries or property damage occurring at fires outside its legal jurisdiction.

Several alderman noted that only about four or five of the properties involved in the annexation requests received Monday night appear to be eligible for annexation without taking in the entire area. These properties now adjoin the Granite City boundaries.

Schuler pointed out to a delegation of residents from the area that under the law the city may annex properties without a referendum vote only when those properties touch the boundaries of the city. The Plan Commission will determine which of the properties are eligible and recommendations will be made by the commission to the City Council.

Those who petitioned for annexation — primarily to obtain fire protection — included John and Mattie Buckingham, 2626 Missouri Ave.; Anna E. Roberts, 2625 Missouri; Louis E. and Florence A. Lee, 2621 Logan; Eugene and Morene Carr, 2616 Missouri; Maudie S. Holt, 2614 Missouri; Delmas and Maureese Nickell, 2622 Missouri; Charles and Mildred Browning, Lot 46 Bloodworth second subdivision; Willis and Beulah Snyder, 2568 North St., and Herbert and Jessie Liles, 2604 Missouri.

Louis Lee spoke to the council in behalf of the delegation, explaining that the need of fire protection was emphasized by a fire such as that which destroyed the Tinsley home.

"You can't fight a fire like that with a garden hose," he said.

He said the people in the neighborhood "want to thank the Granite City firemen for answering the call and saving our property."

Alderman Warren Decatur of the Fourth Ward reported that the Street Department has made repairs to the pumps of the lift stations at Jill and Aubrey Avenues and on St. Clair Avenue which hopefully will halt sewage backups into basements in the area.

He said the repairs also are expected to restore operation of warning lights at the Police Station which are illuminated when the pumps go off for any reason.

A spokesman for a delegation of residents in the area of the pumping stations asked the council to consider installation of a siren or other signal device that would give the people warning of a malfunction in the lift station pumps.

A resolution endorsing the State Department of Transportation plan for the construction of Route 255 was approved and an ordinance authorizing Granite City Steel to install crossing gates on its railroad crossing at 20th and Omaha Streets was given final passage. The ordinance had been on first reading.

The aldermen approved an application by the East St. Louis & Interurban Water Co. to make a street excavation on State Street and Fehling Road to connect a 12-inch water main, and an application by the Illinois Bell Telephone Co. to make an excavation on the north side of 21st Street east of Monroe Avenue to lay a phone cable to the Granite City Steel North plant.

Dixon assails Walker site action as political

State Treasurer Alan J. Dixon yesterday labeled Gov. Daniel Walker's designation of the Forest Calvert Park area as the site for the State Community College campus in East St. Louis "a three-quarter of a million dollar political plum to East St. Louis Mayor William Mason."

Dixon, who is challenging Walker for the Democratic nomination for governor, said, "Walker forced the taxpayers of Illinois to pay an additional $750,000 for the college site as a trade to win Mason's endorsement for governor."

Walker rejected the recommendations of the Community College Board, the Illinois Capitol Development Board, the Illinois Board of Higher Education and the Illinois Bureau of the Budget in selecting Calvert Park over the Shop City site as the permanent SCC campus.

It is speculated that the Calvert Park land could cost $1 million, while the Shop City site would cost about $250,000.

"I am absolutely appalled at this governmental double-cross," Dixon said. "The state of Illinois cannot even regain the $10,000 earnest money it placed on the Shop City site.

"Immediately after Walker announced his costly decision to build the permanent campus in the Calvert Park area, Mayor Mason endorsed Walker for governor.

"Frankly, I don't believe that Mayor Mason's endorsement is worth $750,000 to the taxpayers of Illinois.

"With the help of many of my friends, I will beat Walker, not only in St. Clair County but throughout the state. And," Dixon concluded, "the endorsements and votes for my candidacy will not cost the taxpayers of this great state one red cent."

Mike Holik, 75, dies here

Mike Holik, 75, of 2737 Ralph St., a patient for six weeks at St. Elizabeth Hospital, died there at 10:45 a.m. Wednesday.

A native of Austria-Hungary, he resided here 59 years.

Mr. Holik was employed as a welder at American Steel Foundries for 26 years prior to his retirement on Jan. 3, 1967.

His wife, Mrs. Mary (Vernorsky) Holik, died Oct. 13, 1956.

Survivors include two nephews, William and John Holik, both of Granite City, and a niece, Mrs. John (Ann) Karkalik Jr. of Akron, Ohio.

Funeral arrangements are given in the obituary column.

Announcement

In Order To Expand His Facilities

Dr. W. B. Heidke

is announcing the relocation of his office from the present location at 2350 Benton St. to

3717E Crossroads Plaza
Crossroads Shopping Center
at Nameoki and Pontoon Roads

The office will be located in the building to the far left on entering the center.

The move should take place by November.

I apologize to my patients for any inconveniences which may be experienced during this transition.

Dr. W. B. Heidke

Business Women greet political leaders

About 125 members and guests of the Granite City Business and Professional Women's Club heard remarks by three state legislators at the club's annual "Legislative Night" dinner party last week at Charlie's Restaurant.

From the 56th Legislative District were State Senator Sam M. Vadalabene (D-Edwardsville), State Representative Everett G. Steele (R-Glen Carbon) and State Representative Sam W. Wolf. (D-Granite City).

Other distingushed guests included:

Mrs. Sam W. Wolf; Nelson Hagnauer, Madison County Board chairman, Granite City Township supervisor and chairman of the Madison County Democratic Central Committee; Granite City Mayor Paul Schuler and Mrs. Schuler; Madison Mayor Mike Sasyk; Venice Mayor William "Mike" Ebersoldt; Madison County Clerk Evelyn Bowles; Madison County Sheriff John Maeras.

City Clerk Robert W. Stevens and Mrs. Stevens, Granite City; GC Superintendent of Streets Lionel Portell and Mrs. Portell; Granite City Alderman Warren Decatur; Miss Eulalia Hotz, former county clerk, Edwardsville; Miss Meta Grimes and Margaret Butler, secretaries to Rep. Steele; Mr. and Mrs. David Partney and Mr. and Mrs. Robert Thomas.

A special guest was Mrs. Catherine Burton, president of the Illinois Federation of Business and Professional Women's Clubs, who spoke briefly about the BPW's achievements in the area of equality for women in the job market and establishment of a legislative platform at the national and state levels.

Mrs Burton said the BPW's total national membership now exceeds 170,000, with more than 10,400 members in Illinois. The organization was founded in 1919 to promote and encourage educational and career opportunities for women and strongly adheres to its objectives and principles today, she said.

The state president spoke highly of the local club's achievements and singled out Mrs. Lois Wetton of Granite City, winner of the state speak-off contest, citing her as an example and presenting her with an inscribed plaque. Mrs. Wetton later gave her contest-winning talk, based on the theme "Happiness."

In a surprise gesture, local club members presented Mrs. Burton a birthday remembrance gift.

Entertainment was provided by Mrs. Dee Klesh, comedienne, whose humorous barbs at city officials and politicians in general were well received.

A selection of musical comedy numbers and contemporary songs, presented by the Madrigal Singers from Granite City High School South under the direction of Mrs. Mary Ann Bright, also highlighted the entertainment sequence.

Mrs. Edna Kohlbrecher, BPW legislation chairman, assisted by co-chairmen, Mrs. LaVelle Stephens and Mrs. Wetton, introduced the special guests.

Senator Vadalabene commented on his stand against the Equal Rights Amendment ratification, but noted that his sponsorship of the airport authority bill "would create plenty of jobs for both men and women if the new airport is built in Illinois."

"I knew either way I went on ERA, I was going to get hung," the legislator said. "To me, ERA first stood for the Economic Recovery Act and the priorities in the near future first must be based on economic recovery. I do not happen to feel, at the moment, that the long ignored rights and interests specified in the ERA bill has top priority."

"I have helped to create educational opportunities in every area and at every level — such as expansion at Southern Illinois University, which has involved a tremendous number of jobs for both men and women."

He spoke of his support of a bill to construct a new civic center in the Metro-East area, using $15 million from parimutual betting funds which "hopefully will generate new growth and revive the economic spirit of the area by bringing tourists and conventions here."

Sen. Vadalabene commented on his part in the allocation of $2,750,000 to the Tri-City Regional Port Authority for a bulk loading facility.

"This should generate 60 construction jobs over an 18-to-24-month period and 30 permanent jobs, with the possibility of 50 to 60 people being hired full-time when the facility is working at full capacity."

Other legislation of import to this region that Sen. Vadalabene said he has strongly supported, included completion of Route 203, "creating access to Granite City . . . and Federal Aid Route 151, granting access to the south, and the four township sewer project.

Newly appointed State Rep. Wolf spoke briefly, stating — "It is a deep privilege to be named representative of the 56th Legislative District. I sincerely believe I can contribute to the worthwhile decisions made by the legislature."

Rep. Steele, who discussed many issues informally with BPW members prior to the dinner meeting, reviewed various bills to which he has given support or has personally sponsored.

A former resident of Granite City, the legislator said results of a questionnaire he had submitted to area voters showed that 85 per cent of those responding were against the legalisation of use of marijuana and 81 per cent answered affirmatively to retention of the death penalty in Illinois.

Of special interest was a bill concerning the senior citizens' tax refund to those 65 years and over whose incomes were less than $10,000 annually, and revisions in the inheritance tax law, commonly known as the "widow's tax."

He stressed support of a bill limiting medical malpractice claims, noting that malpractice insurance fees have soared or become difficult for physicians to obtain, resulting in increasing the cost of medical fees in general to the public.

Rep. Steele commented on state budget matters and said restricting use of state-owned vehicles will mean a savings to the taxpayers, as well as in the area of fuel conservation.

Equalizing property assessment to 33 per cent throughout the state was among the bills he actively supported, Rep. Steele said.

Speaking of gun control legislation, Rep. Steele said a bill under discussion would set a mandatory sentence for those convicted for the third time of a crime involving use of a weapon. "I feel this bill is not strong enough. I would favor setting a manadatory sentence for the second offense with a weapon."

He said recent statistics show one-third of all burglaries are committed by people out on bail and noted that many police chiefs believe a hand gun in a house is a deterrant to burglary.

Mrs. Rosemary Baseden, Granite City BPW president, welcomed the guests, and Mrs. Pauline Weir, BPW Week chairman, reviewed activities planned this week in observance of the nationwide observance.

Also introduced were Miss Annellen Smith of the GC club, District 14 membership chairman and co-chairman of the 1976 Illinois state convention; Mrs. Marcella Easley, president of the Collinsville BPW Club and Miss Sallie Jo Burton, immediate past president of the same club.

Many representatives from other clubs were among those at the dinner.

LEGISLATIVE NIGHT GUEST. State Representative Everett Steele (R-Glen Carbon) receives a boutonniere from Mrs. Lois Wetton, center, winner of the Illinois Federation of Business and Professional Women's state speakoff award, at the Granite City Business and Professional Women's dinner. Onlookers are Mrs. Edna Kohlbrecher, left, BPW legislation chairman, and Mrs. LaVelle Stephens, co-chairman. State Senator Sam Vadalabene (D-Edwardsville), State Rep. Sam W. Wolf (D-Granite City) and Rep. Steele were featured speakers at the dinner, attended by area civic and political leaders. *(Press-Record Photo)*

COMEDY DUO. Ollie Raymand, KMOX-TV's weatherman-newscaster and commentator at the Business and Professional Women's style show this week, right, shares a refreshing glass of punch with his surprise partner in a comedy routine, Venice Mayor William "Mike" Ebersoldt. The latter's colorful clown costume and makeup drew appreciative applause from the audience of more than 300 at St. Peter Evangelical United Church of Christ.

Annual benefit dance Nov. 15

The Granite City Society for Crippled Children met at the Elks Lodge, with President Gertrude Luebben presiding. Committee chairmen reported on progress of plans for the sixth annual "benefit ball," to be held at the Croatian Home in Madison on Saturday, Nov. 15.

Past President Louis Pashoff and A. E. "Tony" Michel will serve as masters-of-ceremonies for the event, assisted by Ron Luebben and Ralph Astorian.

Music for dancing will be furnished by the Four Seasons orchestra from 8 p.m. until midnight.

Cocktails will be available to the ball patrons from 6 p.m., with a buffet dinner to be served at 7 p.m. by Mrs. Mary Brominski of the Grand Cafe. Prizes provided by business firms will be given.

Tickets at $5.50 per person may be purchased at State Radio & TV, Michel's Jewelry & Gift Shop, the Croatian Home or from members of the organization.

Mrs. Lily Chaboude reported on the history of the Society, noting that the first benefit ball was held in January 1970, with William F. Kinder serving as chairman.

The Society was organized after the dance, with three specific objectives:

1. "To unite in concern for crippled children, endeavoring to broaden public understanding of the problems of crippled children.

2. To join in constructive action to aid these children by holding an annual benefit dance, with proceeds to give financial aid to the Shriners' Hospital and individual crippled or handicapped children.

3. To work together at all times to assist these children, so that they may have the opportunity to help themselves.

She stressed the importance of increased membership and more involvement in the needs of crippled children by the Society.

Interested persons may attend the next meeting of the group on Nov. 5 at the Elks Lodge at 7:30 p.m.

'Taste Tease' party for Madison Junior Service

Madison Junior Service Club hosted a "taste tease" party last week at the Madison Recreation Center for members and guests. The event preceded the club's monthly business session.

Each member prepared and brought a new recipe for everyone to taste. Games followed in keeping with a Halloween theme.

Hostesses for the evening were Fannie Fisk and Connie Grupas.

Guests present were Eunice Botty, Marty Herman, Marge Saltich, Helen Hoffek, Leona Grobaski, Theresa Barylske, Bernice Hordesky, Charlene Past, Carla Voloski, Lillian Crawford, Winnie Sasyk, Vivian Shaw, Louise Stawar, Betty Lou Jackson, Mary Stawar, Christine Hatfield, Karen Kaminski, Cassandra Becerra, Dorothy Hatfield, Donna Johnson, Cindy French, Ruth Holman, Lillie Brueggemann, Anna Holman, Linda Szerzinski, Lillian Brokaw, Renee Clark, Mary Bridick, Sue Perdicaris, Teri Childers, Angela Grupas, Susan Dorris, Mary Lou Amonds, Ann Ramsey, Esther Paterson, Hilda Witthous, Mary Habogoski, Pauline Bouchers, Yvonne Foley, Eve Majkut, Helen Bertacchi, Jennie Dyjeski, Linda Huckla and Penny Ousley.

Mrs. Julia Voloski presided over the business meeting and announced the kickoff dinner of the National Foundation of the March of Dimes for Madison County will be held at the Edwardsville Moose Lodge on Tuesday. Mrs. Elvera Stagner will serve as "march" chairman for the city of Madison.

Donations were given to the Gateway Chapter for Cystic Fibrosis and to the Madison Mothers Club to help with a carnival planned Nov. 7 at Harris School.

Co-chairmen for the "Evening With Santa," Billy Bosworth, Judy Donaldson and Rita Lybarger, reviewed plans for the project, set for Dec. 12 at Croatian Home in Madison.

Arrangements were made for a "Hobby Auction" at 7 p.m. Nov. 11 at the Madison Recreation Center. Members will provide homemade items for sale and invite special guests to the meeting. Mrs. Doris Patterson was named project chairman.

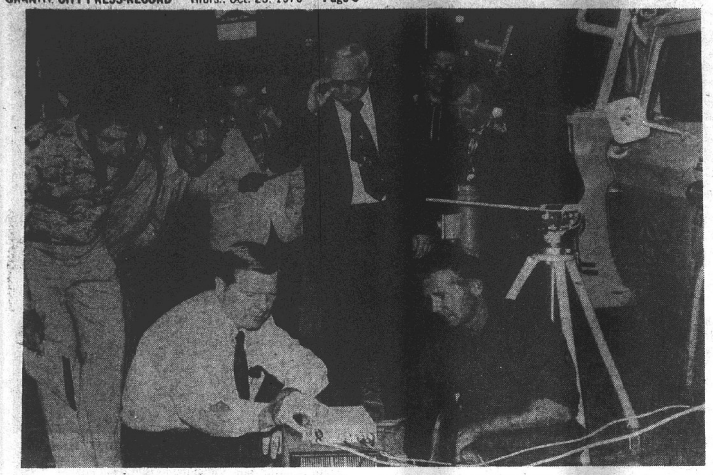

Members present were June Boelling, Rita Barnhart, Billie Bosworth, Caroline Champion, Carol Childers, Shirley Clark, Donna Dorris, JoAnn Gusleff, Irene Hackett, Mary Anna Kaminski, Doris Patterson, Janet Shultz, Dorothy Smith, Elvera Stagner, Lillian Delps and Mary Stanfill.

The next board meeting will be on Nov. 3 at the center.

SURVEILLANCE SYSTEM DEMONSTRATED. Members of the Madison City Council are given a demonstration Tuesday evening, prior to the council meeting, of a closed-circuit television monitoring system by Harry Knapp, kneeling left, representing Radonics Electronics of St. Louis. Cameras could be installed on light posts, with a 350-degree vertical and 90-degree horizontal sweep, zoom lenses and a video recorder and receiver in the police department. Observing from left to right are Sgt. William Papa of the Madison police, City Clerk John Bellcoff behind First Ward Alderman Robert Don Reeves, Second Ward Alderman Donald Broyles, Mayor Mike Sasyk and Third Ward Alderman Ronald Grzywacz. The system is described as providing greater protection to citizens and business places along Madison Avenue from Second Street to 14th Street. *(Press-Record Photo)*

Electronic surveillance of Madison Avenue proposed

By WALTER STRANGE
Press-Record Staff Writer

An electronic surveillance system was demonstrated for members of the Madison City Council Tuesday night prior to a regular council meeting.

Harry Knapp, representing Radonics Electronics, Inc., St. Louis, demonstrated the closed-circuit television system.

If the system is adopted by the council, television cameras would be placed on selected light standards on Madison Avenue from Second Street to 14th Street and would offer a 24-hour monitoring system.

A videotape recorder and monitor would be located in the radio room of the police department.

The cameras have a 350-degree vertical and 90-degree horizontal sweep, with zoom lenses, and operate effectively in little light.

The estimated cost of the monitoring system would vary between $16,000 and $18,000, depending on the quality of the cameras purchased.

"I believe that if we install such a system as this it would offer greater protection around-the-clock to our citizens and to our businessmen," Mayor Mike Sasyk said.

"I think this system would act as a real deterrent to potential lawbreakers if they knew that we had a 24-hour monitoring system," he added.

Mayor Sasyk indicated that at a future council meeting the cost of the proposed system and equipment will be discussed in detail.

The Madison City Council in its regular meeting approved a request by the Illinois Pacific Coast Transportation Co. to vacate the alley in the 2600 block between Second and Market Streets and to permit the company to erect a fence around the property.

The Planning and Zoning Board held a public hearing Tuesday prior to the council action, and recommended the approval with reservations of the fence blocking the sidewalk on Market Street. William Gushleff, chairman of the board, said the board did not want to approve something that might make the city liable.

The council passed a resolution allowing the fence to be erected blocking the sidewalk as the aldermen felt the city would not be liable. They said the city is not required by law to provide sidewalks.

On the recommendation of the Zoning Board the Church of God of Prophecy at 1732 Rhodes St. was granted permission to erect a 24-foot by 40-foot modular home next to the church.

Mayor Sasyk reported that residents of South Harris Street have signed a petition to annex to the city of Madison. The mayor instructed Second Ward Aldermen Richard Kismer and Donald Broyles to meet with Nameoki Township officals and the legal departments about arrangements.

"The streets and sewers are already there; all we really need to furnish them is trash pickup and police protection," Mayor Sasyk commented.

The annexation would affect only two blocks and 16 families.

The council gave the tentative approval, pending review by the mayor and the legal department, to a resolution requested by the Illinois Department of Transportation allowing the state to let bids for a Collinsville Avenue paving project.

Plans call for Collinsville Avenue to be paved from McCambridge Avenue (Route 203) to Madison Avenue for a truck route across the city.

Included in the plans are sidewalks and curbs.

The estimated cost to the city will be $97,000, with the State of Illinois share being approximately $255,000 and Venice paying $10,000, bringing the total cost of the project to $362,000.

No date has been set for the bid call.

The mayor announced that the next City Council meeting will be at 7:30 p.m. Wednesday, Nov. 5.

FILLS WITH SMOKE

Grease on a stove caught fire and filled the apartment of Elizabeth Mouser with smoke at 3801c Village Lane at 7:05 p.m. Wednesday. The fire had been extinguished when firemen arrived. They were on the scene 20 minutes, using fans to remove the smoke.

2 hurt on motorcycle

A husband and wife were injured when their motorcycle went out of control turning from Vine Street onto Pontoon Road at 12:05 p.m. Wednesday and fell over.

Rick Luster, 31, Edwardsville, the driver, suffered a cut to his left eyebrow and was admitted to St. Elizabeth Hospital.

His wife, Mrs. Barbara Luster, 20, also was admitted with a contusion to the left side of her forehead.

INDIAN SUMMER. Mr. and Mrs. Mike Stern, 2801 Madison Ave., Granite City, students at Southern Illinois University at Edwardsville, enjoy the beauty of the campus mall on a warm "Indian summer" day. They trade off baby-sitting with their 15-month-old son, Zeke, while each other is in class. Mrs. Stern is a junior majoring in nursing, while her husband, also a junior, is majoring in education.

Faults in dam base found

An alternative plan to rehabilitate the existing Alton Locks and Dam on the Mississippi River rather than construct a new structure two miles downstream would be to "chrome-plate what is essentially a Model T," Col. Thorwald R. Peterson, head of the St. Louis District of the U.S. Corps of Engineers, said Tuesday following the release of a study showing the present dam is rapidly deteriorating.

Peterson said rehabilitating the existing locks and dam would cost about $320 million while construction fo a new facility on a solid rock base two miles downstream would cost only $383 million for one 1,200 foot-long lock and $425 million later, if a second lock is added.

A recent inspection by divers, the first full inspection since 1968, has shown large holes in dam supports, 5,000 pound supporting boulders washed out of place and water leaking through areas of the dam.

Peterson said there is no immediate danger, but action to construct a new dam should begin immediately. The plan for a new locks and dam has been blocked by railroads and environmental groups who have filed suit to halt the new dam.

The Corps of Engineers has initiated a new study to "consider all alternatives" to constructing a new dam, but a spokesman said the study should not be considered as the Corps "backing off" from its plan for a new dam.

BURGLARY ON TERRACE

A stereo and a tape player were among items stolen from the home of Henry Ross, 11 Terrace Lane, it was reported Monday. Drawers and closets in every room, including the basement, were ransacked. Ross is to notify police if anything else was taken.

Woman injured

The autos of Arch McBride, 1307 Meridian Ave., and Robert Soden, 3603 Kirkpatrick Homes, collided at East 24th Street and Ridgedale Ave., at 3:25 p.m. Wednesday, resulting in injuries to a passenger in McBride's auto.

Mrs. Katherine McBride, 72, also of 1307 Meridian Ave., was taken to St. Elizabeth Hospital where she was admitted with soreness to her chest. A series of x-rays was taken.

Soden was charged with failure to yield the right-of-way at a stop sign.

Obituaries

ANTONOVICH, NICKON, 1030 Iowa St., Madison. Entered into rest 8:15 a.m., Monday, Oct. 20, 1975, at home.

ONE JUMP AHEAD AND "ON" THE BALL. Kathy Going (Addieville) and Cherry Sharp (Granite City) run with the action as a teammate, Jane O'Laughlin (Edwardsville), manages to speed ahead with the ball during a Southern Illinois University at Edwardsville women's field hockey match. The team lost 4-0 to the Principia Indians in a game Monday at SIUE after defeating Quincy 2-1 last week. The women Cougars will play a doubleheader at 12:30 p.m. Saturday at SIU-Carbondale.

East girls edge South in tennis

Approaching darkness and a 3-3 deadlock in matches led to a tiebreaker device in which Stephanie Krill and Bridgett Krill swept a 5-0 score and Belleville East won the meet 4-3 Tuesday at GCHS South.

South's Carla Svoboda and Carla Knezevich had won 6-4 before dropping the second set to the Krills one game to six.

Theresa Hayes-Tammie Depew lost 0-6, 5-7 and Mary Hutchings-Jan Matoesian bowed 5-7, 4-6.

Among South singles players, Robin Deterding won 6-3, 6-3, Melody Roseman prevailed 6-3, 5-7, 6-1, Christi Bauer won 6-1, 6-1 and Lori Dochwat lost 6-1, 4-6, 4-6 to East's Rita Kohl.

Harriers in sectional

Five area high school cross-country teams will take to the three-mile course at Springfield's Lincoln Park at 11 a.m. Saturday, along with 10 area individual harriers, in an attempt to be among the top three schools advancing to the 30th Illinois High School Association boys' cross-country state finals on Nov. 1 at Peoria.

Competing Saturday at the Springfield sectional meet, along with 10 other schools from each the Jacksonville and Springfield Lamphier district meets, are the first through fifth-place finishers from last Saturday's Edwardsville district held at SIUE — Alton, GCHS North, Edwardsville, GCHS South and Highland.

The top ten harriers from each of the three district meets also earned their way into sectional competition, including those from the meet at SIUE — North High's Mike Baker, first with a new record time of 15 minutes and 31 seconds, Alton's Randy Adler, GCHS North's Dave Futch, Alton's Bob Eppel, Highland St. Paul's Mark Capelle, Edwardsville's Steve Taupey, East St. Louis's Marvin Townsend, Alton's Alex Lambie, Collinsville's Keith Martin, and Edwardsville's Seth Benken.

Saturday will mark the second time Baker has qualified for sectional competition, and the first time North High has qualified as a team.

South's Warriors qualified Saturday for its third straight sectional.

Other Steelers who combined their finishing positions in district competition to qualify North High for the sectional are: Dave Ebrecht, Don Lucy, John Bracomontes, Robin Tegel and Greg Stout.

South High's Frank Holmes placed 12th in the district and posted the best finish by an individual on his team, completing the three miles in 16:28.

Warriors who also will compete at Springfield are Don Meagher, Randy Presswood, Glen Ahlers, Ken Meagher, Russ Presswood and Mike Cothern.

Unlike SIUE's hilly course, Lincoln Park is flat, which should allow runners to post faster times in their attempt to qualify for state competition.

Advancing from the sectionals to the state final meet on Nov. 1 — again hosted by Peoria (Central) and conducted over the three-mile layout at scenic Detweiller Park on the north edge of the city — will be the first three placing teams and the top 10 individuals.

Last year, Alton and Edwardsville both advanced as teams to state competition.

Baker, at last year's Jacksonville sectional, toured the course in 15:18 to place 13th individually as a freshman, while Warrior Dwayne Terry, a senior then, finished among the top ten and then placed 93rd at Peoria.

Venice High cheerleaders are selected

Venice High School — home of the 1974-75 Class A state basketball champions — has selected five young ladies from the school's student population as varsity cheerleaders, and another five as junior varsity representatives.

Miss Irene Hackett, an English instructor, is the cheerleaders' sponsor. Ann McIntrye will appear at each game attired in a Red Devil costume as the squad's mascot.

Chosen to cheer their respective teams in the 1975-76 season are:

Varsity — Tami Eck, Carolyn Moore, Barbara Matkins, Chris Ponce and Mary Beth McGarrahan.

Junior varsity — Clara Hoults, Carolyn Richmond, Andrea Withers, Theresa Bilbrey and Linda Patterson.

Alternate cheerleaders are Tina Ellis and Lori Durer.

All-around athlete Robin Deterding in state tennis Friday

Miss Robin Deterding, daughter of Mr. and Mrs. Don Deterding, 2812 Idaho Ave., will be Granite City's representative tomorrow and Saturday at the Illinois High School Association girls' tennis state finals to be held on the courts of District 214, Arlington Heights, near Chicago.

A GCHS South senior, Miss Deterding has excelled in track, volleyball, basketball and softball throughout her high school sports career, capping her many accomplishments with the 1975 championship last Saturday in singles competition during South High's district tennis tournament.

She was last year's singles runnerup here also advancing to the state finals. A first-round loss there eliminated her from further competition in 1974.

After drawing a first-round bye during the weekend, Miss Deterding defeated Belleville East's Kay Kohl 6-0, 2-6 and GCHS North's Joy Pierson 6-0, 6-1. She next beat Belleville Althoff's Ruth Auer 4-6, 6-4, 6-1 for the championship.

Going to state with her are Miss Auer and two Belleville East doubles teams that took first and second place in the competition here — Susan Pulley and Mary Zelleman the champions and Maureen Fitzpatrick and Donna Farley, runnersup.

The district representatives will compete against other district qualifiers, along with the top four in each category from the Chicago Public League tournament.

GARY EAKER. The GCHS North student was low scorer for his school as it finished well in invitational golf competition at Springfield Southeast. He has been shooting in the high 70s for 18 holes.

OPEN PLAY AFTER NINE DAILY TRI'MOR BOWL

STATE TENNIS QUALIFIER. Miss Robin Deterding, who won singles runnerup honors last year in GCHS South's district girls' tennis competition, captured the 1975 singles championship during the weekend. The South High player, undefeated during the regular season in dual meets, went undefeated in the district here to qualify for a berth in the Illinois High School Association state finals tomorrow and Saturday at Arlington Heights near Chicago.

Rascals nearing end of schedule

With two weeks remaining in the Granite City Little Rascals Boys' Tackle Football Club schedule, the Pee Wee North squad is still deadlocked for first place in the Tri-County Conference with the Belleville Knights, each with a 5-1-1 record.

The teams played each other two weeks ago, the game ending in a scoreless tie, and both defeated their foes early this week to keep the tie intact.

This Sunday, Pee Wee North ventures to Dupo for a 1:45 p.m. contest with the Dupo Boosters.

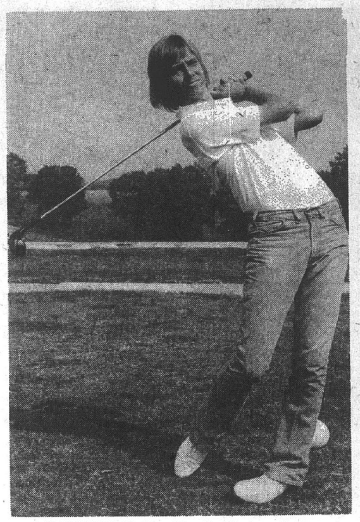

Other Granite City teams' games on tap Sunday are: Midget North at Alton, 3 p.m.; Jr. Pee Wees at home against Fairview Falcons, 1:15 p.m.; and Midget Central at Home against the Belleville Devils, 3 p.m.

All Granite City home contests are played at Coolidge Junior High School field.

MONDAY, Oct. 20
GCHS North (Soph) 30, Hazelwood Central 27 (TD's — Ed Futch, 70-yard run; Mike Sherman, 30-yard run; Len Butler, 11-yard dash; and Don Cook, 20-yard sweep. Two-point conversions were made by Mike Simpson on a halfback option pass from Sherman, Quarterback Mike Miller on a run, and Cook through the middle.)

DON GRESCO. The Granite Cityan, a freshman, helped the SIUE golf team achieve one of its best seasons ever this fall.

Gresco averages 77, Cougar golf team 75

After losing four of his top six players to graduation, Southern Illinois University at Edwardsville golf coach Harry Gallatin worried about his team's inexperience this fall.

He shouldn't have been concerned. During the weekend, the Cougars completed their season, finishing with SIUE's lowest team average ever for a fall season. The Cougars had a combined 75.2 average per 18 holes.

"Not only did we have a better season than I anticipated, but we actually improved on last fall's performance, when we had a team average of 75.6," Gallatin said. The 1974-75 team went on to finish 10th in the NCAA Division II Championships last spring, so this season's edition may do even better.

The Cougars wound up the fall season by finishing second among seven times in the Bogey Hills Invitational in St. Charles. The University of Arkansas at Little Rock won with a 568 total. SIUE had 596, nosing out sister campus Southern Illinois University at Carbondale by two strokes. Bradley finished fourth at 613, the University of Nebraska had 614, the University of Missouri-St. Louis 619 and St. Louis University 645.

In five tournaments this fall, the Cougars won one (their own SIUE Invitational), finished second twice and had third- and fourth-place performances. The fourth-place finish was in the 18-team Mid-America Invitational, where the Cougars finished ahead of all other Division II or III schools to win the College Division championship.

"Although we won only one tournament, we played against mostly Division I schools and beat nearly all of them," Gallatin pointed out.

Leading Gallatin's Cougars was senior John Hand of Alton, a transfer student from Eastern Illinois University, who averaged 74.25 for 20 rounds. Senior Doug Macalla (Brownsville, Tex.) edged out junior Brooks Brestal (Belleville) for second place with a 74.70 average. Brestal had 74.71.

Sophomore Jack Enloe (Edwardsville), a transfer from Centenary College, was fourth with 75.11. Senior Keith Swindell (Mascoutah) finished fifth at 75.81.

The remainder of SIUE's individual averages: junior Kevin McConnell (Robinson), 76; freshman Joe Riley (Belleville), 76.06; sophomore Mark Keeley (East St. Louis), 77.09; freshman Don Gresco (Granite City), 77.18; freshman Keith Williams (O'Fallon), 77.45; freshman Tim Gehrig (Alhambra), 77.64; and junior Gary Shastal (McHenry), 78.70.

A Word About Our Store

CORRAL LIQUORS was established 3 years ago in order to provide you, the customer, with the largest selection of liquor, wines, liqueurs and beer with the lowest prices in Southern Illinois.

We have been striving to obtain these goals since our first day of operation. Recently we have built on an addition so we are able to provide you with a still larger selection and even lower prices through volume buying.

In addition we have recently expanded our checkout area to include another special express checkout to accommodate our customers on weekends and through the holidays.

We want to encourage you to ask our personnel should you have any questions concerning the location of specific items or any item we may not have, or anything, including ways in which we may serve you better.

We will attempt to obtain any item which we do not have.

Providing the largest selection and lowest prices has been, and will remain our objective. However, we are also dedicated to providing you the personal service that you should expect from a retail dealer.

So, if you have any questions, requests, suggestions, or complaints, please don't hesitate to bring them to our attention. Let Corral Liquors help you enjoy the coming holiday seasons.

WINNING TEAM. For the second straight year, this Granite City Park District second-year Atom Division baseball team, the Cougars, has captured its league and playoff championships. Having compiled a two-year record of 32 wins against four losses, the Cougars also won a Dupo invitational and took consolation honors in the year's park district open competition tournament. The nine-year-olds, left to right, are: Front row — Greg Nemeth, Greg Levin, Mike Sikora, Brian Brokaw, Jim Robertson and Rich Skubish. Second row—Sean Wyrostek, Tim Watson, Sam Tate, Nathan Crane, David Lipe, Keith Coakley, Paul Harris and Darin Partney. Coach Mike Sikora, left, and Manager Ed Robertson stand behind the team. Another player, Duane Huddleston, is not shown.

Steelers in daytime contest at DeSmet

GCHS North will travel across the river into Missouri Saturday for a 2 p.m. gridiron contest at DeSmet High near Creve Coeur, Mo.

The Steelers now have a 5-1-1 record following their 14-14 tie last Saturday with Belleville Althoff. DeSmet, a member of the Bi-State Conference, has a 4-2 record and currently is in first place in conference competition.

North has three contest remaining on its 1975 grid schedule, but the next two loom as most important — DeSmet this Saturday and Mattoon on Friday, Oct. 31.

North High must win its next two games to be considered for a berth as an independent school in the Illinois High School Association season playoffs. A team must meet an 80 per cent winning record as of Nov. 1, and have played at least eight games by that date.

The Steelers take on O'Fallon at home in the regular season finale Nov. 7.

Independent high schools in this region that have a shot at earning a state playoff berth (with record shown) are: Class 3a — East St. Louis Lincoln 7-0 and Alton Marquette 6-1; and Class 4a — GCHS North 5-1-1.

DeSmet opened its season with a 13-9 loss to Webster Groves, defeated Ritenour 22-16 and lost 14-12 to Riverview.

The Missouri eleven then shut out its next three opponents — St. Mary's 14-0, Francis Howell 27-0 and Christian Brothers College High 14-0 last Friday.

Last year's conference co-champion, DeSmet is led by Senior Quarterback George Shaffrey, who has thrown aerials out of the wishbone and I-formation for five touchdowns.

In DeSmet's backfield are a five-touchdown scorer, Ken Cline, and John Vorbeck and Fullback Tim Hornoff. The latter has been averaging more than 100 yards rushing per game this season.

Recalling his school's 28-25 victory last year over GCHS North, DeSmet Coach Bob Christian says, "We will have to play some tough football to beat the Steelers Saturday, because that is what they play."

Noting that his squad has not been scored on in its last three outings, Christian voiced respect for the Steeler defense.

"It is a hard-hitting unit which never quits for a second. Our defense, to match North's, will have a three-fold job in attempting to put the rush on Greg Corey's passing and stopping Larry Schleicher and David Kwiatkowski."

Corey has amassed 920 aerial yards in seven outings, including 220 yards against Althoff.

Schleicher has been Corey's target 26 times for 460 yards, and Kwiatkowski has 250 yards on 19 receptions.

The Steelers have racked up 943 yards rushing thus far, with Schleicher, Bruce Jateff, Joe O'Gara, John Nolan and Richard Schmidt the main ball carriers.

"I saw them play the last four contests," adds Christian, "and I'm impressed with their quickness, and with the way they came back like they did against Althoff."

North High was down 14-0 late in the fourth quarter at Althoff but tied the game with two touchdowns and extra-point kicks.

IN NUMBERS THERE IS STRENGTH and also an effective defense. In this picture, MHS gridiron Trojans move into position to halt the forward progress of an Assumption High School tight end, Eric Wright (13). Madison players visible include Dwight Chillers (39), Mark Jiles (78) and Curtis Bradley (37). *(Press-Record Photo)*

Trojans host Mater Dei team Saturday

Coach Al Vonder Haar's Madison Trojans will attempt Saturday to keep the Knights of Mater Dei (Breese) off the scoreboard when the two schools meet in a 2 p.m. grid contest at the Trojan field.

"It's going to be a good game," speculates the Madison coach, "if we can again play up to our potential.

"When we defeated Calhoun-Hardin last Saturday," he said, "that gave us the best record of any Madison team in nearly five years."

Now with a 3-5 record, the Trojans have played most of their opponents closely thus far — losing 14-0 to Wentzville, defeating DeAndreis 20-14, losing 14-12 to St. Louis Central and defeating Columbia 28-6, before dropping the next three games.

Madison bowed to Alton Marquette 46-0, to Dupo 12-6 in overtime and then to Assumption 26-0 before defeating Calhoun-Hardin 22-12.

Mater Dei, with first-year Coach Bob Larsen at the helm, opened the season with a 33-0 loss to Mascoutah and then proceeded to beat its next three opponents — Greenville 14-12, Quincy Notre Dame 7-0 and Triad 33-6.

The Knights' winning streak then came to a halt, the team losing 27-6 to GCHS North, 27-7 to Belleville Althoff and 31-14 to Alton Marquette.

Against Althoff, Mater Dei was held to 73 yards rushing and Quarterback Tom Gonsalves to 30 yards in the air on three completions in 13 attempts. Don Neff scored the Knights' points, making a short dash into the end zone and then booting the extra point.

The Knights had perhaps their finest game of the season in defeating Triad, scoring five touchdowns and gaining 192 yards rushing.

Gonsalves carried the ball in twice on short runs, Paul Henss scored on a 25-yard run and Don Nowakowski on a four-yard dash.

Larry Olliges, a 6-3, 170-pound safety, intercepted two passes, returning one 17 yards for a TD. Olliges also recovered a fumble and made six key tackles.

Madison entered the Hardin contest without the services of Senior Cedric Wilson, a 210-pound guard, but still managed to contain the opponents' ground game to 56 yards, and Hardin's aerial attack to 38 yards. Wilson had suffered a leg injury earlier last week in the Assumption contest.

"He's been working out each day this week," says Vonder Haar, "and in all probability he'll be starting Saturday."

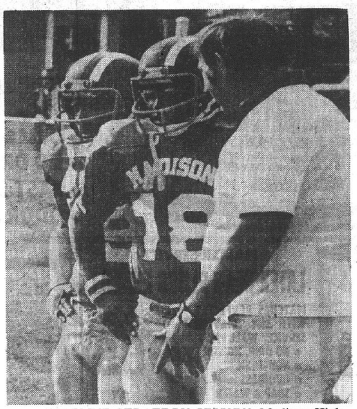

Senior Runningback Dwight Chillers heads Madison's offensive attack with 493 yards rushing on 73 carries and five TDs.

Quarterback Mike Woods has scrambled for 146 yards on 34 carries and has tallied three TD's.

Two other Trojans have passed the 100-yard rushing mark — Pete Fecurka, 47 carries for 174 yards, and Duane Bochantin, 26 for 111 yards.

Other than Chillers and Woods, five Trojans have scored lone TD's — Lloyd Williams, Bochantin, Dalfred Haynes, James Heard and Alfred Crawford. Crawford last Saturday returned a Hardin kickoff 75 yards to paydirt.

Overall, in eight outings, Madison has gained 57 first downs, 1,303 yards on the ground and 405 yards in the air, and has fumbled 26 times. The Trojans have recovered 11 of their own fumbles and eight of their opponents' fumbles.

SIDELINE STRATEGY SESSION. Madison High School Coach Al Vonder Haar (right) confers with Quarterback Mike Woods (18) during a lull in the offensive action. The picture was taken during the football Trojans' 26-0 loss to Assumption last week. *(Press-Record Photo)*

Belleville West at South Friday night

GCHS South's grid Warriors will host the Belleville West Maroons tomorrow in an 8 p.m. contest at the Granite City stadium, with hopes of keeping South's records against Southwestern Conference teams respectable.

No longer a member since withdrawing June 30, South would be in third place if its games against Southwestern foes were counted.

Actual standings show Edwardsville ahead with 4-0, the Maroons next with four wins and one loss, three teams tied with 2-2 records (Belleville East, Collinsville and Alton), Cahokia 0-3 including some forfeits and East St. Louis, 0-4.

South is 3-2 against teams still active in the conference. Coach Stanley Wojcik's Warriors lost 20-7 to East, blanked Cahokia 27-0, bowed 35-0 to Edwardsville and then defeated Collinsville 14-7 and Alton 20-18.

The Warriors are 4-3 overall, including a 14-6 win over Riverview Gardens and a 16-7 loss to GCHS North.

South has rushed for 951 yards and moved 447 yards through the air on Quarterback Bryan Bunjan's 23 completions in 83 attempts. The team totals 64 first downs.

Intercepting 10 enemy aerials, the Warriors have limited foes to 429 yards on 22 completions of 78 passes.

Alan Benko has chalked up 356 yards on 106 carries, Joe Ward 293 yards on 60 carries and Frank Barunica 274 yards on 68 runs.

Ward has caught 11 passes for 276 yards and has four touchdowns. Jim Jackson has run for 131 yards on only seven carries.

In a 6-1 overall season record, Belleville West has lost only to Edwardsville, 13-0.

The Maroons blanked Assumption 24-0, Belleville Althoff 23-0 and Collinsville 35-0 while outscoring neighboring East 17-13 and East St. Louis 28-7 and accepting a forfeit from Cahokia.

Defensive standouts for West include Brad Bruckner, Dallen Wright, Steve Yates and Kurt Lehman.

The Maroons use a multiple offense, including I and T formations, the wishbone and the double-wing.

Senior Jim Bedwell is the quarterback; his predecessor, Rusty Lisch, now plays for Notre Dame University.

Fullback Dave Robinson, a 180-pound senior, again is performing well after amassing 422 yards during the 1974 season. Against East St. Louis last weekend, he scored one of the touchdowns on a two-yard run.

Robin Edgar also is a skilled runner, having rushed for 103 yards against Belleville East. And Halfback Rich Hunter impressed against Collinsville with a 50-yard touchdown run and a 48-yard TD pass reception.

Bedwell has connected on 18 of 37 aerials for 426 yards, including more than 100 yards passing in each of West's last two games. He also has netted 127 yards on nine carries, including a 62-yard TD run.

Friday's game may be the last between the two schools. The Warriors have omitted West, East St. Louis and Riverview from next year's schedule, instead facing O'Fallon, DeSmet and Pattonville.

South field hockey squad outscores North girls 4-3

For the second time this season, the GCHS South girls' field hockey team defeated GCHS North, but the Warriorettes found the competition much tougher in outscoring the North girls 4-3 Monday.

The game at the North field was decided on penalty shots. Earlier this month, South High won 3-1 in regulation time.

In Monday's contest, consisting of two 35-minute halves, Steelerette Kim Shaw gave North a 1-0 lead while Goalkeeper Sue Leibold held South High scoreless.

South's Ruth Geggus opened the second half by putting the ball into the net area, achieving a 1-1 tie. South Goalkeeper Mary Livingston then held defensively throughout the remainder of the period, forcing a tiebreaker on penalty shots.

Five players from each school were selected to attempt to put the ball into the net from seven yards away from the defending goalkeeper, in alternate turns, with the team scoring the most goals deciding the contest.

Tallying penalty goals for South were Donna Macios, Edna Hellrich and Pam Meszaros. Penalty goals for North were scored by Tammie Jateff and Anita Parmer.

High School Football

TUESDAY, Oct. 21

Alton (Soph) 14, GCHS South 6 (TD — Tony Elliott on a 12-yard pass from Quarterback Mike Forshee.)

WEDNESDAY, Oct. 22

MHS (Frosh) 6, Assumpton 0 (TD—Sylvester Collins intercepted a pass and returned it 23 yards.)

Hazelwood captures soccer contest, 2-0

GCHS North kickers hosted Missouri's Hazelwood Central High School Monday but managed to get only three shots at the opponent's net and the visitors won 2-0.

Hazelwood scored when the soccer contest was only 18 seconds old, stealing the ball on the backfield dribble, and then scored again in the third quarter. The Missourians attempted 12 shots on goal.

"They applied constant pressure on our defense," said North's Bob Kehoe, "and when that happens something has to give."

Steeler Goalkeeper Rick Demaree, playing with a sore knee after he was accidentally kicked, had eight saves.

North's three attempts, all saved by the opposing goalie, were by Dave Roberson, Kevin Gavlick and Bob Yount.

North committed the fewest fouls, 9-21, and had the fewest cornerkicks, 2-6.

Meet tonight on ice hockey plans

The Granite City Amateur Ice Hockey Association will hold its monthly board meeting at 7:30 p.m. today at the Nameoki Recreation Center, Amos and Franklin Avenues, to discuss and plan a season schedule for each of the association's five divisions. The 1975 season begins next month.

The five divisions are comprised of about 75 per cent Quad-City players and the rest from Fairview Heights, Belleville, Collinsville, Maryville and Florissant, Mo.

The divisions are: Mini-squirts, ages 5-8; Squirts, ages 9-10; Pee Wees, ages 11-12; Bantams, ages 13-14; and Midgets, ages 15-16.

Smith-Rutledge nuptials

Miss Ann Rutledge, a daughter of Mr. and Mrs. Paul E. Rutledge, 2508 Benton St., became the bride of Ronald C. Smith of Kirkwood, Mo., in a ceremony on Aug. 23 at the City Hall in Chicago.

The groom is a son of Mrs. Thelma Smith and Vernon Smith, both of Kansas City, Mo. Mr. Rutledge, the bride's father, is city treasurer of Granite City.

Attending the couple were Cathy McPherson and Robert McCoy, both of Chicago.

The former Miss Rutledge is employed as a medical secretary by St. Louis University Hospitals. Her husband is executive vice-president at Mercantile Commerce Bank in St. Louis.

They are now residing in Kirkwood, Mo.

Calvary choir at Gospel Mission

The Sanctuary Choir of Calvary Baptist Church will present a program of sacred music at 2 p.m. Sunday at the Gospel Mission, 2014 E. 20th St.

The choir's appearance, under the direction of Mr. and Mrs. William Ellsworth, is part of the "mission behind the mill's" 57th anniversary celebration, Mrs. Bethel J. Davis, superintendent, announced.

Dr. George A. Rosenthal, speaker at the mission for more than 33 years, will be in charge of the anniversary service and other speakers will be recognized.

Speaking at the afternoon service will be Dr. L. S. Bassoo of British Guyana, South America, who is leading a series of meetings at the mission, starting at 7 o'clock each evening with the exception of Saturday.

The anniversary revival, which concludes Thursday, Oct. 30, is featuring special music segments nightly, led by Mrs. Everett (Susan) Hopkins.

At 7 p.m. Sunday, the Rev. John Pithers of the First Assembly of God Church will address the Gospel Mission congregation and friends.

The public is invited to attend all meetings at the non-denominational mission. Additional parking may be found at the rear of the building, Mrs. Davis said.

GOLDEN FRIED SHRIMP DINNER EVERY DAY AT GRANT'S—$1.98

Madison club sponsors champion

Rena Dillon, who is associated with a Khoury League in California, was guest speaker at a meeting last week of the Madison Ladies Democrat Club.

Fernando Narvaez, coach and manager of a softball team sponsored by the women's club, introduced the guest speaker and announced the team has won first place in its league for two consecutive years.

Club members agreed to purchase trophies for the 15 girls on the team.

Mrs. Mary Rogenski was in charge of the business session. Reports were given on a fish fry and barbecue hosted by the club and also on the sale of Bicentennial necklaces, a fund raising project of the group.

The president said tickets for the John F. Kennedy memorial dinner have been purchased.

Hostesses for the evening were Elizabeth Wisnick, Josephine Knezevich and Rose Rodgers. They directed games and presented a prize to Frances Trotts.

Others present were Margaret Minzes, Lee Krpan, Hazel Swigert, Joann Wilkins, Blondie Dillon, Maxine Costoff, Elizabeth Yankoff, Julia Goclan, LaVerna Harris, Georgia Graham, Vera Sikora, Mary Krekovich, Sue Miller, Christine Green, Minnie Brown and Ann Sporcic.

READY-MIX CONCRETE
CALL LYBARGER
452-3107 or 452-6180

Mrs. Polley is club hostess

Mrs. Frances Polley entertained members of Thorngate Garden Club last week at a steak luncheon, served at George Lindsey's Family Steak House.

Vice-president Miss Jean Bethel presided at the meeting, which was opened with the group answering roll call by naming vacation items they purchased during the summer.

Plans were made by the club to participate in the county nature trail project by planting 10 trees. A discussion was held on the club's yule party, with final arrangements to be announced.

A guest attending the October meeting was Mrs. Blanca Lewis of Saugus, Calif., a relative of the Polley family.

The next meeting will be held in the home of Mrs. William Kincaid.

Xi Theta views child abuse film

A film on "Child Abuse and Abusive Parents" was shown by Bill Perozzi of the Illinois Department of Family Services, at last week's meeting of Xi Theta Omega Chapter of Beta Sigma Phi Sorority.

Mrs. Ellen Wilson hosted the meeting. Tentative plans for the Chapter's Christmas party were made for Dec. 3.

Those present were Carol Davis, Pat Chasteen, Shirley Fountain, Julie Gates, Barbara Haddock, Pat Howard, Sharon Rush, Judy Russell, Donna Sprankle and Mary Jane Wasylak.

Mrs. Davis invited the group to her home for the next gathering.

Tap, ballet shoe exchange Saturday

An exchange of ballet and tap shoes is planned Saturday morning during dance classes at the Nameoki Recreation Center, Amos and Franklin avenues.

A few vacancies remain in the sessions which take place between 8:30 a.m. and noon. Instruction is offered free to park district residents in kindergarten through the sixth grade.

Noting that children in that age range change shoe sizes frequently, Mrs. Marilyn Phillips, instructor, said the shoe swap will enable pupils to exchange shoes they have outgrown.

Nurse promoted at Colorado hospital

Miss Linda E. Schmidt, daughter of Mr. and Mrs. David Schmidt, 2609 Pontoon Road, returned to Colorado this week after a brief visit at home with her parents.

A 1974 graduate of the School of Nursing at Southern Illinois University at Edwardsville, Miss Schmidt recently was promoted from staff nurse to assistant head nurse of a 63-bed geriatric rehabilitation unit at Fort Lyon Veterans Hospital at Fort Lyon, Colo.

She has been employed at the veterans hospital the past year and resides in the nearby town of Las Animas, Colo.

New Hope past matrons convene

Past Matrons Club of New Hope Chapter 242 met Tuesday night at Petri's Restaurant for a social meeting and dinner. The hostesses were Carol Hildebrand and Louise Cook.

After the business discussions games were played and prizes were awarded to Donna Woodard, Sara Demsey, Lou Anderson and Bess Weiss.

Also present were Marilyn Whitworth, Thelma Jahnsen, Gertrude Lowry, Estella McBrian, Evelyn Harris and Ann L. Mueller, members; and guests, Aline George, worthy matron of New Hope, and Amy Hildebrand.

DeMolay installs new officers

Stanley C. Myers, son of Mr. and Mrs. C. Floyd Myers, 2419 Grand Ave., was installed as master councilor of James Stuart Chapter, Order of DeMolay, in a public installation of officers at the Masonic Temple Tuesday night. Other senior line officers installed were:

James S. Boyd, senior councilor; Robert C. DeCourcy, junior councilor; Kelly D. Smith, chaplain; Michael Worthen, treasurer; Norman E. Burgess Jr., senior deacon; John C. Tolan, junior deacon; Mark Doolittle, senior steward; Billie J. Sensabaugh Jr., junior steward; Delbert E. Sipes, sentinel; Bruce M. Groshong, standard bearer; Barry W. Church, almoner.

Dennis E. Worthen, marshall; S. Thomas Ebrecht, orator; Thomas C. Groshong, first preceptor; Ronald L. Lybarger, second preceptor; Jeffrey A. Donley, third preceptor; Gary L. Daniels, fourth preceptor; Jess F. Reed, fifth preceptor; John M. Seybert, sixth preceptor; William E. Skinner Jr., seventh preceptor; Anthony Eftimoff, scribe.

Bradley W. Lane, son of Mr. and Mrs. Edward W. Lane, 2121 Missouri Ave., was installed as master councilor in the junior line of officers. Other junior line officers installed were:

Senior councilor, Keith E. Easley; junior councilor, Michael K. Christich; chaplain, David B. Sartin; treasurer, Paul R. Woodruff; senior deacon, David H. Sipes; first preceptor, R. David Harley; second preceptor, Paul S. Clinard; third preceptor, David R. Cavaness; fifth preceptor, Keith A. Seybert; sixth preceptor, Merle L. Castellini; seventh preceptor, Don M. Wilson; scribe, William M. Berger.

Clinard was in a hospital for tests and was unable to be present. The installing team, composed of Chevaliers from the Granite City and Gloucester, Mass. Court of Chevaliers, were:

Installing officer, Charles E. Hileman Jr.; installing senior councilor, David M. Epping; installing junior councilor, Stephen P. Schultz of Gloucester, Mass.; installing marshall, Robert F. Maxwell; installing chaplain, John Young; installing senior deacon, William A. Cochran Jr.

Upon receiving the gavel of authority from the Installing Officer Hileman, Myers introduced and thanked the installing team. He then had the senior councilor, Jim Boyd, escort his mother, Mrs. Ina Myers, to the altar where he presented her a bouquet of roses and thanked her. While at the altar, Keith Curtis sang "Everything is Beautiful."

Myers then introduced other members of his family and relatives. Curtis also sang a solo as Myers was being installed as master councilor at the altar.

Leslie Houser, who played for the installing marching, accompanied Curtis in his solos.

The master councilor introduced Leslie Houser, honored queen of Job's Daughters, who introduced other officers of Bethel 43. Also introduced were Mrs. Becky Slate, guardian, and Dr. Amos Rode, associate guardian, of Bethel 43.

Miss Lisa Smith, the chapter's sweetheart, was escorted to the east where she was introduced and congratulated the new officers. Also introduced were: Loren Worthen, senior warden of Granite City Lodge 877 AF&AM and Betty Ebrecht, worthy matron of Granite City Chapter 650, Order of Eastern Star.

Speaking briefly were Brian Klaus, senior councilor of Edwardsville Chapter, and Robert Wibes, chapter advisor, of A.D. Manners Chapter, Fairview Heights.

Mrs. Mary Groshong, vice president of the DeMolay Mothers Club, congratulated the new officers. She introduced other Mother's Club officers and asked members of the Mothers Club to stand. Myers, in behalf of the chapter, thanked the Mother's Club for its support and the mothers were given a standing ovation by the DeMolay officers and members.

Chapter Advisor Charles Meyer presented Anthony P. Tsigolaroff, retiring master councilor, with a past master councilor's jewel. Anthony presented Stanley Myers with a master councilor's pin. Robert F. Maxwell announced that "The DeMolay Hat's Off Award" to be presented to Mrs. Mary Church, president of the Mother's Club, will be deferred to a later date because illness prevented her attendance.

William J. Mehl, 33rd degree Mason and charter member of the local DeMolay Chapter presented to the chapter through the master councilor two framed letters which were found among the effects of the late Carl Graham by his nephew Roy K. Graham. Roy Graham, an advisor of the chapter, had them framed as a gift to the chapter.

They were a letter from Frank S. Land, the founder of the International Order of DeMolay, to John F. Westlake, excellent high priest of Granite City Chapter 221, Royal Arch Masons, under the date of March 31, 1921, explaining the purposes of the then two-year old order, and information pertinent to the establishment of a chapter; and a letter dated April 6, 1921, from Andrew D. Webb, grand high priest of the Grand Royal Arch Chapter of Illinois, to John F. Westlake, commending the Royal Arch Chapter on its initiative in forming the first DeMolay Chapter in the state of Illinois.

Tsigolaroff, the retiring master councilor, presented the "DeMolay of the Term" trophy to Kelly Smith, son of Mr. and Mrs. Chester Smith, 1935 Harris St., Madison.

The installation was closed by the "Nine O'clock Interpolation" by the chaplain, followed by the "Forming of the Cross" by the Job's Daughters. Refreshments were served by the Mother's Club and dancing was to the music of the "Redemption" in the dining hall following the installation.

Joplin music to be played

The Symphonic Band and Wind Ensemble of Southern Illinois University at Edwardsville will present an American Composers Concert Friday at 8:15 p.m. in the Communications Building theater. Allan R. McMurray, assistant professor of music at SIUE, will be the conductor.

The program will include Fanfare for a Common Man by Copland, American Overture by Jenkins, Fantasies on a Theme by Haydn arranged by Joio, and George Washington Bridge by Shuman.

Following an intermission, the band and ensemble will perform Persichetti's Divertimento, Opus 42, and three pieces by Scott Joplin. Joplin's music will include The Cascades, Sun Flower Slow Drag and The Easy Winner.

The next Symphonic Band and Wind Ensemble concert after tomorrow is scheduled for Nov. 14 in the Communications Building theater.

Schools salute United Nations

If Illinoisans see a "different looking" blue and white flag flying over a number of schools and government buildings tomorrow, they need not be surprised.

The blue and white banner is a United Nations flag and it is being flown in commemoration of UN Day, being observed throughout Illinois.

Schools which have the flags are being asked to display them, in addition to the United States flag, by State Supt. Joseph M. Cronin.

"Today's children are growing up in a small world," said Dr. Cronin. "Everyone around the globe is, in some sense, a neighbor.

"We need to encourage children to look upon each other as potential friends no matter what their individual differences, and commemorating UN Day is one good way of doing that."

Industrial safety seminar Oct. 28

A one-day safety seminar for business and industry will be held at Southern Illinois University at Edwardsville Tuesday, Oct. 28, according to Bonnie Little, coordinator of Conferences and Institutes at the university.

Robert Hilliard, Alton Box Board Co. executive, who is president of the Madison County Safety Council, will be the general conference chairman.

The program will begin with registration and coffee in the Big Prairie Lounge of the University Center. Andrew Kochman, SIUE vice-president and provost, will welcome the group to the campus.

Tom Haggai, nationally known for his syndicated radio program "Values for Daily Living," will be the keynote speaker. "He is a minister, civic leader, youth counselor, humorist and radio commentator, and his message is timeless," Hilliard said.

During the morning session, concurrent workshops and panels on safety will be held. They include: "Let's Get Back to Basics," "Workmen's Compensation and Its Impact on Your Operation" and "Foreman's Swap Shop."

The luncheon speaker will be Joseph Munshaw, assistant professor of speech communication at SIUE.

During the afternoon session, businessmen and industrialists will learn about job safety analysis.

Speaker for the afternoon session will be Bill Frank. Frank, who was blinded in an industrial accident, will talk on the subject, "Don't Push Your Luck."

Among businesses and industries represented at the seminar will be: Shell Oil Co., Laclede Steel Co., Conalco, Monsanto Research Corp., Safety Council of Greater St. Louis, Olin Brass Group; Alton Box Board Co., A. O. Smith Corp., Duncan Foundry and Machine Works, Inc., and the Southwestern Illinois Industrial Association.

TOM HAGGAI

Peanut sales, installation Kiwanis topics

Peanut sales and installation of officers were the two major topics at the Monday meeting of the Evening Kiwanis Club held in Charlie's Restaurant.

Kiwanians will be at local banks and shopping centers giving away peanuts for donations in the Quad-Cities area on Friday and Saturday. Proceeds will aid needy children.

An installation of new officers will be held on Monday at Charlie's with dinner at 7 p.m.

Officers to be installed are Michael Toundas as president, Howard Etherton, first vice-president; Herbert Schannot, second vice-president; Darrell Lindsey, secretary, and Allan Jessee, treasurer.

Kiwanis Lt. Gov. Edward Long of Alton will serve as installing officer.

A style show presented by Wayne's Men's Wear of Madison and the Stefanie Shop will follow the installation.

Group studies school design

A seminar in educational design for the future will be attended by nearly 200 Illinois educators and families in Lucerne, Switzerland, through tomorrow, according to Henry T. Boss, associate professor of education at Southern Illinois University at Edwardsville.

The group includes Bobby Simmons, Granite City, an educational legal consultant, and Mary Lou Dordan, Granite City, an Illinois Education Office field worker.

Sponsored by the Illinois Association for Supervision and Curriculum Development (IASCD), the group members are hearing presentations from European university specialists, interviewing educational authorities, and visiting futuristic model schools as part of their seminar experience, Boss said. He is co-chairman of the seminar.

Mrs. Mildred Phegley of Collinsville, work study coordinator for School District 10, is president of the IASCD.

Part of the group will be doing graduate study at SIUE under Boss. These members were required to do extensive pre-planning and reading before the seminar and will be responsible for completing projects or research papers after the seminar in order to receive extension credit.

This is the second seminar conducted by the IASCD in Europe with the assistance of Boss. The group arrived in Lucerne Oct. 17. A 1976 seminar is planned for Munich, West Germany.

Early history

(Continued from Page 1)

roaring river, more than 20 miles wide in places, stretched to the bluffs.

Years later this river, slowly moved westward, flowing in a channel from a higher to a lower elevation, leaving a tract of low, wet, flatland infested with mosquitoes.

The Indians called this great river "Missi" (big) "sipi" (river).

Later, the Mississippi floodplain was known as the "American Bottoms."

In 1673, when the first white men passed through Madison County looking for a water route from the Great Lakes to the western ocean, they found many Indian settlements.

These Frenchmen under the leadership of Father Marquette and Joliet were followed by LaSalle in 1679.

French missionaries followed and—with the help of French trappers built outposts.

It didn't take long for the French to win the Indians' confidence and affection. They hunted with them, lived in their wigwams and intermarried with them.

These Indian settlements that the Frenchmen found were located to the north along the bluffs above Alton and to the south around Cahokia and Kaskaskia.

There were no Indian settlements in our immediate area. It was here that the Indian came by day to hunt.

The land abounded in game of many kinds. Elk, deer and buffalo were numerous.

Foxes, wolves, weasels, mink and other small animals also were plentiful.

But the Indian did not settle here. This was the land of floods and "aching sickness."

The early 1750s must have been dry years because, about this time, the French established a French settlement on Chouteau and Gabaret Islands in the Mississippi River.

Chouteau Island was originally called the Big Island. Here the French raised horses of Arabian breed, brought here by the Spanish.

They shipped them in flat boats and marketed them down the river to New Orleans.

They also planted apple orchards and pear trees. Remnants of this settlement were found by American settlers in 1800.

French domination in this area continued until the rivalry began between England and France to get possession of North America.

The transfer of this Illinois country was made to England in 1763.

The Americans detested the British rule and a Declaration of Independence was suggested.

Our founding fathers decided to break away from England, free themselves from old European forms and set up new political institutions.

The Revolution involved the Illinois country when Colonel George Rogers Clark surprised the British at Kaskaskia and attacked and captured Vincennes.

After the war, Illinois was established under the jurisdiction of Virginia, and Patrick Henry became the first Illinois governor.

The first pioneer settlers to come to the Mississippi Valley were from the South.

Many of them were Clark's soldiers who wanted to return to the beautiful country.

They left their homes in the uplands of the Carolinas, Pennsylvania and Virginia. Some of them drifted down the Ohio on flatboats to Kentucky and Missouri.

It was by chance that James Gillham, an American man who had been a soldier of the Revolution, crossed this part of the country in 1794.

He was in search of his wife and three children who had been taken captive in their Kentucky home by a band of Kickapoo Indians in 1790.

Mr. Gillham and his son, Isaac, were working in a cornfield some distance from the house and, on their return hours later, found that his family had been taken prisoners by the Indians.

A searching party was able to pick up the trail in several places but then it was lost again, so the searchers returned to their homes.

Mr. Gillham sold his possessions and he and his son set out to find his lost family.

After a search of five years, he learned that his wife and children were alive and living with the Kickapoo Indians in what is now Sangamon County. With two French interpreters and an Irish trader he was able to ransom them.

During his long search for his family, he was so impressed with the Illinois country that in 1800 he and his family became the first American settlers in this area when they came and made their home on Long Lake.

In 1815, Congress donated 160 acres of land here to Mrs. Gillham in recognition of the hardships she and her family endured while captives of the Indians.

This land was later known as the old Hackethal farm. Today, much of this land has been used for Highways 203 and 270.

In 1799, the Rev. David Badgley and his brother, Anthony, explored the American Bottoms.

Rev. Badgley was a Baptist preacher who settled near Belleville.

As they traveled by horse along the bluffs, they found tall grass and vegetation growing from a rich, fertile soil.

The land abounded in game and wildfowl.

Rev. Badgley called it "the land of Goshen" because it reminded him of the land of Egypt where the children of Israel had settled.

The trail along the bluffs was known as the "Goshen Road."

The next year, Ephraim Conner, a squatter, came to find this "land of milk and honey."

He settled near what is now called Peter's Station and, a year later, he was ready to sell his belongings to Colonel Samuel Judy.

Mrs. Judy was the first American to cultivate the soil, and planted the first apple orchard in Madison County.

He manufactured brick and, in 1808, built the first brick house. This settlement was called "Goshen."

In 1801, the first white settlers located in "Six-Mile Praire."

A family named Wiggins settled here and an unmarried man, Patrick Hanniberry, lived with them. They resided on the north side of Horseshoe Lake.

Tavern patron attacked, hurt

Robey Selph, 54, of 4029 Rode Ave., was released from St. Elizabeth Hospital Tuesday, recuperating from four stab wounds received during a disturbance Friday evening at the Curve Inn Tavern at the curve in Missouri Avenue.

Selph said he and his wife entered the tavern and were talking to one man when another man entered, became upset without provocation and started to fight with Selph.

When Selph attempted to defend himself, the man got a knife and stabbed him four times, the victim told Madison County sheriff's deputies. The assailant then left the scene.

Selph suffered cuts above his left eye and to his right lower leg and two cuts to his left back and shoulder.

STEAL BIKE, BRACELET

A burglar pried a rear door to enter the home of Michael Hutson, 3012 Nameoki Road, and steal a 26-inch three-speed bicycle, worth $69, and a turquoise bracelet, valued at $10, it was reported this week.

Street lights

(Continued from Page 1)

the upgrading program is located between St. Clair and Faith avenues and Myrtle and Warren avenues.

The area now has 42 4,000-lumen incadescent alley lights and 26 6,000-lumen incadescent street lights. These would be upgraded to 45 11,000-lumen mercury vapor street lights and 27 7,300-lumen mercury vapor alley lights.

According to a survey presented Basarich by power company officials, the city now pays an annual power bill of $1,223 on the existing lights in this area. The power bill would be $2,181 per year after the system is upgraded.

Reduced crime rates and lower vehicular and pedestrian accident rates are objectives of the new lighting system, the council was told.

The council placed on file a petition signed by 63 property owners in the 1500 block of Clark Avenue who asked that the city block construction of a new lounge on the back portion of lot 10, adjacent to the back property line of Mr. and Mrs. Oliver Johnson, 1522 Clark Ave.

Mayor Paul Schuler told a delegation of the neighborhood residents who attended the council meeting to protest the construction that a request by the group for a "buffer zone" to protect residential property from new businesses along Nameoki and Johnson Roads "comes too late."

Schuler said any buffer zone must be included in areas at the time it is originally zoned.

The lounge is being built by B. C. Gitcho, operator of Corral Liquors, 3304 Nameoki Road.

David Maycock, 1526 Clark Ave., who acted as spokesman for the protesting residents, told the council that householders in the area believe the lounge will devalue property and create noise and litter problems, as well as add to area traffic congestion.

Several aldermen noted that the property on which the construction has started is in a commercial zone and that as long as building code requirements are met there is little likelihood the building work could be halted.

Health spas

(Continued from Page 1)

Higher prices are charges for a Swedish massage and an Oriental massage, ranging from $20 up to $30.

For more money, a Swedish massage by a young woman in a bikini costs $35 and an Oriental massage by a woman in a bikini is $40, she said.

"We also have a two-girl massage which we can discuss with you when you come in," she added.

The place has been licensed by the village of Pontoon Beach upon receipt of an application and a $25 license fee for a "health spa."

The application lists Ronald Back of the 4000 block of Kathy Drive, in the Gaslight Walk Apartments, as the owner and operator.

Former Village Trustee Carl Hackney owns the building, but told the Press-Record he has no connection with the business or its operation.

"He just called me and told me he wanted to rent the building for a health spa, so I told him if he could clear it with the village, and it was legal, I would rent the building to him," Hackney said.

Upon entering the front door of the spa, there is a desk on the right with a receptionist. On the left is a waiting room with a television and a couch, the Press-Record has been told.

The village business license hangs on the wall in the room by the door.

Passing through a doorway of strings of beads, customers find themselves in a hallway.

On the left is a dark room with a mattress on the floor and a stack of towels. A similar room is farther down the hall, also on the left.

Clean sheets were seen on the beds, and a stack of dirty sheets could be seen in the corner of the hallway, an observer said.

On the right side of the hallway is a bathroom, according to the visitor. There were no signs of any kind of exercise equipment, it was related.

The receptionist during this visit was also a masseuse. She was a young woman about 22 or 23 years of age, with light brown hair and wearing a red bikini, according to the visitor.

Also working was a tall, thin young man, it was said.

Contacted about the massage parlor in the village, Pontoon Beach Village Board President Floyd David Moss said Tuesday there have been no complaints to village officials about the operation.

"No one has called me, the chief of police or the city clerk," Moss related.

Indicating he had discussed the issue with an attorney, Moss said he does not feel further study is warranted. "Until they violate a law, we have no right to investigate. If they violate a law, we will close them down," Moss continued.

He agreed the issue had been the point of a lengthy discussion following the Oct. 10 village board meeting.

Several citizens were objecting to the business, Moss said, but he again noted that no "official complaints" have been received by village officials.

He said the health spa issue has caused village board members to change their procedures in issuing village licenses.

Under a new village resolution, all license applications now must be brought before the village board to be voted upon individually, he related.

"I am not sure this is legal, but it is what the board voted.

"The village clerk has specific duties for which she was elected and I am not sure we can just pass a resolution for the board to take over one of her duties," Moss continued.

He added that the resolution now is in effect, however, and that no business licenses can be issued by the clerk in the village until the board has voted upon the application.

Quad-City Health, 1413a Second St., Madison, advertised Tuesday that it is "open seven days" a week.

Madison city officials at one time ordered the Quad-City establishment closed until a new municipal ordinance was enacted and complied with. The special city law in Madison outlines extensive equipment and building structure requirements.

Bi-state metropolitan operations describing themselves as health clubs include Adam and Eve, Aladdin, Aristocrat, Bob's, Caesar's, Complete, Elite, Far East, Fitting Room, French Quarter and Good Feeling.

Also, Hide-Away, Jan's, Magic Touch, Maxine's, Morning After, Paradise, Reading Room, Shangri-La, Short Stories, Studio Seven, Sultan's Palace, The Body Shop and Velvet Touch.

OPEN PLAY AFTER NINE DAILY
TRI MOR BOWL

NEW MADISON MEETING ROOM has been placed in use by the Board of Education at its office building at 1707 Fourth St., providing more room for the public to hear Madison school deliberations. Seated clockwise around the board table, from the left foreground, are President Harold T. Fisk, Board Members Frank Eaves and Evers Johnson, School Supt. John Palcheff and Board Members Donald Boyer, David Miskelley and Willie Walker. (Press-Record Photo)

Olin profits show increase

Olin Corp. on Tuesday reported its third-quarter profit increased 21 per cent to $14,862,000, equal to $1.26 a share.

This was a record third-quarter high and compared with $12,210,000 or $1.04 a share in the same 1974 period. Net sales and operating revenues were $309,353,000, a decrease of 4 per cent from $320,935,000 in the same quarter last year.

The latest quarter was the eighteenth consecutive quarter in which Olin has reported increased earnings over the same quarter of the previous year.

For the first nine months, net income from continuing operations rose 23 per cent to $51,083,000, equal to $4.34 a share. This also was a record high and compared with $41,614,000 or $3.54 a share in the same period last year.

Net sales and operating revenues were $941,284,000, off four per cent from the $975,604,000 reported for the same months last year.

Fire station

(Continued from Page 1)

station in Huntington, W. Va.

Fire Chief Don Parente secured those plans when Granite City first acquired the Richmond-Johnson station site and some officials believed they could be used in their entirety without the services of an architect. Since it was determined last week that the plans could not be used without changes, the council approved a decision by the committees that an architect should be hired.

Construction of the fire station was proposed nearly three years ago when the council appropriated $100,000 in construction funds and $20,000 with which to acquire a site.

The tract at Richmond Avenue and Johnson Road was purchased for $12,000 in December 1973, but construction work was blocked by objection s of a group of neighborhood residents who contended the fire station would devalue property and create a nuisance because of the noise of fire engines leaving the station.

A group of 11 residents filed circuit court proceedings in an effort to restrain the city from building the station on grounds that a use permit or proper zoning was lacking. The city since has approved a special use permit for the structure. Two weeks ago the plaintiffs dismissed the suit in Circuit Court clearing the way for construction of the station.

TAKE RADIO, STEREO

Roger Carper, 216 Warson Lane, reported this week, the theft of a 23-channel CB radio, worth $150, and an eight-track stereo, valued at $50, from his auto while the vehicle was parked near the Kroger store in Nameoki Village Shopping Center. A bolt was thrown through the car window to gain entry.

MISS SUSAN KACERA, a daughter of Mrs. Margaret Kacera, 3120 Willow Ave., and the late Paul Kacera, graduated Sunday from Memorial Medical Center, Springfield, Ill. She has accepted a position at the Center in the pediatrics department.

Joins Air Force

Jeffrey L. Wiley, son of Mr. and Mrs. Alvin Wiley, 1951 Joy Ave., has enlisted in the U. S. Air Force, according to Sergeant Tony Head, Quad-City Air Force recruiter.

Shortly after the enlistment ceremony, Airman Wiley departed for Lackland Air Force Base near San Antonio, Tex., where he will enter six weeks of basic military training. Upon completion of training he will be assigned directly to an Air Force base or to a technical school.

Airman Wiley is a graduate of Granite City High School and Linn Tech, Linn, Mo.

For more information about jobs in the United States Air Force, area residents may contact Sgt. Head at 314-635-3519.

New director, name for state CD agency

Illinois Governor Dan Walker has announced the appointment of E. Erie Jones Jr. of Palatine, Ill., as state director of the Emergency Services and Disaster Agency (former Illinois State Civil Defense Agency).

Jones' appointment will expire in October 1977. He has previously served as acting state CD director.

Victor H. Koenig, Granite City Civil Defense director, said the Emergency Services and Disaster Agency (ESSDA) was established to replace the State Civil Defense Agency in September upon Gov. Walker signing House Bill 1109.

In most instances local organizations are expected to retain "civil defense" in their unit title, including the Granite City Civil Defehse, Koenig said.

Patterned after the Model Disaster Assistance Act of the Council on State Governments, the Illinois legislation gives the state agency greater flexibility for cooperation with other states and among local and county governments, including the power to establish mutual aid pacts.

The bill is designed to meet present emergency assistance needs and priorities rather than those of the 1950's, when the act was created as a protection against foreign threats.

The bill defines "disaster" for the first time and allows the governor to declare state disaster emergencies so the state's total resources can be mobilized. In the past, state declaration of emergencies could only be declared to grant disaster' areas property tax relief.

Following the council's model bill, Illinois House Bill 1109 defines emergency powers of the governor when a disaster strikes or lives are threatened.

Included are powers to designate routes and transportation for evacuations, make provisions for temporary emergency housing, suspend provisions of regulatory statutes relating to operation of state agencies if following those rules would hinder or delay coping with the emergency, and suspend the sale of firearms, explosives, combustibles and alcoholic beverages during an emergency.

The Illinois Civil Defense Council, an organization of local civil defense directors and volunteers, was a strong supporter of the new legislation to upgrade the state program.

Similar laws have been passed in 17 other states, including Arkansas, Colorado, Florida, Georgia, Idaho, Indiana, Kansas, Kentucky, Louisiana, Maryland, Nebraska, North Carolina, North Dakota, Oregon, Rhode Island, Texas and West Virginia.

Players offer 'Dracula Baby'

"Dracula, Baby," a musical comedy with humor appropriate to the Halloween season, will be presented at 8:15 p.m. Saturday, Nov. 1, and at 7:15 p.m. Sunday, Nov. 2, by the East Bank Players at the Mexican Honorary Commission Hall, 1801 Spruce St.

Admission at the door on either night will cost $2 for adults and $1 for senior citizens, students and children. Tickets may be obtained in advance from any East Bank Player or by calling Cathy Cassy, at 877-8753, or Bill Dallas, at 877-6695.

The stage production, directed by Mrs. Norma Mendoza, is an official Performing Arts Event sponsored by the Bicentennial Commission of Granite City.

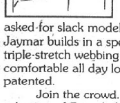

Trash pickups to follow schedule

Milam Corporation East which handles garbage and trash collections in Granite City will follow usual collection schedules next week, a spokesman for the company said Tuesday.

The company will not observe Monday as the Veterans' Day holiday, but will close down on Nov. 11, the spokesman said. A revised schedule of pickups for the week of Nov. 11 will be announced later.

Sansabelt® by Jaymar.
The slacks with popular support.

Ask any ten men what their favorite slack model is and, chances are, most of them will say "Sansabelt." We've found Sansabelt is the most asked-for slack model in our store. That's because Jaymar builds in a specially-designed band of triple-stretch webbing that'll keep you neat and comfortable all day long. It's so special, it's patented.

Join the crowd. Stop in and look over our wide selection of Sansabelt styles, colors and fabrics. And try on a pair. They'll be your favorites, too.

Mrs. Greider dies at 89

Funeral services were to be held at 2 p.m. today at a Mason, Ill., funeral home for Mrs. Nettie Greider, 89, of Edwardsville.

Mrs. Greider, who died at 12:05 a.m. Tuesday at St. Joseph Hospital, Highland, was a former resident of Granite City and the grandmother of Mrs. Evelyn Hodge of Granite City.

She leaves a daughter, Mrs. Agnes Erbe of Brooksville, Fla.; one brother, Otis Davis of Akin, S.C.; one sister, Mrs. Stella Bethel of Bonne Terre, Mo., and another granddaughter, Mrs. Harriett Schmoldt of Arlington Heights, Ill. She also is survived by three great-grandchildren.

Elmo Rhodes rites held Tuesday

A funeral mass was celebrated at 9 a.m. Tuesday at St. Bernard's Catholic Church, Wood River, for Elmo F. Rhodes, 69, of 608 Halloran Ave., Wood River, a brother of Anson Rhodes of Granite City.

Mr. Rhodes, a retired employe of Shell Oil Co., died at 10:55 p.m. Saturday at Wood River Township Hospital.

Surviving are his widow, Mrs. Eleanor Rhodes; two daughters, a sister, two other brothers and 11 grandchildren.

Burial was in St. Patrick's Cemetery, Godfrey.

Rites for brother of GC resident

Funeral services were held at 11 a.m. Wednesday at the First Baptist Church of Fairview Heights for Clarence Lewis, 68, of Fairview Heights, a brother of Ray Lewis of Granite City.

He died Saturday at St. Elizabeth Hospital, Belleville.

Survivors include his wife, Mrs. Hazel Lewis; three daughters, one sister and another brother.

Mr. Lewis was a retired sales clerk for the Wade Square Hardware Store, active in Masonic organizations, and a member of two musicians locals.

Injures head when truck, car collide

Kenneth A. Lewis, 26, of 2827 Pershing Blvd., was injured when his car and a truck, operated by Robert L. Shaw of St. Louis, collided at the entrance to an alley on 27th Street, between Madison Avenue and Iowa Street during the weekend.

Lewis said he bumped his head on the car's steering wheel. He was treated at St. Elizabeth Hospital. X-rays were taken and he was released.

SAFETY-CONSCIOUS MINISTERS. Oct. 18-25 has been designated as "Safety Awareness Week" in the Quad-Cities area to focus attention on home and traffic safety. The Rev. Paul R. Surbey, kneeling, pastor of St. John's United Church of Christ and president of the Tri-Cities Ministerial Association, and the Rev. Eugene Stevenson, pastor of Central Free Methodist Church, are shown putting bumper stickers on their cars; 5,000 such stickers were distributed by the Ministerial Association on Sunday.

(Press-Record Photo)

Mother of GC resident dies

Funeral services were held Wednesday in Fairview Heights for Mrs. Emma Shannon, 92, of 724 St. Clair St., Collinsville, the mother of Mrs. Marie Toth of Granite City.

Mrs. Shannon died at 9:30 p.m. Oct. 19, at the Castle Haven Convalescent Center, Swansea, Ill. She had been ill for five years.

A native of Collinsville, Mrs. Shannon resided earlier in East St. Louis for 40 years. Her husband, Nicholas, died Sept. 25, 1953. She also was preceded in death by a son, John Shannon; a daughter, Mrs. Dorothy Alcorn; a brother, Ross Combs and a sister, Mrs. E'Nola Combs.

Beside Mrs. Toth, surviving are three other daughters, Mrs. Lauretta Sheets, Belleville, Mrs. Eugene (Ruth Betty) Fogle and Mrs. Melvin (Verlee) Giger, both of Collinsville; two sons, William Shannon, Edwardsville and Wilson Shannon, Valley Springs, Calif.; 13 grandchildren, 29 great-grandchildren and three great-great-grandchildren.

Details of the funeral may be found in the obituary column.

Nickon Antonovich, 80, dies

Nickon Antonovich, 80, of 1030 Iowa St., Madison, a native of Russia, died at 8:15 a.m. Monday at his home.

He retired in 1960 from Nesco Steel Barrel, where he had been employed as a machine operator since 1933.

He was a member of the United Steelworkers Local 1021.

Survivors include his wife, Mrs. Marie C. (Cichocki) Antonovich; two sons, Michael Antonovich Sr. and Daniel L. Antonovich, both of Granite City; one daughter Mrs. John (Rose Marie) Hansen of San Francisco and six grandchildren.

Funeral arrangements are given in the obituary column.

Venice students view '1776' movie

Members of the Title VII Student Advisory Committee and the Student Council of Venice went last week to the American Theater to see "1776," the prize-winning musical celebration of America's Bicentennial.

The students accompanied by their sponsor, Miss Mary Donna Scaturro, and reading teacher, Mrs. Dorothy Smith, were Brian Mathis, Robert McKinney, Jayne McClelland, Carolyn Moore, Cassandra Jones, Nanette Henry, Chris Ponce, Terri Varner, Tami Eck, Sharon Taylor.

Carolyn Richmond, Pawnee Riggs, Jim Gonterman, Gertie Rupert, Doretha Smith, Valerie McNeace, Clara Moults, Barbara Matkins, Andrea Withers, Mary McGarrahan, Richard Bailey, Hildred Govan, Lena Rodriguez, Gail Gardner, Pam Henry, Peggy Pier, Yolanda Wiley, Sabrina White, Kerry Roberts, Lorraine Brimmage, Adrienne Pumphrey.

Annual Moose Halloween Parade Friday, Oct. 31

The annual Halloween parade sponsored by Moose Lodge 272 will be held at 7 p.m. Friday, Oct. 31.

Beginning at the Granite City Hall, 2000 Edison Ave., the parade will be led by the Rolling Nobles of the Shrine, proceeding to State Street, turning right on State to 19th Street, right again on 19th Street to Edison Avenue, and right on Edison Avenue back to the City Hall.

Judging will take place at the City Hall.

If it rains, judging will be held under the canopy at the First Granite City National Bank.

Categories for judging will be "Best Dressed," "Most original," and "Funniest."

The judges will be "Officer Friendly" Glenn Wright, of the Granite City Police Department; Warren Decatur representing the Shrine, and Capt. Michael Thompkins of the Salvation Army.

Parade chairman is Archie Pulley.

Scout office dedication

An open house and formal dedication of the new Cahokia Mound Boy Scout Council Carl Graham Service Center, 2016 Delmar Ave., will be held Sunday.

The dedication ceremonies will take place at 2 p.m. The building will be open for public inspection until 5 p.m.

The official name of the center is in honor of the late Carl Graham who was active locally in scouting for over 50 years and donated $30,000 which made the purchase of the building possible.

ISAIAH 40:11 . . . "HE SHALL FEED HIS FLOCK LIKE A SHEPHERD . . . HE SHALL GATHER THE LAMBS WITH HIS ARM, AND CARRY THEM IN HIS BOSOM . . ."

Our Saviour is called by many names throughout His word, but perhaps the most pleasant to contemplate is the name, "the Good Shepherd." It is HE of whom these words are spoken. It is HE who feeds and cares for the flock. It is HE who gathers His lambs lovingly in His arms and carries them safely in His bosom.

He CARRIES them — sometimes by keeping us from trials and testings. At times by giving us just the amount of faith that we need to stand.

In His BOSOM. O what love, what tenderness, what a place of safety, in His Bosom. None can reach us without first reaching Him. It is a place of perfect safety.

Are you there? In His bosom, under His care?

He wants you there.

He wants you there. Today!

FIRE AT SUNRISE Monday at Wholesale Carpet Store, 4010 Pontoon Road, Pontoon Beach, is shown in this view looking east. A state fire marshall has initiated an investigation into the blaze which caused an estimated $50,000 damage. Arson is suspected. The store formerly housed Schermer-Essen Hardware and later was the first home in the Quad-Cities for Central Hardware. *(Press-Record Photo)*

GCHS North Follies to feature cast of 260

Approximately 260 freshman and sophomore students enrolled in the Oral Communication classes at Granite City High North will present their semi-annual Fall Follies Thursday, Oct. 30, at 8 p.m. in the auditorium at GCHS South.

There is no reserved seating. The doors will open at 7:15 p.m.

Tickets purchased in advance are $1 for students and $1.25 for adults; at the door tickets will be $1.25 for students and $1.50 for adults. Student activity tickets cannot be used for this program.

The theme of the Fall Follies is "Comic Strip and Comic Book Characters."

The event is under the direction of Dr. Gonie Michaeloff, speech department chairman, F. Gordon Mueller and W. A. Hubbard.

Ralph Mangan and audio visual students will televise the performance, as television tapes are used in classrooms for study and evaluation.

Advanced speech students work as the stage crew and handle technical aspects of the program.

Follies programs are presented once each semester by the Oral Communication classes. There is a three-week unit in drama to initiate the student to all aspects of the theater, including script writing, acting, scenery construction, costuming, makeup, sound, lighting and theater management.

The program will be continuous and each skit will be introduced by a front curtain scene.

Grade schools to close Wednesday

Parent-teacher conferences at all elementary schools in Granite City will take place all day Wednesday, Oct. 29, according to the Board of Education office.

Elementary students will be dismissed that day, it was reported.

Nameoki auditor disputes $100,000 'excess' funds

Contentions by Nameoki Township Supervisor Louis Whitsell that the township has more than $100,000 in unappropriated funds in its accounts were disputed by Auditor Norman Hessler at the Nameoki Town Board of Auditors' meeting last week.

Hessler said, "It appears like we are hoarding up a lot of money." He said the township is slightly more than one-half through the fiscal year and there are five months remaining.

"So far, it appears we are pretty much in line," he added. If there is an excess, the next tax levy should be lower, he told Whitsell.

The supervisor responded, "The last tax levy should have been lower. I tried to tell you that. We do have money available. We should have lowered taxes last year."

He warned, "If you do lower the taxes, you also lower the amount of (federal) revenue sharing you receive."

Whitsell noted, "We are fortunate to have money in the township. Many cities and townships are not so fortunate."

Hessler agreed with Whitsell that any funds found to be excess should be used this year for "projects which legally could be performed."

He noted East Madison crossing lights as one project for which the township has been committed since Madison had the lights installed under an understanding the township would pay half the cost.

The township presently is investigating to determine from what fund that payment legally can be made.

"We have taken care of most of the things that have come before us, including aid to the State Park Police Department," he noted.

He asked the board's attorney, H. Carl Runge Jr., to investigate the legality of the township transferring from one fund to another under a new state provision.

Whitsell said new legislation allows the board to make certain transfers, but the highway commissioner is the only person empowered to do the work on many of the projects the board has been discussing, including drainage work.

"Most projects need the cooperation of the highway commissioner (Albert Bell)," he said, using the Barnhardt subdivision and Parkview Estates drainage as examples.

Ditches in the Dobrey Slough area also are being considered.

He said Bell has been saving money for a project to blacktop and improve Stratford Lane. He said he agreed with the plan, saying "Nameoki Township should look more like a modern city than a rural township."

Still, he indicated, there are several small projects which should be undertaken now, rather than saving for long-term projects.

In other business, Whitsell noted the labor account for the township's environmental cleanup program has nearly been depleted, and a transfer will be necessary to keep the program operating.

"This is the time of year when people are trimming their trees and the pickups of limbs and trash are really needed. He suggested continuing the program until the end of November. A temporary transfer of $180 was made from a fund for machinery to keep it operating until the next meeting.

Auditor Lee Adams agreed the program should be continued through November and Hessler suggested the board investigate transferring the money from funds reserved for the State Park Fire Department or from Parkview Estates drainage plans.

The fire department has run into difficulties obtaining a matching grant from Canteen Township, so will not be able to use the grant offer from Nameoki Township at this time, it was reported.

Parkview Estates drainage has been held up by a court injunction and will not be possible before next year, Whitsell explained.

The board discussed a heating and air conditioning business which was allegedly in a residential district without a proper permit. Whitsell said the issue is to be decided in court in the near future.

The supervisor noted that the county is offering a special water testing program for residents and governmental bodies. He said details on the program may be obtained by calling his office.

The board discussed the effects of proposed equalized assessments throughout the county and Runge contended the change may result in slightly lower taxes for some.

He said the township has been assessed at about 42 or 43 per cent and new legislation calls for everyone to be assessed at 33⅓ per cent.

Some tax levies will rise to compensate for the assessment change, but some are at fixed maximum levels and will simply produce less revenue.

The changes, however, will be slight, he predicted.

Runge reported he is to meet with attorneys for Granite City in the near future to discuss a suit filed by the township to recover taxes lost to the city on property it contends was annexed illegally since the state's 1970 Constitution went into effect.

"The facts are undisputed," Runge said, noting there are no disagreements over what parcels have been annexed by the city since the new Constitution was adopted.

Bell was asked to maintain a private road across from Stallings School which is only 16 feet wide. Runge said he thought Bell should get a legal opinion from his attorney before doing anything to the road.

He said maintaining the road could legally be construed as the highway department accepting the road into the township road system. Bell then may be forced by the county to widen it to the standard 40 feet.

Right-of-way problems involved may further complicate the issue, Runge warned. Snow removal also may be taken as a legal sign of acceptance, he added.

The proposed placement of 15 fire plugs by the Long Lake Fire Protection District was disputed by several residents in the audience and Whitsell explained the placement is to be determined by the fire protection district board, and not the township board. He referred questions on the fire plugs to the fire commissioners.

Bills ordered paid included $7,356 from the town fund, $3,315 from general assistance, $2,217 from general road and bridge funds, $13,404 from hard road funds and $6,881 from federal revenue sharing.

Due to the Veterans' Day Holiday and the Illinois Township Officials' Convention, both being Oct. 27, the board agreed to hold its next meeting at 10 a.m. Saturday, Oct. 25.

Distribute fines

Fines totaling $7,304 for the Quad-City area are among a total of $69,109 in fines collected in Madison County Circuit Court during September which have been distributed by Madison County Circuit Clerk Willard V. "Butch" Portell.

Among the distributions to the Quad-City area was $5,337 to Granite City, $1,119 to Madison, $269 to Venice and $579 to Pontoon Beach. The county government received $18,938.

The fines were collected in the court's traffic division.

Change in Venice school bus schedule abolished

Starting Monday, school buses in the Venice District will return to a former service schedule, whereby pupils living in the South Venice area will board buses at an earlier time each day, it was decided at a meeting of the Venice School Board Monday night.

Prior to the board's regular meeting, a delegation of 15 to 18 parents attending a special session heard Jerry Smith, a representative of R. W. Harmon bus transportation firm, explain the scheduling and stress that state law does permit three students to sit in one seat, rather than two.

The standard bus pickup schedule was changed four weeks age upon recommendation of the Venice school principals, who reported two buses coming from Eagle Park appeared to be crowded and that bus drivers were complaining that some were standing.

A third bus used to transport about 20 students from South Venice was diverted to also pickup pupils in Eagle Park. The new schedule brought complaints from South Venice parents that their children were forced to leave 10 minutes earlier and arrived home later each day.

Supt. of Schools Robert N. Vickers said the initial change was made to allow two students to sit in one seat, instead of three. He explained there are 107 pupils eligible to ride school buses from Eagle Park and seating two students per seat had required diverting the third bus to Eagle Park, thus lengthening the run for South Venice youngsters.

After reviewing the issue, board members voted to return the bus service to its former schedule.

In the regular meeting permission was granted to Granite City Elks Lodge 1063 to distribute literature through school children explaining to parents the purpose of a special one-day free clinic to evaluate youngsters who may be physically handicapped.

Burel D. Schmisseur, Elks project chairman, said the clinic will be sponsored locally by Elks Lodge 1063 in cooperation with the Illinois Elks Association during the week of Nov. 24. A precise date was not established, according to the letter.

An orthopedic surgeon will be present during the clinic hours to examine youngsters and evaluate any physical disabilities.

Half-day classes on Nov. 19 and March 10 to enable parent-teacher conferences during the afternoon hours, and a request from the Venice Athletic Club to use the Venice-Lincoln Technical Center one evening per week for basketball practice were approved.

Mrs. Clemons dies at 62

Mrs. Helen Clemons, 62, of Menlo Park, Calif., formerly of East St. Louis, and a sister of Quad-City residents, died Monday at the Ferrell Hospital, Eldorado, Calif.

Survivors include her husband, Elder Harold Clemons; five daughters; five sons; six sisters including Mrs. Mable Rhodes and Mrs. Cathryn Ivy, both of Venice, and Mrs. Leora Gardner of Madison, and three brothers, including Marion Boyd of Madison.

Funeral services will be held at 8 p.m. Friday at the Refuge Temple Pentecostal Church, 53rd and State Streets, East St. Louis.

GSI income, sales down

General Steel Industries, Inc., had net income for the three months ended September 30, 1975 of $663,000, or 26 cents per share of common stock, compared with $1,388,000, or 55 cents per share, in the third quarter of 1974, it was announced today. Sales in the third quarter this year were $13,776,000 compared with $16,049,000 in the same period last year.

GSI's net income for the first nine months of 1975 was $2,907,000, or $1.15 per share of common stock, compared with $3,546,000, or $1.41 cents per share, in the first nine months of 1974.

Results for the nine months of 1975 include an approximate 13-cent gain on disposal of the company's interest in a joint venture in Europe, as previously reported. Sales for the first nine months were $44,569,000 compared with $44,377,000 in the same period of 1974.

The income statements for both years include tax credits representing partial utilization of the company's tax loss carry-forwards.

GSI is experiencing reduced earnings at present due primarily to a sharp drop in shipments at the company's National Roll Division, Avonmore, Pa. As reported previously, National Roll's Operations reflect the unusually low level production in the steel industry which constitutes its principal market. National Roll is expected to show improved earnings as steel industry operations improve.

It also was announced that GSI's indebtedness has been reduced to $14,120,000 from $14,935,000 at the time of the second quarter report to shareholders. The backlog of orders for GSI's five manufacturing divisions was $21,949,000 on Sept. 30, compared with $26,764,000 a year earlier.

GSI's operating units are: Ludlow-Saylor Wire Cloth, Flex-O-Lite, Standard Pipeprotection and GSI Engineering, all headquartered in the St. Louis area; National Roll near Pittsburgh and the Simplicity Engineering Co., a subsidiary at Durand, Mich. GSI's corporate office is in the St. Louis County National Bank Building, 11 South Meramec, Clayton.

Statewide conference on economy

William L. Naumann, chairman of the board of Caterpillar Tractor Co., Peoria, will keynote a business view of the state's economic future as the featured speaker at a statewide conference on the Illinois economy Wednesday, Dec. 3, at the Sheraton-Chicago.

Naumann, representing the state's largest private employer, will address the luncheon session at the day-long meeting, sponsored by the Illinois State Chamber of Commerce.

The state's economic outlook will be examined by business and academic economists, corporate long-range planners and government officials.

Discussions will center on the state's economic and growth problems—including taxes and spending, capital availability, energy requirements, labor supply and skills, and transportation.

Co-sponsors include the Illinois Manufacturers' Association, Associated Employers of Illinois and Taxpayers' Federation of Illinois.

Registration information is available at State Chamber headquarters, 20 North Wacker Drive, Chicago 60606 (312) 372-7373.

HOUSE BURGLARY

A $218 engagement ring set, three silver dollars minted in the 1800s and some personal papers were stolen during a burglary at the home of Raymond Van Meter, Rural Route Two, Box Two, Granite City, during a burglary early this week.

STEAL CLOTHING

An undetermined quantity of clothing was stolen from the home of Phyllis Pellegrino, 2880 rear Iowa St., it was reported at 12:50 p.m. Saturday. The front door had been pried or kicked open, she said. She did not know if anything else had been stolen.

LISTENING TO CITY FATHERS discuss problems of municipal government at the City Council meeting Monday night in Granite City are members of the local Business and Professional Women's Club who are celebrating National Business Women's Week through Sunday. Other events planned include a dinner theatre trip tonight on the Goldenrod Showboat, a party for senior citizens Friday, a picnic in Eldred, Ill., Saturday and breakfast and church attendance Sunday. First row, from left to right, are Rosalie Portell, Pauline Weir, BPW Week chairman; Rosemary Baseden, club president; and Celeste Puryear. Second row, from left, are Ruth E. Walk, Anna Giese, Marie Hampton, Bernadine Brinza, Edna Kohlbrecher and LaVelle Stephens. (Press-Record Photo)

Mrs. Johnson club hostess

Mrs. Celeste Johnson entertained members of the Thursday Evening Bunco Club in her home, 2537 Iowa St., last week.

Halloween decorations were used on the dining table which was centered with a pumpkin encircled with fall, colored motifs.

Those winning prizes were Mesdames Luella Propes, Alice Koesterer, Angie Hartman and Velma Radefeld.

Also present were Mesdames Lorine Menzies and Myrtle Bruns. Mrs. Menzies invited the club to meet in her home 2719 Harding Ave., for the next meeting.

Assembly faces decision soon on personal property taxes paid by corporations

By RAY SERATI

SPRINGFIELD — The Illinois General Assembly quietly is heading toward another tax problem.

The brewing tax situation deals with the abolition of personal property taxes paid by corporations. This tax bracket must be abolished by 1979 under the 1970 constitution.

But apparently there may be differences of opinion.

The way the state charter is written the General Assembly must pass legislation to implement the situation before there is elimination of the tax. Hence a struggle could occur in the General Assembly.

Personal property taxes have all but been abolished for the individual taxpayer.

The House Revenue Committee apparently will inquire into the matter, but it likely will become a joint effort of the House and Senate committees which deal with revenue matters.

This was to have been a topic of the Local Government Tax Study Commission, but legislation authorizing the commission and its appropriation were vetoed by Gov. Dan Walker.

House Revenue Committee hearings are being planned and Illinois businessmen will be asked for their opinions on the situation.

One Committee member, Rep. Cal Skinner Jr., R-Crystal Lake, says, "The constitutional fathers and mothers have told us legislators that we must complete the job of abolishing the personal property tax that was begun in 1970 when Illinois residents voted overwhelming approval for abolition of the personal property tax on individuals."

The lawmaker, a former McHenry county official, also points out that before the corporate personal property tax is abolished, an alternate method must be approved by the General Assembly.

Master plan seen as key to saving parks

Editor's Note: This is one of a series on Illinois' state parks and memorials.

By JOAN MURARO

SPRINGFIELD — Work now under way at McHenry Dam-Lake Defiance State Park, and at Shabbona State Park, both in northeastern Illinois, illustrates two aspects of a new approach in developing state recreational facilities.

In the case of McHenry Dam-Lake Defiance, the work involves expanding a facility which the state already had. In the case of Shabbona, an entirely new state park is involved.

In both cases, everything that is being done was planned ahead of time and is governed by a master management plan drawn for the specific facility.

Gene DeTurk, head of the division of site planning, says the first master management plans, each of which takes six months to complete, were drawn up for Anderson Lake conservation area; Hidden Springs state forest; Horseshoe Lake conservation area in Alexander County; Illinois Beach State Park; Spring Lake State Park, and Sand Prairie-Scrub Oak natural preserve area.

Since that first group, DeTurk's staff of 16 landscape architects and two secretarial-clerical workers have produced additional master management plans at the rate of about 10 a year. Plans now exist in addition for Ferne Clyffe, Banner Marsh State Wildlife area; Cahokia Mounds; Castel Rock, Chain O'Lakes, Horseshoe Lake in Madison County; Kankakee River state park, Kickapoo Middle Fork reservoir; Lincoln's New Salem; McHenry Dam-Lake Defiance, Pekin Lake and Shabbona.

Some of these still need approval by conservation director Tony Dean. Others already have been amended as necessary and accepted. Those still under consideration may be altered somewhat before finally being accepted, and details generally are not made public, DeTurk said, to discourage speculation which could cost the department extra time and money.

At Shabbona in DeKalb County, however, DeTurk said, initial land acquisition has been done, construction has begun on the central lake and work is scheduled for next year on development phase one, which will include initial construction of roads, boat access areas and some day-use areas — those dedicated to picnics and daytime visitors.

At Kankakee River, expansion acquisition already is under way and work is planned to relocate some facilities, including most present campsites. A foot bridge is being built to cross the river and encourage public use to the opposite side.

Plans also are being drawn for the Illinois-Michigan Canal, but this development along the old canal route, long abandoned, does not yet have a specific master management plan, DeTurk said.

While DeTurk baits short of denouncing as "piecemeal" previous development of state recreational facilities, he agrees that "some mistakes" were made from time to time — like putting the Starved Rock campground in a magnificently scenic area just at the river edge, which floods regularly, driving out campers and forcing costly repairs and maintenance.

At Chain O'Lakes, he said, a private contractor had drawn plans which would have located the camp grounds in the center of the best stand of timber growth on the entire site, for all practical purposes destroying it. The proposed campsite was subsequently moved to another area, he said.

Incidents like this underline, he says, the need for master planning all the way through on facility development. Lake Defiance, which will be opened to the public next year, would have been destroyed if the department, armed with a plan, had not been able to go before zoning boards and intervene when a gravel contractor sought a zoning permit to surface mine the gravel deposit in a glacial morain area which helps make the site unique.

Fund transfers by electronics are explained

Granite City Rotarians on Tuesday heard an explanation of the Mid-America Payment Exchange (Mapex) by Ed True, executive director.

Electronic fund transfers are expected to aid in curbing the costly and time-consuming custom of writing checks, the club was told. Except for such innovations as the EFT system, the present yearly volume of 23 billion checks would be likely to grow to 44 billion by 1980 and 68 billion by 1985, True said.

Mapex is an automated clearing house, serving bank-to-bank transactions in the southern half of Illinois and in two-thirds of Missouri, it was noted. In several years, about 40 such clearing houses may link the nation for national transactions.

Speed and sureness of the delivery of fund transfers are among the advantages, True related. EFT methods also can be applied to such tasks as payroll distribution and bill payments, the speaker said, stressing that the individual retains direct control of his financial account through authorization procedures.

He was introduced by John "Jerry" McDonald and Homer Huber.

President Bill Terrell presided, and reports on a district Rotary information seminar were given by Donald Partney, Steve Bristol, Calvin Bartels, Donald Watson, Walter Milton and Kenneth Evers.

The Rotary-Optimist benefit auction was described as a success, and it was noted that a Tri-City Shrine Club fish fry is set for Friday and Saturday at Crossroads Plaza.

Dividend declared

Directors of National Steel Corp. at a meeting Wednesday declared a dividend of 62.5 cents per share for the fourth quarter of 1975. The dividend will be payable Dec. 15, to stockholders of record November 26, 1975.

Soccer Warriors again beat Kahoks; heading for Quincy

Area soccer fans, this week, are getting a mini-view of what may be expected in next week's Illinois High School Association two sub-sectional tournaments, which begin Tuesday, Oct. 28, at both the GCHS North and South fields.

Collinsville, seeded No. 1 in North High's sub-sectional, lost for the second time this season Tuesday to GCHS South 2-0 and now faces GCHS North at 3:30 p.m. today in the Steelers' regular season finale.

South's Warriors, the No. 1 seeded team in their own sub-sectional, have a 14-2-2 record after snapping the Kahoks' consecutive winning streak at seven.

Collinsville is 13-3 going against North High here today. North has a 10-9-2 record.

South's David Goldschmidt, assisted by Rick Fernandez, broke the ice Tuesday after 5:05 of the 18-minute third period for a 1-0 lead, and his brother, Mark, added the final goal, assisted by Rick Becherer, after 16:01 of the final period. It was Mark Goldschmidt's 14th goal of the season.

Goalkeeper Randy Lyegla got his ninth shutout of the season, recording one save. There were four shots on goal.

Kahok Bill Swip saved four. South had 13 shots. Fouls were numerous: South 25, Collinsville 22.

Defensively, Gerard Alvarado and Gary Phelps had an outstanding game. Alvarado keyed in on Collinsville's leading scorer, Dana Koudela, and Phelps on Kahok Striker Rick Locandro.

Coach Gene Baker's South Warriors were to play today at Cahokia, but a teacher strike there forced cancellation of the contest.

South High will compete Saturday in two contests at Quincy, at 1 p.m. against Quincy High and at 7 p.m. against Notre Dame of Quincy.

Pairings for next week's sub-sectionals are:

Tuesday — Collinsville vs. Alton, 3:30 p.m., at North; Waterloo vs. Gibault of Waterloo, 3:30 p.m., at South.

Wednesday — South High vs. winner of Waterloo-Gibault contest, 3:30 p.m., at South; North High vs. St. Paul of Highland, 3:30 p.m., at North.

Thursday — Assumption vs. Cahokia, 3:30 p.m., at South.

Sub-sectional finals will be played at 11 a.m. Saturday, Nov. 1, at both schools.

Bilich victorious

Madison's Bilich Tavern captured top honors Sunday in a Bethalto Winter Softball League tourney, winning three contests behind the pitching of Charlie Parkinson for the league title. Bilich finished the season with a 9-2 record.

Bilich defeated Godfrey's Firehouse Lounge 10-9; Bruce Kass collected three hits, including a homer, and Junior Mathis two hits, also including a home run.

The Madison nine then downed H&R Meats of East Alton 6-5. Kass had two hits and three runs batted in, and Mathis two hits and one RBI.

In the title game, Bilich edged Granite City's Mac's Lounge 8-7. Randy Shilt had two hits and three RBI's and Jerry Wallace three hits and one RBI.

Jr. High baseball

TUESDAY, Oct. 21

Coolidge (7th grade) 13, Grigsby 12 in nine innings (WP—Rich Takmajian. Hits: Coolidge — Ken Wilson five, Tom Longos two and 3 RBI's; Grigsby — Gerald Bowen and Alan Schmidt a home run apiece. Grigsby, trailing 12-7, tied the contest in the seventh on hits by Ron Walton, Mark Hessler, Danny Patterson, Craig Burkey, David Harris, Rick Bueherer, and Bowen. Longos provided the winning run with a single, scoring Jeff Taylor.

BURGLARY AT GARRETT'S

Madison police received a report at 1:55 a.m. today that Garrett's Tavern, 337 Weaver St., Venice, had been burglarized. A small amount of whisky was taken. Locks on a storage room were forced and a fence was cut. The tavern was burglarized in the same manner a week ago, and also was set afire.

BURGLAR RANSACKS

The home of David Wise, 32 Park Towne West, was burglarized and ransacked this week. Taken were a stereo and two speakers, valued at $220; a portable television, $125; a jar of coins, $8; assorted women's clothing, a 12 gauge shotgun, papers and silver coins.

News notes

New state rules effective Oct. 27 will protect home owners from fast mortgage foreclosures. Real estate brokers with above-average foreclosure rates will be investigated for possible license revocations.

Cyclist hurt

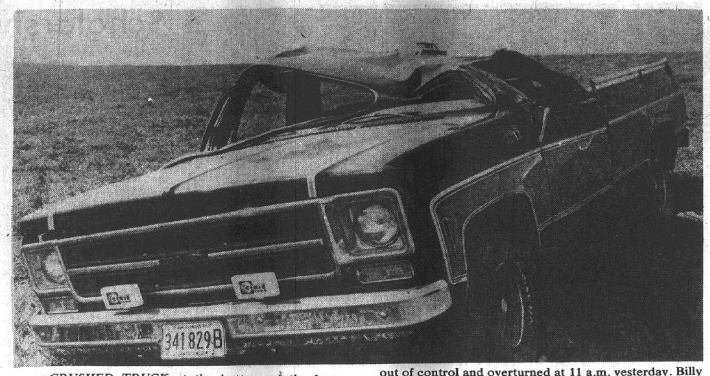

Kevin Bruce, 18, Creve Coeur, was injured when his motorcycle and the cycle of Bradley Boone, 2705 Sunset Drive, collided on an informal motorcycle dirt race track one-fourth mile south of West Chain of Rocks Road in Chouteau Township early this week.

The drivers said they were coming toward each other at a turn and could not see each other approaching until it was too late to avoid a collision.

An ambulance was called, and Bruce was admitted to St. Elizabeth Hospital with multiple injuries, including an abrasion to his chest.

TAKE TRADING STAMPS

Nine books full of trading stamps, valued at a total of about $22, were stolen from the auto of Pearl Morgan, 2122 Washington Ave., parked in her garage, she reported Monday. Entry to the garage was gained through a door and a wing vent on the car was broken again entry.

CRUSHED TRUCK at the bottom of the levee south of the Chain of Rocks Canal Bridge which went out of control and overturned at 11 a.m. yesterday. Billy Dugan of Granite City, the driver, was injured in the accident. (Press-Record Photo)

Truck plunges down levee and overturns

Billy Dugan, 33, of 2045 Fourteenth St., was injured when his southbound pickup truck went out of control in gravel on top of the levee at the Chain of Rocks Canal and plunged down the eastern embankment, overturning, at 11 a.m. Wednesday.

The accident occurred on land owned by the Tri-City Regional Port Authority about two miles south of the Old Chain of Rocks Canal Bridge.

Dugan was taken by ambulance to St. Elizabeth Hospital where he was admitted with cuts to his left cheek, behind his right ear, and to his left eyelid. A series of x-rays was taken.

The top of Dugan's truck was crushed.

Slow progress on civic center site

A feasibility study of a Madison-St. Clair County civic center authorized by legislation approved by the Illinois General Assembly this year will be sought to aid in selecting a site for the center.

Members of the Metro-East Exposition and Performing Arts Authority agreed in a meeting Tuesday to conduct the study, although a majority of the members are not questioning the need of the center.

The 12-man authority, which is authorized to issue up to $15 million in revenue bonds to build a civic center, has been discussing site selection since its appointment by Gov. Dan Walker earlier this year. Tuesday's meeting was the third and the group made plans to meet again Nov. 25 at the Coleman Plaza in East St. Louis, and on Dec. 16 at Charlie's Restaurant in Granite City.

A note of pessimism was injected in Tuesday's session by Nick Maggos of Alton who suggested the possibility that a Metro-East Civic Center may not be a wise business move because of competition offered by St. Louis which is building a $34 million convention center a few blocks from the waterfront.

Maggos, president of the Pepsi-Cola Bottling Co. of Alton, said, "You just don't build a building and hope it works."

Maggos said that legislation sponsored by State Sen. Sam Vadalabene of Edwardsville was approved without documentation as to its need. He expressed concern about the feasibility of the study.

But other members of the authority disagreed, although they said a feasibility study might be useful. Irving Dilliard of Collinsville said that "There may be more potential here than we are apt to think." Dillard said statistics once showed that one-fourth of the people in the St. Louis Metropolitan Area live on the Illinois side of the river, and he believes these still apply.

Art Griffin, Granite City labor leader and a member of the authority, said, "I think we should go in competition with St. Louis." Griffin said a lot of factors would have to be considered in selecting a center site, noting that development of highways in Southern Illinois will play a major role in the area's future development.

Since the authority now has no money, it was decided to seek help from St. Louis universities in making the study, and it was suggested the staff at Southern Illinois University at Edwardsville could do a lot of the legal and administrative work.

SIUE was suggested as the original site for the center but the clause specifying SIUE was removed from the legislation by Vadalabene in an effort to win support for the bill. SIUE has offered a site. East St. Louis officials have been supporting location of the center in that city.

John Paul Davis, SIUE legal counsel, has told the authority that it could lose state money for the construction unless it has bond obligations by 1977.

Arrested in drug raid

Leland W. Mathis, 21, of 2730 Marshall Ave., was among 63 persons who have been arrested in a series of drug raids conducted yesterday, primarily in St. Clair County.

About 180 state and area law enforcement officers, including deputies of the Madison County Sheriff's Department, participated in the raids, which were coordinated by the Illinois Bureau of Investigation and the Metropolitan Enforcement Group (MEG) of Madison, St. Clair, Monroe, Bond, Washington and Randolph counties.

Most of the arrests were made on suppressed indictments returned by a St. Clair County grand jury about two weeks ago. A total of 76 indictments were returned at that time and additional arrests on the indictments are expected.

The procedure followed exactly the procedure in a series of similar raids in Madison County Sept. 3, including the use of suppressed grand jury indictments.

Both sets of raids were the result of undercover operations by IBI and MEG personnel who alleged purchasing many types of drugs from what they considered "middle level dealers," who sell to smaller dealers, as well as individuals.

Mathis was named in a warrant alleging unlawful delivery of cannabis to undercover officers. He was in the Madison County Jail today awaiting transfer to the St. Clair County Jail.

Mrs. Turner dies at 64

Mrs. Cornelia Turner, 64, of 530 Jefferson St., Venice, a resident of the Quad-City area since 1923, died at 11:20 a.m. Wednesday at St. Elizabeth Hospital.

She was born in Gregory, Ark.

Mrs. Turner was a member of the Mount Nebo Baptist Church.

Survivors include one daughter, Mrs. Joyce Crawford of Venice; three sons, Booker Butler, Memphis, Tenn.; Charles Butler, Hazelwood, Mo., and Dale Turner of Madison; five sisters, Mrs. Emma Fletcher, Mrs. Effie Dean and Mrs. Pearl Hall, all of Venice.

Mrs. Lelia Mae Hale of Madison and Mrs. Minnie Belle Woods of East St. Louis; four brothers, Aaron Spearman of Madison, Robert Spearman of St. Louis, Tulsia Spearman of Venice and Aubie B. Spearman of Harvey, Ill.; 18 grandchildren and two great-grandchildren.

Funeral services will be held at 7:30 p.m. Monday, at Mount Nebo Baptist Church, 800 Jefferson St., Venice. Burial will be in the National Cemetery, Jefferson Barracks, Mo., Tuesday morning from an East St. Louis funeral home.

Hurt on bridge

Mrs. Lavada Odom, 52, of 2125 Woodlawn Ave., was injured seriously when her car and a tractor-trailer were involved in an accident on the Interstate 270 bridge over the Mississippi River at 3:45 p.m. Tuesday.

At the accident scene, the tractor-trailer was jackknifed across the westbound lanes and the car was entangled in a guardrail by the truck.

Mrs. Odom was caught for a brief period on the front floorboard of her car as the seat had pulled loose from the floor and moved forward, trapping her.

She was pulled from the wreckage and was taken by ambulance to St. Elizabeth Hospital with multiple injuries, including a cut to her forehead and a fractured bone in her right arm. She was transferred to Barnes Hospital, St. Louis.

The accident caused a massive traffic tie-up in both directions.

TREATED AT HOSPITAL

Mrs. Deborah Weaver, 22, of 3101 Wayne Ave., was treated at St. Elizabeth Hospital at 8 p.m. Monday for minor injuries suffered in an auto accident. X-rays were taken of her knees and she was released.

JOHN HURSEY
Airman Graduate

Airman Hursey to graduate

Airman John Hursey, son of Mr. and Mrs. Wesley Hursey, 5 Lexington Court, will graduate on Oct. 31 from the Air Base Defense Combat Training at Camp Bullis, Tex.

After graduation he will report for duty with the Military Police at Blytheville, AFB, Ark., according to information received by his parents.

The local serviceman received basic training at Lackland AFB, Tex., and graduated there on Aug. 19.

Approve payment to architect

Payment of $1,350 to John Rapp, architect for a proposed town hall and community building for Chouteau Township, was approved by that township's board of auditors Monday night as partial payment for his work.

Since the office portion of the building is being constructed with federal revenue sharing funds and the community center is being constructed with Community Development grant funds, Rapp's payment was taken from those funds proportionate to the estimated cost of each part of the building.

The board voted to pay him $1,220 from community development funds and $131 from revenue sharing.

The board agreed to pay more than $3,000 worth of bills for the highway department, bringing that department up to date with its bills through the end of May 1975. The payments were made possible through the release of a flood aid reimbursement and of motor fuel tax by the Madison County Board Oct. 15.

Mrs. Patricia Polley, town clerk, announced that more than $1,000 in interest has been received this month from investment certificates which have matured. The invested funds are primarily federal revenue sharing funds which are reserved for the township building.

A letter from the county's Community Development coordinator, Mary Kane, was read in which she notified the auditors there is $11,419 remaining in the township's Community Development escrow fund from the 1974-75 disbursement.

The auditors held a lengthy discussion on the rising cost of workmen's compensation insurance, after receiving a bill from the township's insurance company showing a 46.8 per cent increase in the premium.

The increases are the result of new workmen's compensation laws increasing benefits about 50 per cent.

Meeting dates for the remainder of the year were set with November meetings set for 6 p.m. Monday, Nov. 3, and 7 p.m. Monday, Nov. 17.

December meetings will be held on Mondays, the first, 15th and 29th, all beginning at 7 p.m.

TOWER LAKE DEDICATION. Dr. Andrew J. Kochman (right), vice-president and provost of Southern Illinois University at Edwardsville, reads a citation dedicating Phase II of SIUE's Tower Lake Apartments as representatives of the student body hold the dedication plaque which will be placed in the Commons Building at the apartments complex. At left is Monica L. Olszewski of Fults, president of the Tower Lake Area Council. Standing with her is Robin Roberts, Alton, president of the SIUE student body. Vice-President Kochman said, "We have tried to design a living environment that is conducive to educational pursuits in a homelike atmosphere." With the completion of the new apartments, the university has on-campus housing for 1,200 single and married students.

Scholarship winner

Trudy Ann Thalmann, daughter of Mr. and Mrs. R. E. Thalmann, 2001 13th St., has been chosen as the Granite City High School South winner in the Bicentennial Seniors scholarship competition.

The competition is part of a nationwide scholarship program for high school seniors currently being conducted by the National Association of Secondary School Principals with funds from the Shell Oil Co.

Runner-up is Patricia Ann Ray, daughter of Mr. and Mrs. Robert Ray, 1508 Pontoon Road.

Miss Thalmann's winning composition consists of a "Bicentennial Minute" and a commentary discussing the relevance of this "minute for today and for America's future." She also scored high on a current events test.

The selection committee was comprised of Billy H. Terrell, Owen Humphrey, Philip Shatto, and Miss Dolores Dochwat.

Trudy will now compete with other high school winners to become one of the two state representatives to the national competition. Two winners from each state and the District of Columbia will receive a scholarship of $1,000 and an all expense-paid trip to Williamsburg, Va. from January 16-19, 1976, to attend seminars on educational and social issues and to be on hand for the selection of the national winner.

The grand prize winner receives a $10,000 scholarship and will have his or her "Bicentennial Minute" presented on the CBS television network.

THEFT FROM TRUCK

Items worth about $200 were stolen from the tractor-trailer of Cliff Morris, Pandora, Ohio, parked at the Wilson Freight Co. yard at 2200 W. Chain of Rocks Road, it was reported Monday. Taken were five chain binders and six chains.

Nu Zeta conducts legacy event

Mrs. Carla Ashmore was hostess to the Nu Zeta Chapter of Beta Sigma Phi this week at her home, 2569 Stratford Lane.

Daughters of the members were invited for the afternoon, and Mrs. Ashmore conducted a ceremony to honor the girls as "Legacy Members."

Each girl received a Beta Sigma Phi necklace and a yellow rose. At the age of 18 the girls will be eligible to join a chapter of Beta Sigma Phi.

Nu Zeta members also used the occasion to present a gift to Mrs. Carolyn Lee who will be moving to Kansas City.

A cake decorated with yellow roses and punch were served.

Others attending were: Mrs. Cheryl Barton, Miss Allison Ashmore, Miss Gina Deleveski, Miss Lisa Deleveski, Mrs. Martha Deleveski, Miss Barbara Mullenbeck, Mrs. Judy Haven, Miss Katherine Lewis, Mrs. Bobbie Lewis, Miss Cheryl McIlvoy, Mrs. Donna McIlvoy, Miss Erin McKechan, Miss Cheryl McKechan and Mrs. Linda McKechan.

Coordinators appointed

The Madison Board of Education has appointed Wade James, assistant superintendent of schools, and Mrs. Marguerite Connole, assistant curriculum director, as coordinators to implement compliance with Title IX.

Title IX deals with prohibiting sex discrimination in education.

The board adopted a policy that no person shall on the basis of sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.

The board also is working on procedures providing for "prompt and equitable resolution of student and employe complaints," according to John L. Palcheff, superintendent of schools.

Singing Chapmans to perform here

"The Singing Chapmans" of Collinsville, will present special singing at 11 a.m. Sunday worship services at the Bethel Temple Pentecostal Church 2400 E. 25th St., according to the pastor, Rev. Ralph McKinney.

Rev. McKinney said the public is welcome to attend the services.

Weeklong revival

The Rev. B. M. Bailey Jr., pastor of the Mount Calvary Missionary Baptist Church of Denton, Tex., will be the evangelist during revival services to be conducted at 7 p.m. daily at the Southern Missionary Baptist Church, Venice, Oct. 26 through Oct. 31. The Rev. S. L. Calhoun is pastor of the Venice Church.

MOTORCYCLIST HURT

Kevin Bruce, 18, of Creve Coeur, Mo., was admitted to St. Elizabeth Hospital this week after he was involved in a motorcycle accident along the Chain of Rocks Canal about 4:50 p.m. He was taken by ambulance to the hospital with contusions to his chest and was admitted after a series of x-rays.

Car-train accident

Wallace Smith, 45, of 2430 Madison Ave., was injured when his car and an Illinois Terminal Railroad engine were involved in an accident at the Edwardsville Road crossing at 7:15 p.m. Tuesday.

Police said the warning signals appeared to have been operating and the Smith auto was believed to have gone into the side of the moving engine. The car was carried about 30 feet by the engine before the train stopped.

A wrecker and the fire department were required to clear the wreckage. An ambulance was called, but Smith declined to go to the hospital.

Police alleged Smith appeared to be intoxicated and charged him with driving while under the influence of liquor. He was released after posting $100 bond.

GOLDEN FRIED SHRIMP DINNER EVERY DAY AT GRANT'S—$1.98

SMITH PLANT EMPLOYES HONORED. The staff of the A. O. Smith Corp. auto frame plant in Granite City is saluted at Wednesday's United Way report meeting. Despite four layoff periods, the employes have increased their giving compared to a year ago. Left to right are Vern Schenkel, United Auto Workers Local 1715; James Bevirt, International Brotherhood of Electrical Workers Local 309; A. P. Steinhauser, chairman of the United Way Industrial Division; C. E. Blankenship, supervisor of safety and training at the Smith plant; Elmer Dinkins, Auto Workers Local 1715; Charlie Haynes; and Gary Landolt, International Association of Machinists District Nine. *(Press-Record Photo)*

Appoints work crew at treatment plant

A maintenance foreman and five employes for Granite City's new secondary sewage treatment plant were appointed Monday night by Mayor Paul Schuler.

The new employes will participate in a training program to be arranged by Robert Jackson, superintendent of the primary and secondary treatment facilities, Mayor Schuler told members of the City Council in announcing the appointments.

Council members concurred in the appointments which make up the first work crew to be hired for the new plant. Construction of the $12 million secondary treatment plant is scheduled for completion by late November.

Mayor Schuler named John Mink as maintenance foreman, and Terry Kelahan, Gary Miller, Glen Hommert, Phillip Boyer and Frank Barunica as plant employes.

Meanwhile, Mayor Schuler received notice by the Illinois Environmental Protection Agency that it has released $642,000 in grant funds to resume payments to the treatment plant contractor for construction work.

EPA had held up further grant funds pending revision of the city's rate schedule for payment of sewer use fees to provide additional money for a $100,000 "replacement factor" in the plant's financial structure.

The agency notified Schuler that a revised rate schedule has been approved.

Release of further grant funds will permit the city to repay $159,000 into the working cash fund from which it had borrowed the money to pay an August construction bill, and to meet a $212,000 September construction bill.

State trooper assigned to home region

KENNETH WILLTROUT
Assigned Here

Illinois State Trooper Kenneth Willtrout, a former resident of Granite City, has been assigned to District 11 at Maryville, it was announced this week.

Trooper Willtrout joined the Illinois State Police in September 1968. Since that time, he has been working in District 15, headquartered at Oak Brook, west of Chicago.

He is a 1965 graduate of Granite City High School and served two years with the U. S. Army's 101st Airborne Division prior to his appointment as an Illinois trooper.

He is married to the former Jeanette Anderson and the couple has two daughters, Julie, 5 years old, and Amy, 18 months. The family is planning to live in the Maryville area.

Trooper Willtrout's parents, Mr. and Mrs. Benjamin Willtrout, reside in Granite City.

Mrs. McMillan, 70, succumbs

Mrs. Elizabeth McMillan, 70, of 1101 Dover Place, St. Louis, formerly of Granite City, died at 5:45 a.m. Wednesday at St. Anthony Hospital, St. Louis. She had been hospitalized three weeks.

Born in Edinburgh, Scotland, Mrs. McMillan had lived here 20 years prior to moving to St. Louis two years ago.

Her husband, Andrew McMillan, died in 1972.

She is survived by four children, Mrs. Joseph (Helen) Falco of Marlten, N.J., Mrs. Wallace (Elizabeth) Wigger, Mrs. William (Elizabeth) Kelpe, both of St. Louis, and Mrs. Jim (Nancy) Ridings of Granite City; six grandchildren, one great-grandchild, and sisters and brothers residing in Great Britain.

Funeral arrangements are given in the obituary column.

Charles Phelps, 35, dies

Charles Grant Phelps, 35, of 4016 Rode Ave., a lifelong resident of Granite City, was pronounced dead by Madison County Coroner Randall Irwin, at 11:40 a.m. Wednesday at 1810 Skeen St., Madison.

There will be an inquest to determine the cause of death.

Mr. Phelps was self-employed and operated the C&C Heating and Air Conditioning Co.

Survivors include his wife, Mrs. Ina Phelps; a brother, Garnet Phelps of Michigan; one sister, Mrs. Jerry (Mary) Cox of Granite City, and his father, Cecil Edison Phelps of Granite City.

Funeral arrangements are given in the obituary column.

Mrs. Wilson dies at 40

Mrs. Rose Wilson, 40, of 2416 Missouri Ave., ill for four months, died at 7:40 p.m. Tuesday at Belleville Memorial Hospital. She had been a patient at the hospital one month.

Born in Apache, Okla., she resided here three years.

Mrs. Wilson was a member of the Second Baptist Church.

Survivors include her husband, Leslie Wilson; five children, Faith Ann Marie Chronister, Dwaine and Rex Chronister and Leslie and Jarome Wilson, and two brothers, Robert and Art Brown, both of Medicine Park, Okla.

Funeral arrangements are given in the obituary column.

THEFT FROM TEACHER

Ruth Welsch, a teacher at Venice High School, told police a $75 calculator had been stolen from her desk when she turned around after class to close some windows. She named a suspect and Venice police reported finding the calculator at a student's house. The school officials are to deal with the matter.

Timing of site selection must not lead to loss of funds

When all is said and done, the Exposition and Performing Arts Authority will locate the scheduled new civic center on the campus of Southern Illinois University at Edwardsville, most people seem to agree. The overwhelming reason — aside from the fact that it would be an outstanding location — is that the Authority and center must make financial ends meet, and there is no other big and consistent renter than SIUE on the horizon.

What would be tragic is if the Authority — in taking commendable pains to be objective and thorough in the site selection — moved so slowly and ponderously that the vital $15 million state financing is lost. That there is a serious possibility of this occurring has been brought out in the 12-member Authority's discussions this fall.

Only through sale of construction bonds can the local civic center join with Peoria, Springfield, Rockford, Aurora and Chicago in sharing a fund generated through cigarette and parimutuel taxes. And bonds cannot be sold until an immense volume of preliminary actions has been carried out.

The speed achieved thus far is in marked contrast to that in St. Louis, where the steel structure of a new convention center is rising and plans were announced Tuesday for a 620-room, $20 million Sheraton hotel to be situated near it. The St. Louis center will cost $34 million and development in the convention plaza area is expected to total $70 million.

Illinois leader in adopting economic impact legislation

Illinois now has the first state law in the nation requiring comprehensive economic impact studies of statewide pollution control regulations. S. 805 requires such studies of all proposed pollution regulations as well as selected existing rules for their cost effects on citizens.

The Illinois Institute for Environmental Quality will analyze the financial impact of anti-pollution regulations on farmers, workers, businesses and governmental units. Included will be such cost factors as employment, industrial expansion, availability of goods and services, and energy supply.

Findings and conclusions will be reviewed at public hearings before the Illinois Pollution Control Board.

The PCB in its written opinion will make a determination based on the Institute's study and other evidence in the public hearing record as to whether a proposed regulation will have adverse economic results.

The economic impact legislation received strong bipartisan support and was endorsed by the heads of the three Illinois environmental control agencies. This underscores the hope that the new law will not be negative in nature but instead will enable future decisions to be made based on accurate weighing of "both sides of the coin," rather than on incomplete information.

Particularly in view of inflation and the scarcity of energy resources and raw materials, it is essential that the best possible data and procedures be utilized.

Fire disastrous for local family

To the Editor:

This letter is in regard to the Donald Tinsley family, which lived at 2633 Logan Ave. The home they were renting burned to the ground on Monday evening, Oct. 13, leaving them nothing.

Nothing was saved at all, except what few clothes Mrs. Margaret Ann Tinsley and her daughter had on.

Two of their smaller children were in the bathtub, taking their baths at the time of the fire. Neighbors got them out to a safe place.

Mr. and Mrs. Tinsley's son, 15-year-old Donald Wayne Tinsley, has been in Barnes Hospital Plaza in the Burn Unit, Room 3300, St. Louis, with 75 per cent burns from an explosion fire he was in a couple months ago, and will be there for some time yet.

The Tinsleys have nothing left at all — and Mr. Tinsley has been out of work for some time now.

Is there some way to help this family out? They need it badly.

Readers please contact Mr. Laurence Budde or Mrs. Margaret Budde at 746 N. 27th Place, Granite City, 876-5232, for further information.

Area is grateful to GC firefighters

To the Editor:

We would like to thank the Granite City firefighters and Fire Chief Parente for coming to fight the house fires on Logan Monday evening, Oct. 13, even though the houses were not in the city limits.

Some of the firefighters were off duty and came as volunteers, which meant no pay and—if injured while fighting the fire—no insurance.

Also, they left their families for the evening.

All of us owe them a debt of gratitude.

The neighbors and young people who helped also deserve to be praised.

GRANITE CITY COUPLE

Gimmicks — will they succeed in attracting votes in 1976?

By KEN WATSON

SPRINGFIELD — Will a gimmick campaign pay-off again?

The question is being increasingly discussed beneath the Statehouse Dome due to the persistence of maverick GOP gubernatorial candidate Richard H. Cooper. The 35-year-old Chicago millionaire is pushing his early bird campaign for the 1976 GOP nomination.

Cooper, who amassed his fortune as chief executive of Weight Watchers, Inc. of Chicago, so far has displayed a flair for attracting newspaper space and television time. His latest play was to work in an Illinois coal mine.

There has been a tendency in Illinois political circles to write-off Cooper as a minor candidate of no consequence. This became increasingly so after famed U.S. prosecutor at Chicago, James R. Thompson, entered the race for the Republican nomination.

The feeling was that no one would stand a chance in challenging Thompson. Thompson continues to rate as an overwhelming favorite for the nomination, but there is also a developing inclination to take Cooper more seriously.

The major reason seems to be that he may be proving effective in exploiting a national political attitude to shun traditional politics and accept the new and bizarre.

The trend started in Florida when Democrat Lawton Chiles won election to the United States Senate, mainly by walking the length of the state of Florida.

As everyone knows by now, Dan Walker copied the Chiles idea, added a red bandanna handkerchief for color and style, and wound up as governor of Illinois.

To most Statehouse politicians it is incredible that two gimmick campaigns in a row could succeed in a state like Illinois, where the voters generally are conceded a high degree of political sophistication. This is recognized as one of the strongest two-party states in the nation. But there are those who feel this widestreak of voter independence is a benefit for candidates such as Cooper and Walker.

The trait of independence is strengthened downstate as a reaction to the tight polling booth discipline maintained in Chicago by Mayor Richard J. Daley's Democratic machine, the last of its kind in the country.

Illinois Republicans especially have shown a persistent inclination to disregard the advice of political leaders and make up their own minds in the primary.

In 1968, for instance, Chicagoan Richard B. Ogilvie was overwhelmingly backed by the GOP party organizations but barely won the nomination over independent John Henry Altorfer of Peoria.

Four years later a politically unknown Peoria doctor, John Mathis, polled more than 133,000 votes against then Gov. Ogilvie.

However, there was one factor present in 1972 that is missing this year and could keep the Cooper effort in minor key. It is the income tax issue.

Ogilvie's advocacy of the income tax unquestionably hurt him in the 1972 primary and assured his November defeat by Walker.

It was the income tax matter as much as Walker's walking that enabled him to upset then Lt. Gov. Paul Simon by 61,250 votes in the Democratic primary.

Loopholes, like beauty, are in eye of beholder

Wall Street Journal—"Lobbyists" are bad. So are "tax loopholes."

But "public interest organizations" and "tax reform" are good. "Programs," the government kind, are beginning to sound bad, unless they're "comprehensive" programs, and then they're okay.

Words shape reactions, and public reactions shape public policy.

If most people think all lobbying is corrupting, Congress may vote a tough antilobbying law. If something is really a tax loophole, it obviously ought to be closed.

Even if a reporter is aware of this problem of colored words, it's hard to catch them all the time. That's why readers and viewers need be extra alert.

One word beginning to take on a pejorative overtone is "incumbent."

Though it merely means a person who holds an office, the way it's often used of late strongly suggests someone who really ought to be thrown out of office—a petty political hack who seeks only to keep right on swilling at the public trough.

Thus the law limiting campaign spending is sarcastically tagged "the Incumbents Reelection Act."

Common Cause constantly deplores the volume of campaign contributions to incumbents. Americans for Democratic Action reports that salary, staff, office space and other costs add up to a "shocking" $488,505 per congressman.

Yet, whatever their reelection advantages in campaign funds and congressional perquisites, most incumbents also work very hard to remain in office, using all that staff to run errands for constituents and using all that travel allowance to get back home and find out what's on the voters' minds.

And, after all, isn't that the way democratic government is supposed to work?

Recent elections have also clearly shown that lazy, corrupt, extremist or otherwise out-of-touch incumbents aren't all that invulnerable to aggressive, hard-working challengers, no matter what the advantages of incumbency.

"The basic truth about incumbency is this," says one Senate staffer. "When a person does the job right, he doesn't need huge amounts of campaign money or new campaign rules to stay in office.

"Lobbyist" is another word that carries a heavy freight, conjuring up visions of business representatives lavishly entertaining venal lawmakers.

Yet, few lobbyists operate that way any more. Most lobbying is perfectly proper, even highly desirable, citizen contact with government.

Moreover, whether a lobbyist's cause is "good" or "bad" is uniquely in the eye of the beholder.

Right now, for example, Naderites, environmentalists and other groups commonly classed as "white hats" are working side by side with "black hat" business and union spokesmen to block too drastic a tightening in lobbying laws.

Congressional travel is habitually described in the press as a "junket"—with the word's image of lawmakers boozing in Paris nightspots, lying on Caribbean beaches, or otherwise living it up at the taxpayers' expense.

Most congressional travel, though, isn't this at all; rather, it's a subcommittee looking into ways to spend foreign aid funds better, or seeing whether Scandinavian prison procedures might work in the U. S., or finding out what Latin nations really think of U. S. policy.

Freshman Rep. Paul Simon of Illinois was on an 11-member congressional group that visited four Asian countries this summer and, obviously worried over some future campaign attack, wrote his constituents on his return reciting just what he'd done in each country and how he felt this would help him be a more effective Congressman.

"Seeing problems, sensing them, listening to them is always better than reading about them," he said.

"That is true in Southern Illinois. That is true in Asia."

Some terms change their tint, chameleonlike, from time to time.

"National security" used to be a beautiful blanket to wrap around almost any cause to make it more acceptable.

Since Vietnam and Watergate, anything advanced under the cover of "national security" has been automatically suspect rather than automatically sacred.

"Activist" is another odd one. Theoretically, participatory democracy wants people to be active and involved.

Somehow, though, the word's a bummer. It suggests kooks, extremists, militants.

A "tax loophole" is quite definitely a means of escaping taxes, but most provisions currently attacked as "loopholes" were deliberately voted into the tax laws for purposes Congress considered valid: to promote mineral exploration, to help states and cities sell bonds, to encourage people to buy homes.

But the connotation now is of something done underhandedly, with deceit if not actual fraud.

Recognizing the nasty note in "loopholes," some writers use "tax shelters" instead—a shelter apparently being somewhat more respectable than a loophole.

In the opposite direction, calling controversial tax law changes "tax reform" undoubtedly gives the advocates of change a real leg up, for "reform" clearly means to change for the better, usually by putting a stop to abuses.

Yet all proposed tax changes are decidedly not for the better; some may be disastrous.

Many papers try to use more nearly-neutral phrases, such as "tax revision" or "tax changes."

Those who would overhaul the tax laws aren't the only ones attempting to advance under the "reform" banner.

There's also welfare reform, congressional reform, campaign financing reform, party reform, prison reform, and a dozen more.

The cause may be just or unjust, but the description is hardly neutral.

What does all this add up to? Simply that reporters and writers need to be extra careful in using these value-laden terms.

They must try harder to distinguish between the lame duck lawmaker's extravagant final foreign fling and the subcommittee traveling to find answers to tough problems;

Between lobbying that is valid citizen participation and that which approaches bribery;

Between perquisites that incumbents use chiefly to serve their district and those they use chiefly to serve themselves.

And just in case the writers aren't always able to keep these distinctions in mind, readers and viewers must.

BICENTENNIAL FLAG flies over SIUE. Members of the color guard of the Air Force Reserve Officers Training Corps at Southern Illinois University at Edwardsville raise the American Revolution Bicentennial flag along with the United Nations flag at the university Monday. The flag raising highlighted a ceremony attended by hundreds of SIUE students, alumni, faculty and staff members who launched the university's yearlong celebration of the nation's 200th birthday. Dr. Andrew J. Koehman, vice-president and provost, was the keynote speaker. A scheduled hot-air balloon ascent failed to get off because of high winds. Members of the AFROTC color guard included David South, Edwardsville; Rick Ferguson, Fairview Heights; Pat Lute, New Douglas; and Jim Francis Jr., Fairview Heights.

Dam replacement seen as essential

(Illinois Farm Bureau)

If you look on the official highway map of Illinois, at a point on the Mississippi River at Alton you will find the location of what the United States Army Corps of Engineers calls "Lock and Dam No. 26."

That very simple, bureaucratic designation belies the tremendous importance of this facility, not only to Illinois farmers but to the economy of the entire Midwest.

Lock and Dam No. 26 was constructed in the 1930s as part of the Upper Mississippi navigation system. It is the key lock and dam in the entire river system.

All barge traffic from the Minneapolis-St. Paul area, from the Chicago area and other points along the Illinois River, from the Lower Mississippi, the Missouri, the Arkansas and the Ohio Rivers funnels through this one facility in the movement of grain, coal and other commodities to and from the upper-middle section of the United States, and to and from the lower parts of the nation and to ports abroad.

There is no question that Lock and Dam No. 26 is in poor condition and that age and wear have impaired its functioning.

There is serious concern that, due to its weakened condition, an accident or the stress of ice or other natural pressure could render it permanently unserviceable.

Such a loss would have serious economic impact on Illinois farmers and on our nation's grain export programs.

For example, from April 1, 1974, through March 31, 1975, a total of 440 million bushels of Illinois farmers' grain moved down the Illinois and Mississippi River system through Lock and Dam No. 26 to the New Orleans port for export.

This grain, valued in excess of $1.7 billion, obviously is extremely important to Illinois agriculture and to our national economy in the form of foreign exchange earnings.

There are those who claim that, if the present water transportation system were to become inoperative because of Lock and Dam No. 26, alternate modes of transportation could provide the means of moving this heavy volume of grain to the Gulf Coast.

The inadequacies and problems of rail traffic, especially during the harvest crunch, are well known and deserve no further comment except to say that the cars, the locomotive power, the rails and other facilities for loading the cars are plainly just not available.

What is needed is action now to begin construction of a new Lock and Dam No. 26.

A study shows that replacement of the facility would represent a saving to the public of more-than $8 for every $1 of public expenditure.

Every day of delay in starting construction is estimated to add $116,000 to the cost of the project through inflation.

It should be remembered that even if construction on the replacement of Lock and Dam No. 26 begins immediately, the new facility will not be completed for 10 to 11 years.

There is, therefore, a critical need to get on with the project immediately.

Rivers, harbors board to weigh Alton dam repair, replacement

The Board of Engineers for Rivers and Harbors will evaluate several alternatives in its independent review of the Corps of Engineers' proposal for replacement of the existing Locks and Dam 26 on the Mississippi River at Alton, Major General J. W. Morris, board chairman, announced Monday evening.

Recommendations of the board will be sent to Lieutenant General William C. Gribble Jr., chief of Engineers, late this year. The board is based at Fort Belvoir, Va., the Engineer Corps headquarters.

The board is reviewing a field report of the Corps of Engineers which recommends replacement of the existing Locks and Dam 26 with a new structure with expanded barge-traffic capacity.

A supplemental environmental impact statement on the proposal also is being studied by the board.

A recent release by the U. S. Department of Transportation said that Corps of Engineers studies have not justified the replacement of Locks and Dam 26 with a new structure of larger capacity, Gen. Morris said.

He emphasized that the board has no preconceived notions on what solution is in the best national interest.

He said the board had only reached one conclusion to date — that the deterioration of the present structure requires corrective action, a condition also concurred in by the DOT study.

This leaves it up to the board to next decide whether rehabilitation of the present structure or construction of a replacement locks and dam is warranted.

The field report, the Environmental Impact Statement, all comments received and the DOT report will be studied by the board before making any recommendations to the Chief of Engineers.

In addition, cost estimates provided in the study will be validated and proved for the board review.

In his charge to the board, Gen. Morris stressed the importance and national significance of the Locks and Dam 26 issue, pointing out that the executive, legislative and judicial branches of the government are involved.

The issue goes beyond Locks and Dam 26 to the role of water transportation in the national transportation system, he commented.

Gen. Morris said that the Board of Engineers, in the coming weeks, will consider many issues, including: the size of the locks; the economic justification for the federal investment; environmental and social impacts of the proposed projects; and the long-range effects of replacement locks and dam on inter-modal transportation in the Upper Mississippi River Basin.

The Way It Was — In 1775

October 20—Massachusetts House of Representatives appropriates 1,000 pounds for purchasing winter stores for the poor who had been forced to flee Boston and Charleston.

October 21—New York Provincial Congress orders sulfur and brimstone supplies shipped to a safe place on the Hudson River, believing an attack on New York City imminent.

October 22—The British army is reported taking down buildings in South Boston for firewood and erecting barracks and raising batteries for their defense.

October 23 — The Royal Army in Boston, a British deserter says, is ill with scurvy and buries eight or 10 of its number every day who die from the sickness.

October 24 — The Second Virginia regiment is ordered to Norfolk to take a stand against British troops and put a stop to raids in the vicinity.

October 25 — Benjamin Franklin contributes 100 pounds sterling to Massachusetts, raised for those who were wounded in the battle of Lexington.

October 26 — Colonial troops from Williamsburg prevent British fleet from landing at Hampton, Va., after the British threaten to burn the town.

AMERICAN REVOLUTION BICENTENNIAL 1776-1976

North Band to view champions contest

Twenty Granite City High School North student representatives of the band will travel to Middle Tennessee State University to observe the annual "Contest of Champions" marching band contest to be held Saturday.

The local students are traveling on the "Big Mac," a luxury bus furnished by McDonald's Restaurant and driven by Arno Sponeman, a Granite City resident and transportation Specialist for the restaurant chain.

Approximately 25 champion bands from six states will participate in the event.

"This is without a doubt the most outstanding marching band contest held anywhere in our country today. The majority of the bands participating march "southern style," and perform precision drill and exhibition marching in a style which the North Band has adapted as its own, Robert D. Todoroff, North band director, said.

Out of the 120 members in the Band Department, it became necessary to develop criteria for selection of the members who would attend the contest. The Band Letterman Club worked out the criteria and Director Todoroff made the selections based upon the evaluations.

The 20 students who will make the trip as representatives of the entire band are: Lori Adams, Crystal Andrews, Wendy Brandibas, James Breidenbach, Richard Bunch, Pat Fyalka, Carol Grisham, Carol Kinney, Mark Lynn, Kenneth McCrory, Kevin McCullough, Barbara Miller, Sandra Miller, Jonathan Newcombe, Frank Orris, Michael Papp, Laura Rosales, Glenn Schubert, Robert Springer, Mary Ann Simmers.

The trip is sponsored by the GCHS North Band Parents Association.

Accompanying the group will be Director Todoroff, and Band Parents chaperones, Mr. and Mrs. Lynn Kinney. The group will stay at the Howard Johnson Motor Lodge while in attendance at the contest.

"We're truly excited about the opportunity our student band representatives will have to see these outstanding performances first hand, and their ability to bring back an enthusiastic report to their fellow band members. They will have a better insight into the workings of some outstanding organizations. We are hopeful that the knowledge gained will be of great benefit to our marching band from 'Steeler Land' in the coming years," Todoroff said.

Find stolen speaker set

A set of speakers, stolen from the vehicle of Dennis Wallace, 2915 Harding Ave., in the parking lot of Granite City High School South before 1:25 p.m. Tuesday, were seen inside another auto in the parking lot and were recovered by the owner.

Wallace said a youth had been with him earlier and had been inquiring about the speakers. He said he believes when the youth got out of the vehicle, he failed to lock the passenger side door. Later the speakers were removed.

Wallace looked inside other cars in the lot and found the speakers in a locked car. Police determined the identity of the owner and questioned him.

The boy said the speakers were given to him free by another boy. He readily returned them to Wallace. Police are investigating.

Mrs. Malone dies at 81

Mrs. Ethel C. Malone, 81, of Rural Route One, Granite City, ill for five years, died at 6:50 p.m. Tuesday at St. Elizabeth Hospital.

She was born in Missouri and lived in this area 54 years.

Her husband, Manual Malone, died Feb. 28, 1964.

Survivors include two sons, John W. and Jack F. Malone both of Granite City; two sisters, Mrs. Arta Sterling, Tulsa, Okla. and Mrs. Flora Wiley of St. Augustine, Fla.; two brothers Frank and Tom Van Zandt both of Tulsa;' five grandchildren and seven great grandchildren.

Funeral arrangements are given in the obituary column.

Boy, 13, shot with pellets

Vernon Whittner, 13, of 629 Meredocia St., Venice, was shot twice with a pellet gun by other children as he was walking past an empty lot at 624 Meredocia St., during the weekend.

The boy suffered injuries to his back and a leg. Venice police questioned two boys, ages 16 and 13, and they admitted telling Whittner they were going to shoot him, but said they did not mean to actually do it.

Officers confiscated two pellet guns from the boys. Whittner was not seriously injured but did require medical attention.

Fire board to meet Friday

The trustees of the Long Lake Fire Protection district will hold a special meeting at 10 a.m. Friday at the Long Lake Volunteer Fire Department Hall in Pontoon Beach.

The meeting is for the specific purpose of passing a resolution to authorize Board President Harold Davis to enter into an agreement with the East St. Louis and Interurban Water Co. for the installation of 15 fire hydrants in the area served by the fire district.

FIREMEN AND GUESTS. Venice Firemen held an open house during Fire Prevention week and served soda and ice cream to several hundred Venice children who visited the station. Two bicycles were awarded as prizes. Richard Beck, left, holds up his young son, Richard Jr., winner of the "Spirit of '76" bike. Mayor William M. Ebersoldt, first row third from left, stands next to Myron Michell who was presented a 10-speed bike.

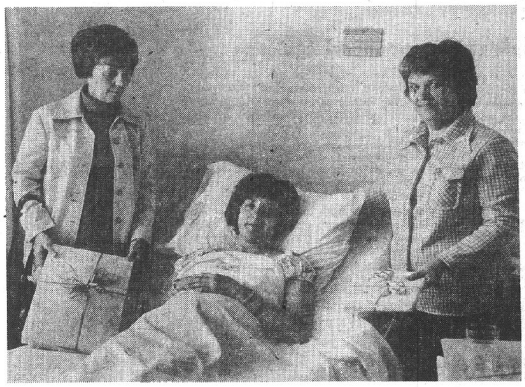

BAC nurse aid-orderly course

Belleville Area College will offer a Nurse Assistant Program for nurse aid-orderly at the Granite City Center, located at South High School, in a six-week series of classes beginning Nov. 3.

Registration for the course will take place from 4 p.m. to 8 p.m. Wednesday and Thursday, Oct. 29 and 30, in Room 115 at Granite City High School South.

Classes will meet Monday through Thursday from 4 p.m. to 9 p.m. Tuition cost is $45.

Additional information concerning the program may be obtained by calling 451-8080, between 1 p.m. and 9 p.m. weekdays.

HONORS FOR MOTHER. Mrs. Betty Stegemeier, left, and Mrs. Helen DeRuntz, right, members of Granite City's Right to Life Organization, present gifts to Mrs. Debbie Singleton, 3176 Jill Ave. Mrs. Singleton was the mother of the first baby born during Respect for Life Week. Mr. and Mrs. Ricky Singleton are the parents of an infant girl named Melissa Ann. The physician delivering the baby was Dr. Jose Pineda. Grandparents are Mr. and Mrs. Robert Daniel of Clarksville, Tenn., and Mr. and Mrs. Berlin Singleton of Granite City.

Seek aid in arson probe

Pontoon Beach police are requesting the assistance of anyone who may have knowledge which could assist them in determining who set fire to the Wholesale Carpet store, 4010 Pontoon Road, Monday morning.

Village Chief of Police Rosewell Bennett Jr., said two persons in particular may be able to help police and provide a description of an auto which was seen in front of the store moments before the fire was noticed.

One witness went into the police station and reported a man had just thrown something on or into the building and a fire followed.

When the police dispatcher turned his back to the man to notify the fire department, the man left without giving his name.

Bennett said he feels the man may be able to give further details which would aid the police investigation.

The chief also said when the arsonist's auto left the store's parking lot at high speed onto Pontoon Road, it was believed to have nearly struck another car traveling on the road. The near-accident would have occurred about 5:45 or 5:50 a.m. Monday. It is believed the other motorist may be able to provide a description of the car.

He urged anyone having information which could help the police to call officers at 931-0932 or 931-0738.

Secretaries attend association meet

Mrs. Catherine Wittevrongel, secretary at Parkview school and president of Illinois Association Educational Secretaries (IAES), attended the fall conference of IAES held in the Holiday Inn at Bradley, Ill. during the weekend.

A total of 287 secretaries from the state of Illinois attended the two-day workshop hosted by the Kankakee County Association of Educational Secretaries.

Also attending from Granite City were local Granite City Association educational secretaries, Mrs. Frieda Andrews and Mrs. Arlene Haldeman from the board office and Mrs. Dorothy Lockert from Granite City High School South.

The local association is making plans to host the spring conference to be held at Stouffers Inn on April 24 and 25, 1976.

Car hits house

William E. Brandt, 17, of 2800 State St., was charged with reckless driving and driving the wrong way on a one-way street after his southbound auto struck several trees and a house in the 2500 block of Benton at 8:20 p.m. Monday.

Witnesses said a southbound car was on Benton Street and attempted to turn onto 26th Street, but was unable to negotiate the turn.

It went over the curb and into the lawn of Joseph Ribbing, 2564 Benton Street, damaging the lawn and several small trees.

It continued south and struck the house of Eva Sherer, 2560 Benton St. A tow truck and Illinois Power Co. repair crew were called to the scene.

$244 VAN BURGLARY

A tool box and tools worth $100, and 24 eight-track tape recordings worth a total of $144 were stolen from the van of Keith Wagner, 2132 Cottage Ave., parked at his home, it was reported at 7:40 a.m. Tuesday. The van has a citizens' band radio antenna, but Wagner had taken the radio inside his house. There were pry marks on a tape player, but it was not taken. Entry was gained by prying open a vent window.

Madison schools plan additional security aides

Parents concerned over security in Madison schools, particularly at the junior high school level, spoke at Thursday night's Madison Board of Education meeting.

Board President Harold T. Fisk responded, "We are all interested in having the best possible schools that we can, and in keeping the children safe.

"We are studying the applications of several persons to fill additional security positions at the schools, and the points brought up tonight will be looked into," Fisk told the gathering.

One parent, Mrs. Dixie Reed, said she found obscene pictures that had been drawn by a previous reader inside a school book issued to her daughter. She questioned whether the occurrence reflects adequate supervision.

She also alleged that marijuana is smoked in restrooms. "When I talk to the principal about it, he just tells me he is short of supervisors," Mrs. Reed told the board.

Supt. John Palcheff answered, "They have 14 people on duty for 180 children, which is a good ratio." She replied, "I'd like to know what the heck they are doing, then."

Replying to a question by Mrs. Joyce Neff, the superintendent said upstairs restrooms at Madison High School were closed for security reasons.

The school district is advertising for bids to construct additional downstairs restrooms for MHS students and to accommodate persons attending sports activities.

Comments were voiced Thursday night about children quitting Madison High School because of problems they encountered at the school.

A check of school records shows 38 students have withdrawn from MHS since the new term began Aug. 26.

Of the total, 25 left because their families moved to other Illinois cities or to points outside the state. Two dropped out of school and went to work, while eight left because of lack of interest in the instructional program, they indicated.

The district has 16 former Madison High School students in alternative education programs supervised by the Coordinated Youth Services.

Assigned to the CYS in the belief they could adapt better to a less structured program, they participate in home, classroom and vocational study.

MAKING APPLE BUTTER. Students in Walter Padgett's eighth-grade classes at Grigsby Junior High School got a touch of "early Americana" last week when, in keeping with their Bicentennial studies, they cooked dishes of their forefathers' time. Making apple butter, from left, Kenny Myracle, Lesilee McIntyre and Mike York. Students also made "Banncok" which is a bread made in a frying pan, and baked beans. *(Press-Record Photo)*

Poster contest to design Madison welcoming sign

The Madison-Venice Rotary Club, Madison Lions Club and Madison Amvets Post 204 are conducting a poster contest in grades six through 12 in the Madison and Venice schools for the design of a sign welcoming people to Madison.

When the winning poster is selected it will be painted professionally, using the winning design as a guide, on the south exterior wall of Tony Anselmo's tavern, 1500 Third St., which can be seen by northbound traffic on Madison Avenue.

Posters are to be turned into the offices of either Superintendent John Palcheff of Madison Schools, Superintendent Robert Vickers of Venice, or Sister Bernadette, principal of St. Mary-St. Mark School, by 4 p.m. Friday, Nov. 7.

The size of the poster, quality of the paper and coloring to be used are optional.

The message must convey the theme that the M-V Rotary Club, Madison Lions and Amvets are welcoming people to the city of Madison.

The winning student will receive a choice of a $25 U. S. Savings bond, a cassette tape player or an AM-FM radio.

The six finalists will be invited to lunch with the M-V Rotary Club on Wednesday, Nov. 12, at which time the winner will be announced.

You Are Invited
to Attend the
Special Open House
and Grand Opening of
"The Conglomerate"
a different gift shop
This Sunday — 12 to 4 P.M.

Eight pretty girls will be serving you delicious coffee and tasty goodies while you look around. See our fabulous gifts, imports, collectibles, hand made unusual things and elegant stuff.

Our main theme, "Turquoise", the heavenly blue stone, set in pure sterling silver for guys and gals of all ages. We offer authentic hand made rings, bracelets, necklaces, and earrings; many bearing the name of the Indian artist who created it . . . Navajo, Zuni, Hopi, Apache.

Turquoise (a great future investment) is high fashion for dress or casual — even jeans. The contemporary woman wears "Turquoise." And what a beautiful way to say,"I love you."

You will ENJOY the "Conglomerate" and you will LOVE our prices.

Located 311 W. Main St., Collinsville, Illinois

Halloween Haunts opening here soon

New Halloween adventures for young and old will enter the Quad-Cities area Saturday at 7 p.m. when the "Haunted Castle" will open at 1316 Madison Ave. On Tuesday, a "Haunted House" will open at 3924 Lake Drive, Pontoon Beach. Both will operate through Halloween night, Oct. 31.

The "Haunted Castle" will be operated for the third year by Explorer Post 10-4 sponsored by the Madison Police Department. The "Haunted House" will be operated by Explorer Post 255 sponsored by the Pontoon Beach police.

The "Castle" will feature a special Sunday matinee from 2 p.m. until 4 p.m.

Admission to both Halloween attractions is 75 cents for adults and 50 cents for children, with a donation by both groups being made to the United Way. Monies earned by the two Explorer Scout groups goes to help sponsor their activities throughout the year.

According to "Count Dracula," a featured attraction at the Haunted Castle, several new friendly friends and assorted creatures will be added to the "Castle." Special attractions include Dr. Doom's laboratory, the Hanging Man, the Mummy's Tomb, Bat Cavern and the Wild Man.

The "Haunted House" opening Tuesday, Oct. 28, will feature a celebrity grave yard, witches, Mr. Bones, a fortune teller and assorted seasonal things.

Horror movie for Halloween

A new film "The Vault of Horror" will be shown in Granite City on Halloween night at a special midnight program at the Washington Theater.

Max J. Rosenberg and Milton J. Subotsky, who produced "The House That Dripped Blood" and last year's horror picture "Tales From the Crypt," have put together a group of five separate, but related stories of ghouls, hammer-wielding housewives, gourmet vampires and revenge-mad lovers, according to Charles Van Bibber, theater manager.

The screenplay, by Co-Producer Subotsky, is based on five original stories from the E. C. Comic Magazines published by William M. Gaines, he said.

It stars Dawn Adams, Tom Baker, Michael Craig, Denholm Elliott, Glynis Johns, Edward Judd, Curt Jurgens, Anna Massey, Daniel Massey, and Terry Thomas.

"Vault of Horror" was directed by Ron Wardbaker, who also guided "Asylum." His credits range from the Marilyn Monroe thriller, "Don't Bother to Knock", to "A Night to Remember," the true story of the sinking of the Titanic, Van Bibber said.

"Vault of Horror" is a Metrimedia-Amicus production which is being distributed by Cinerama Releasing Corp.

Madison JHS honor roll

Students making the "B" (above average work) honor roll at Madison Junior High School for the first six-weeks period are:

Kim Bennett, Tom Blackshere, Veronica Borney, Edmund Branch, JoAnn Broks, James Burns, Donna Burris, Cindy Butler, Troy Butler, Lisa Ely, Beryl Foreshee.

Eddie Forister, Rebecca Guenther, Suzette Hamilton, Gloria McNeil, Geraldine Reed, James Riskovsky, Michelle Rumble, Donna Smith, Matthew Thomas, Carla Walker, Jimmy Godair.

Shrine Club Fish Fry this weekend

A two-day fish fry sponsored by the Tri-City Shrine Club will be held Friday and Saturday at the Crossroads Shopping Center from 10 a.m. to 9:30 p.m., both days, it was announced by Chester Dean, president of the club.

The menu for the fund-raising project is to include a fish sandwich costing 90 cents and a fish plate with French fries, pickles, slaw and bread at $1.50, the president reported.

Mexican youth group to seek new members

A membership drive in which each member is being requested to involve at least four new members was discussed during the monthly meeting of the new Mexican Honorary Commission Youth Group early this week at the Commission Hall.

Armando Martinez, Economic Opportunity Outreach worker for Madison County, encouraged the youths to know who they are and be proud of their heritage.

He cited some examples of little-known facts of the Mexican people. Martinez emphasized that reading is an integral part of learning about heritage.

He stressed that there are many important facts concerning Mexican-Americans to be found in books.

He is interested in starting a system whereby the club may have easy access to this kind of literature.

It is standard practice for a guest speaker to be at each meeting.

The membership committee report was given by Monica Grinn.

A bake sale is to be held in early December. Plans were discussed by the group.

Projects for Christmas also were discussed, including Christmas baskets and a trip to Maryville Orphanage to entertain the children approximately a week before Christmas.

Vincent Martinez was commissioned as chairman of the Christmas baskets program while Raymond Lopez was appointed chairman of the orphanage project.

A publicity committee, headed by Raymond Lopez, was formed.

The meeting was adjourned, after which refreshments were served.

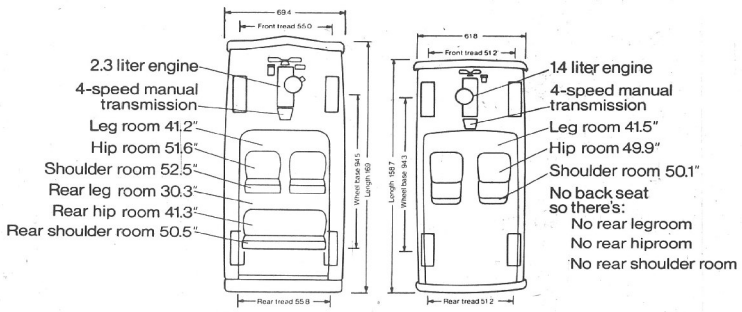

The next meeting will be Nov. 30 at the Commission Hall on Spruce Street.

SCANNER RADIO GONE

Scanner radio equipment valued at $29 and four cartons of cigarettes, worth $17, were stolen from the home of Jerry Conner, 2034 Iowa St., he reported this week.

Introducing Ford's brand-new Pinto Pony MPG.

It's not how small you make it, it's how you make it small.

Pinto Pony MPG	COMPARE	Chevette Scooter
4	Passengers	2
92	Horsepower	52
2558	Weight	1931
38 highway 25 city	EPA mileage rating	40 highway 28 city
$2,895	Base sticker price	$2,899

MORE ABOUT PRICE. Price quotations are base sticker prices excluding title, taxes and destination charges. Actual prices and comparisons will vary by dealer.

MORE ABOUT MILEAGE. Since these are EPA estimates, your actual mileage will vary depending on your car's condition and optional equipment and how and where you drive. California ratings lower.

More car for the money.
For about the same money as the 2-passenger Scooter, you get more car in the Pinto Pony MPG. It has 4-passenger room a bigger 2.3 liter engine, 627 pounds more road-hugging weight. Yet Pinto Pony MPG still has EPA estimates of 38 mpg highway, 25 city. See box above for details.

Sticker priced less than the 2-passenger Chevette Scooter, $203 less than the 4-passenger base Chevette.

While the 2-passenger Chevette Scooter has a low price, don't expect carpeting (it has rubber floor mats), upholstered interior door panels (fiberboard), chrome bumpers and hubcaps (painted), and many other interior convenience features. Don't even expect a back seat (the base Scooter doesn't even have one).

For a little less money than the Scooter, you can drive a Pinto Pony MPG that includes a lot of things the Scooter leaves out.

Compare the new Pinto Pony MPG to the Chevette Scooter or any other small car.

Pinto Pony MPG's road-hugging weight, wide stance, big engine, high EPA ratings and low price all add up to outstanding value.

Pinto Pony MPG.
More car for the money.

Area couples repeat vows in early fall weddings

Dawn Mercer becomes Mrs. David Garrison

The Rev. Randol L. Mercer performed the wedding ceremony Sept. 27, uniting in marriage his daughter, Miss Dawn DeLee Mercer, and David A. Garrison at the Edwardsville Assembly of God Church.

Parents of the groom, Mr. and Mrs. Gerald Garrison, reside in Joplin, Mo. The Rev. and Mrs. Mercer, parents of the bride live at 643 Colonial Drive, Wood River. They are former residents.

Mrs. Vickie Simpson of Granite City, a cousin of the bride, sang a selection of nuptial music, accompanied at the organ by Mrs. Donna Jean Schubert of Edwardsville.

For her wedding, the former Miss Mercer wore a floor length A-line gown of ivory chiffon styled with a high neckline and long sheer puffed sleeves. The high-rise waistline was trimmed in jeweled ivory Chantilly lace.

A jewel-accented chiffon bonnet secured her chapel length veil of imported silk illusion. She carried a Bible covered with ivory lace and topped with a gardenia corsage, stephanotis and baby's breath.

Honor attendant Mrs. Jocelyn Mercer, a sister-in-law of the bride, selected a long ivory gown embossed with pink flowers and designed with short puff sleeves.

She held a white lace parasol festooned with tiny pink carnations, baby's breath and greenery.

Renee Roderick, the bride's cousin, was dressed in a long frock of pink voile. She held a white basket of pink blossoms.

Craig Sergerson served as the ringbearer.

Attending the groom as best man was Sam Weston. Ushers were Bruce Weston and Jim Cox.

A reception was held at The Well, a community center at Cottonwood Station.

The newly married Mr. and Mrs. Garrison are residing in Springfield, Mo. The bride is employed as a teacher by the Ozark Elementary School System. Her husband works for Lifetime Enterprises, Inc.

MARRIED. Mr. and Mrs. David A. Garrison, who were married at the Edwardsville Assembly of God Church. The bride is the former Dawn DeLee Mercer, a daughter of the Rev. and Mrs. Randol L. Mercer of Wood River, former residents.

MR. AND MRS. LARRY MANGI, whose wedding took place at St. Elizabeth Catholic Church. Formerly Miss Cheryl Schnefke, the bride is a daughter of Mr. and Mrs. Charles Schnefke, Rural Route One, Granite City.

(Gravemann Photography)

Mangi-Schnefke nuptials at St. Elizabeth Church

The wedding of Miss Cheryl Schnefke, a daughter of Mr. and Mrs. Charles Schnefke, Rural Route One, Granite City, and Larry Mangi, son of Mr. and Mrs. Anthony Mangi, 3246 Willow Ave., was solemnized on Sept. 6 at St. Elizabeth Catholic Church.

Altar bouquets of multi-colored mums provided the setting for the 2'clock afternoon double ring ceremony, performed by the Rt. Rev. Msgr. Lawrence Mattingly.

Organist Ruth Jansen, a cousin of the bride, accompanied Donna Peters, who sang "Follow Me," "Colour My World" and "Wedding Song."

For her wedding, the bride selected a full-length white knit gown designed with an empire bodice featuring a chiffon overlay, trimmed with pearl edging and long full sleeves of embroidered chiffon.

The princess-style skirt and detachable chapel train were accented with an overlay of chiffon and pearl motifs.

She wore a Juliet cap of seed pearls and lace to secure her elbow-length veil and she carried a colonial bouquet of white pom pons, carnations, baby's breath and red Sweetheart roses.

Honor attendant Miss Nancy Schnefke, a sister of the bride, chose a seafoam blue halter style gown embossed with tiny flocked flowers and complemented with a long sleeved jacket and matching wide brim hat.

Bridesmaids Mrs. Pat Hall, Miss Debbie Schnefke, both sisters of the bride, and Miss Cathy Kutosky wore identically styled gowns in apricot, mint green and yellow.

Each held a bouquet of carnations in hues to match her attire, intermingled with baby's breath.

Flower girls Christine McGee and Dana Tite, nieces of the groom, were dressed in white frocks enhanced with tiny flowers and lace trim at the neckline and on the sleeves and bodice.

They also wore picture hats and held white baskets of colored carnations.

The groom chose Terry Mangi, his brother, as best man. Groomsmen and ushers included Dale Campbell, Ken Hall, the bride's brother-in-law, Duane Georgeff, Robert and David Schnefke, brothers of the bride, Joe Schnefke, the bride's cousin, and Mike McGee, a nephew of the groom.

After the service a reception was held at the VFW Hall for 500 guests. The rehearsal dinner was hosted by the groom's parents at the Venice Social Club.

Mrs. Schnefke, mother of the bride, was attired in a full-length beige knit gown with gold trim. The groom's mother, Mrs. Mangi, appeared in a long dress of pastel green chiffon over polyester crepe. Both wore white carnation corsages.

Mary Ellen Schnefke, a cousin of the bride, presided over the guest book.

The bride graduated from Granite City High School and is employed at St. Elizabeth Hospital as a certified operating room technician.

A graduate of Assumption High School, the groom also attended Southern Illinois University at Edwardsville. He works as a sales repair manager at Triangle Typewriter and Supply.

They are now residing in Granite City after a honeymoon trip to the Missouri Ozarks.

MRS. RON SHAVER, the former Miss Phyllis Pellegrino, who was married Oct. 19 at St. Jacob United Church of Christ, St. Jacob, Ill. She is a daughter of Mr. and Mrs. Joseph Pellegrino of Alton.

(Lazenby Photo)

Miss Phyllis Pellegrino and Ron Shaver are wed

The wedding of Miss Phyllis Pellegrino, 2880 Iowa St., and Ron Shaver, 2039 Pontoon Road, was solemnized Oct. 19 at St. Jacob United Church of Christ, St. Jacob, Ill.

Officiating at the double ring ceremony at 1 o'clock in the afternoon was the Rev. James Bell.

Parents of the bridal couple are Mr. and Mrs. Joseph Pellegrino, 3826 Oscar St., Alton, and Mr. and Mrs. Russ Shaver, 2051 Rhodes St., Madison.

Escorted down the white carpeted aisle by her father, the bride wore a formal gown of pure white satin, featuring a fitted bodice trimmed at the neckline with scalloped Venise lace. The lace was repeated on the cuffs of the long sleeves. Her gown was designed and made by her mother.

A lace jacket, tied in the front, was accented with a pearl pin and the long skirt was appliqued with lace motifs.

She chose a mantilla veil of imported bridal illusion secured to a lace Juliet cap, and she held a crescent bouquet of red roses and white blossoms.

Honor attendant Mrs. Steve Angelo, a sister of the bride, chose a long royal blue knit dress complemented with a matching jacket and picture hat. She held a floral arrangement of red roses and mixed flowers in winter blue hues with baby's breath.

Otis Gosnell attended the groom as best man. Serving as ushers were brothers of the bride, James and Charles Pellegrino.

For her daughter's wedding, Mrs. Pellegrino selected a formal gown of olive green silk made with a floral print collar and worn with matching accessories.

Mrs. Shaver, the groom's mother, wore a long dress created in beige knit with a multicolored jacket. Both mothers had white orchid corsages intermingled with rhinestone hearts, baby's breath and lace bows.

After the ceremony, guests were received by the newly married couple at an open house reception held in the home of the bride's parents. The bride and groom hosted the rehearsal dinner.

Assisting at the reception were sisters of the bride, Cindy, Nannette and Sara Pellegrino.

A 1970 graduate of Alton High School, the former Miss Pellegrino is now employed as a hairstylist at the Razor's Edge Barber Shop.

The groom is a graduate of Madison High School and is part owner of the Razor's Edge Shop.

Nona L. Hansen marries Douglas M. Litzelman

Miss Nona L. Hansen, a daughter of Mr. and Mrs. Howard C. Hansen, 601 Peters, Green Bay, Wis., and Douglas M. Litzelman, son of Mr. and Mrs. Albert Litzelman, 16 Fontainbleau Drive, were united in marriage on Oct. 4 at the Atonement Lutheran Church in Green Bay.

A double ring ceremony was performed at 7 p.m. in a candlelight setting by the Rev. Eldon Olson.

Maid of honor was Miss Vicki Hugstad and the bridesmaids were Misses Cynthia, Francene and Elaine Litzelman, sisters of the groom.

The groom chose Ronald Briggs as his best man. William Arnold, Joe and Robbin Hansen, brothers of the bride, and David and Stephen Spinner, cousins of the groom, completed the corps of groomsmen and ushers.

A reception was held at the Green Bay American Legion Hall after the ceremony.

The newly married couple is residing in Granite City following a wedding trip to Daytona Beach, Fla.

Both young people graduated from Preble High School in Green Bay. The bride also attended Lutheran College.

The groom attended the University of Wisconsin and University of Arkansas. He is now employed as manager of Dairy Queen.

Jaycee-Ettes to aid local family

Jaycee-Ettes Club members agreed to assist Mrs. Cindy Long and her triplets with a special gift during a meeting held last week in the home of Mrs. Sharon Cooper.

A handmade article was won by Mrs. Linda Weible, who will host the November dinner meeting.

Refreshments were served by the hostess to Linda Holtgrave, Nancy Krause, Marlene Ross, Peggy Hoffmann, Wanda Hill and Pat Aleman.

Miss Becky Hinckle wed in candlelight ceremony

Wedding vows were repeated by Miss Becky Hinckle and Bob Garland at 7 p.m. Sept. 6 at the Troy United Methodist Church with the Rev. Gary Scheller officiating at the double ring ceremony in a candlelight setting.

The bride is a daughter of Mr. and Mrs. James Hinckle, Troy, Ill. Parents of the groom, Mr. and Mrs. Robert Garland, reside in Granite City.

Given in marriage by her father, the bride was attired in a full-length gown of white organza over taffeta. Venise lace, edged with a tiny ruffle, accented the high neckline, empire bodice and upper part of the long sleeves.

A double lace flounce bordered the A-line skirt which swept into a chapel train.

She wore a lace covered camelot hat to hold in place a fingertip veil of bridal illusion. Her bouquet was made up of white carnations and orange roses.

Matron of honor Mrs. Carol Abel and bridesmaid Miss Jean Hinckle, both sisters of the bride, chose identical long dresses in orange crepe, featuring multicolored ruffles at the necklines and on the cap sleeves.

They wore white lace headpieces trimmed with orange ribbons in their hair and carried bouquets of carnations, interspersed with matching colored ribbons.

Kelly Reed, a niece of the groom, served as flower girl. She was gowned in a long frock of white polyester over orange crepe.

The bride's cousin, Tom Land, was the ringbearer.

Attending the groom as best man and groomsman were his brothers, Mike and Steve Garland. Guests were seated by Jim Abel and Doug Dobek. The candlelighters were Joe Hinckle and Greg Garland.

Connie Froehrkalb accompanied Robin Nunn, who sang "If" and "The Wedding Song" preceding the ceremony.

A buffet reception was held at the Troy American Legion Hall after the ceremony.

The bride is a 1973 graduate of Triad High School and the Kay Jansen School of Beauty Culture.

The groom was graduated from Granite City High School and attended Southern Illinois University at Edwardsville. He is now employed at Schnuck's Market in Granite City.

The couple is now residing in Brighton, Ill.

MR. AND MRS. BOB GARLAND. They were married in an evening ceremony at Troy (Ill.) United Methodist Church. She is the former Miss Becky Hinckle, a daughter of Mr. and Mrs. James Hinckle of Troy.

MR. AND MRS. EDWIN MEYLING

Mr., Mrs. Edwin Meyling mark golden anniversary

Mr. and Mrs. Edwin Meyling, 2318 Edison Ave., celebrated their golden wedding anniversary during the weekend at a dinner party held at Doback's Restaurant in Fairview Heights.

Mr. Meyling and his wife, the former Freda Bashick, were married on Oct. 17, 1925 at St. John United Church of Christ, with the late Rev. Karl Dexheimer officiating.

Both are lifelong residents of Granite City and long-time members of the church.

Mr. Meyling was employed as a wood patternmaker at General Steel Industries for 40 years and retired in 1966.

They have a daughter, Mrs. Otto (Vera) Willaredt of Bettendorf, Ia., and a son, Donald Meyling of Montgomery, Ala., who is married to the former Margie Guy.

The honorees also have five grandchildren, Mrs. Linda Sutherland of Rock Island, Ill.; Mrs. Debra Harvey, Sioux City, Ia.; and Dawn, Charles and Angela Meyling of Montgomery; and two great-grandchildren, Naomi Sutherland and Jennifer Harvey.

Mr. and Mrs. Meyling plan another observance of their anniversary in November when all members of the family can attend.

Emerson PTA plans chili supper

Emerson pupils wearing Halloween costumes who attend a chili supper at the school on Thursday, Oct. 30, will be eligible to be judged in a Halloween contest from 6 to 6:30 p.m. in the gymnasium, it was announced today.

The chili supper is open to the public, but only Emerson students attending the event may compete for trophies and prizes, organizers reported.

Categories of competion will include: most original, prettiest, funniest and ugliest. A "grand" prize also will be awarded.

Tickets costing $1 each may be purchased in advance at the school from 8:15 to 8:45 a.m. daily through Oct. 27. Ticket price will be $1.25 each at the door.

The menu will consist of chili or chili dog, beverage and a dessert. Carryouts will be available, but containers must be provided by the individual customer.

Emerson PTA members, sponsors of the supper and costume judging event, have invited the public to join in the fun project.

McKinley PTA plans events

The executive board of McKinley School PTA completed plans for a Halloween parade and party at a meeting held at the school last week.

Board members discussed decorating the gym as a "haunted castle" with the costumed students starting a parade through the "castle" at 1:30 p.m. and returning to their classrooms for refreshments.

Members also agreed to purchase candy filled stockings for Christmas treats and to plan an Easter program for the general PTA meeting in April.

Principal Gary Pfroender announced coming projects planned with a Bicentennial theme will include a "red, white and blue" day on Nov. 10 when the pupils and teachers will wear clothing in keeping with the colors. All will gather in front of the school for a group picture with the school's Bicentennial flag.

He also reported the fifth grade students of Mary Moran will write to U. S. Representative Melvin Price requesting a capitol flag.

In observance of safety awareness week, Casey Krakoweicki, sixth grade teacher, filmed a movie using three students from each class. The film emphasizing good safety habits will be shown to the student body.

FORMER RESIDENTS VISITING HERE

Mr. and Mrs. Clarence (Leona) Zimmerman of Cherokee Village, Harding, Ark., formerly of Venice, are visiting in the Quad-City area this week.

The Zimmermans, who moved to Arkansas 10 years ago, are guests of their seven daughters and a son residing here.

Cynthia Arnold is betrothed

Mr. and Mrs. Earl E. Arnold, 3858 B St., are announcing the engagement of their daughter, Miss Cynthia Marie Arnold, to Phillip Andrew Davis, a son of Mr. and Mrs. William Davis, 3240 Aubrey Ave.

A graduate of Granite City High School North, the bride-elect is employed by the Meat Cutters Local 534.

Her fiance was graduated from South High School and is a junior student at Southern Illinois University at Edwardsville, where he is majoring in history.

The engaged couple is planning to be married on Aug. 14.

Shower honors Connie Lynch

Miss Connie Lynch was guest of honor at a bridal shower given at Hope Lutheran Church parish hall by Viola Reiske, Karen Szedlar and Linda Stearns.

The hostesses used a yellow daisy theme in the table appointments. They directed games and awarded prizes to the winners. A luncheon was served to 45 guests.

Assisting the honoree in opening the gifts were her two sisters.

Miss Lynch, a daughter of Mr. and Mrs. Ronald Lynch of Cahokia, will become the bride of James E. Kueker, son of Mr. and Mrs. Arnold Kuecker of Granite City, on Saturday evening. The wedding will take place at the Cahokia United Methodist Church.

Ladies Coterie hosts bus trip

Twenty-three members and 12 guests of the Ladies Coterie enjoyed an all-day excursion to the Doll House museum in Elsa, Ill., and a picnic lunch at Pere Marquette State Park near Grafton, on Thursday.

The trip was made by bus and arranged by Mrs. Clarence Boettiger. Especially enjoyed by the group was the scenic drive through areas of the country displaying autumn colors in trees and bushes.

Mrs. James Fox was hostess and served a dessert course after the luncheon.

Guests attending included Mesdames Keith Edwards, E. R. Alborn, William Worley, Katheryn Smith, Russell Johnson, Thelam Mathews, Alta Turner, Lee Stevens, Golda Boyle, Geraldine Dawdy, Dean Schopp of Milwaukee, Wis., and Miss Sandra Worley.

The next meeting on Nov. 6 will be held at the First United Presbyterian Church with Mrs. Lyndell Hagaman as hostess.

Mini-trips subject of Pi Eta Chapter

Mrs. Charlotte Charbonnier, 2808 Warren Ave., was hostess to members of Pi Eta Chapter, Beta Sigma Phi Sorority, last week, and also was in charge of the program.

She gave a review of several mini-trips to points of interest in the southern Illinois area.

A discussion also was held on the Fashion Show to be held tonight at St. John United Church of Christ and a trip to the Plantation Dinner Theater.

Those attending the session were Mary Ruth Snelson, Jerry Turner, Barbara Kennerly, Waneta Graham, Beverly Bennett, Betty Beck, Judy Onesky, Donna Vehling and a guest Janice Patton.

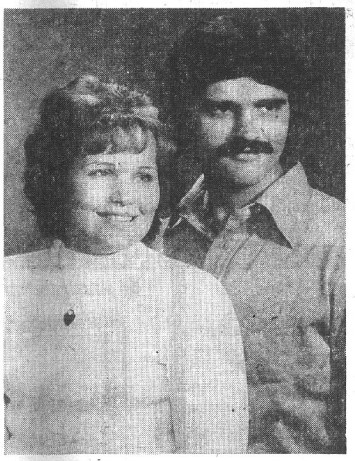

MEDICAL ASSISTANTS DINNER IS TONIGHT

The St. Clair County Chapter of the Illinois Society of Medical Assistants will meet at Tony's Restaurant, Belleville, at 7 o'clock tonight. Cocktails will be served at 6:30.

Clothing orders may be picked up at tonight's meeting and reservations for the Christmas party also must be paid, Mrs. Leanora Sutek, publicity chairman, announced.

TO MARRY. Miss Cynthia Marie Arnold, whose engagement to Phillip Andrew Davis, is being announced by her parents, Mr. and Mrs. Earl E. Arnold, 3858 B St. An Aug. 14 wedding is planned.

ENGAGED. Miss Debra Jean Rich and Dan H. Brimer, whose engagement is being announced by her parents, Mr. and Mrs. Eulie B. Rich, 3014 Washington Ave. A December wedding is planned. (Lazenby Photographer)

Brimer-Rich betrothal told

Mr. and Mrs. Eulie B. Rich, 3014 Washington Ave., are announcing the engagement and approaching wedding of their daughter, Miss Debra Jean Rich, to Dan H. Brimer, son of Mr. and Mrs. Hollis Brimer, 309 Washington Ave., East Alton.

Plans are being completed by the couple and their families for a wedding on Dec. 14 at Bethel Chapel, with the Rev. Wilney Markham officiating.

A graduate of Granite City High School South, the bride-elect is now employed as an office clerk at American Steel Foundries.

Her fiance was graduated from Wood River High School and will graduate from Southern Illinois University at Edwardsville on Dec. 11. He works at National Foods in Edwardsville.

Weight watchers graduation

Mr. and Mrs. Ellis (Peggy) Hackney of Granite City, who serve as area captains for Keep Off Pounds Sensibly (KOPS), hosted a graduation rally at Granite City High School South for 300 members representing 30 chapters.

Mayor Paul Schuler gave the welcoming address at the event, which began at 1:30 in the afternoon and continued until 9 p.m.

Dorothy Donohue of Granite City Chapter 645 introduced special guests, Marge Thurman of Carthage, Ill., area supervisor; Rose Ann Brown of Quincy, Ill., and Barbara Wilt of Bushnell, Ill., area captains; Jolene Brady of Granite City and Janet Skinner of Wood River.

Onie Hemmer of Belleville Chapter 854 was named "sweetheart" for the day and many prizes were awarded in various categories.

Local residents accorded honors included Ellis Hackney, Jeanette Zimmerman, Shirley Sobolewski and Betty Allen.

Graduates included Virginia Sever, Sue Harmon, Florence Lehnen, Jean Weiss, Donna Wilson, Verna Gaines, Shirley Motto, Verna Allen, JoAnn Hermann, Irene Filippini, Blanche Rulo, Lillie Sculley and Ruth Ann Burley.

Entertainment was provided by the Kalorie Kids Kitchen Band from the Troy Chapter 603.

VFW, auxiliary host seniors at dinner dance

VFW Post 1300 and Auxiliary hosted a masquerade dinner dance for Granite City senior citizens at the Post Home, 2044 Washington Ave. Chicken and ham dinners were served with refreshments and sandwiches available the rest of the evening.

Costumes were judged and prizes awarded to the most interesting, funniest, and original spooks. Dancing followed the dinner.

The VFW and Auxiliary has served the senior citizens luncheon at the Township Senior Citizen Center, 1918 Edison Ave., on past occasions.

"We want everyone to know how much we appreciate what these people have done for the senior citizens of Granite City, Edgar Paddock, president of the Senior Citizens Council, said.

Guests for the evening were Granite City Township Supervisor and Mrs. Nelson Hagnauer, Mayor and Mrs. Paul Schuler, Sheriff and Mrs. John Maeras, Fire Chief and Mrs. Don Parente, and Herbert Milton, member of the Madison County Board.

Beta Sigma Phi Council meets

The Beta Sigma Phi Sorority City Council meeting was conducted by President Mrs. Linda Koenig in the home of Mrs. Arlene Haldeman last week.

Discussed during the session were several ways and means projects and the annual Valentine Dance which will be held on Feb. 14 at the Holiday Inn, Collinsville.

Chapter representatives present were Marilyn Lumpkins, Mrs. Koenig, Xi Epsilon Chi; Debbie Parmley, Cindy Mucho, Theta Theta; Mary Ruth Snelson, Pi Eta; Pat Howard, Xi Theta Omega; Barbara Wagner Hente, Theta Iota; Mrs. Haldeman, Pat Tsigolaroff, Preceptor Beta Gamma, and Linda McKechan, Nu Zeta.

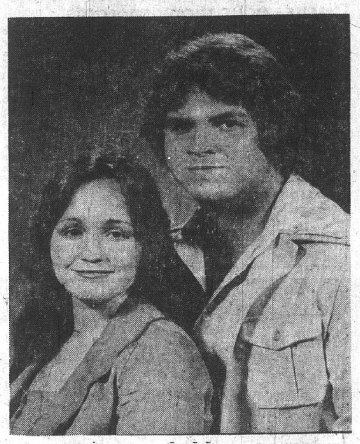

The hostess served a dessert luncheon after the meeting. Mrs. McKechan invited the group to meet in her home, 89 Shirlwin Drive, for the Nov. 11 meeting.

BUNKO-ETTES HONOR MRS. HELEN LIPCHIK

Mrs. Julia Portell, 2335 Pontoon Road, was hostess to the Bunko-Ettes Club last week and presented a gift and cake to Mrs. Helen Lipchik in honor of her birthday.

During the evening games were played and prizes won by Mesdames Ruth Partney, Helen Santagato, Dorothy Barnett, Rose Druhe and Juanita Blevins.

A late luncheon was served by Mrs. Portell to those named and to Mesdames Leona Delaloye, May Ebling, Angie Buehler and Florida Batson. Mrs. Santagato will entertain the group in her home on Nov. 4.

BETROTHED. Miss Sharon V. Mang and Alex A. Biason, whose engagement and plans for a June wedding are being announced by their parents, Mr. and Mrs. Bernard C. Mang, 2600 Jerden Ave.

Biason-Mang engagement

Announcement is being made of the engagement of Miss Sharon V. Mang and Michael A. Biason by the bride-to-be's parents, Mr. and Mrs. Bernard C. Mang, 2600 Jerden Ave.

The prospective groom is a son of Mr. and Mrs. Alex A. Biason, 2114 Cheshire Court. He is a student at Southern Illinois University at Edwardsville.

Miss Mang presently works for General American Life Insurance Co. in St. Louis.

The engaged couple is completing plans for a June wedding.

Discuss education programs

Alternative education was the topic discussed by the Citizens Advisory Committee and the Community Workshop Committee of the Madison School District at a joint meeting held at the office of the Madison Superintendent of Schools.

Mrs. Carol Werner, director of instruction, and Charles "Bud" McMillan, director of Coordinated Youth Services, were guest speakers.

Many students who have problems in a regular classroom setting can make a satisfactory adjustment and complete their high school education through an alternative program designed to meet the psychological as well as the academic needs of the student, it was noted.

Superintendent of Schools John Palcheff presided at the meeting and thanked everyone for working to secure votes in the Sept. 27 bond election.

Smorgasbord at Polish church

Several favorite Polish foods, in addition to chicken, roast beef, salads, hot and cold vegetables and ethnic and standard desserts will be featured Sunday at the annual smorgasbord dinner of the Sacred Heart Polish National Catholic Church in Madison.

The event will be held in the parish hall, 930 Reynolds St., Madison. Serving will be from 11 a.m. until 6 p.m., with carryouts available.

Tickets are $3 for adults and $1.50 for children and may be purchased at the door or in advance from church members.

The smorgasbord is open to the public.

Funds for ramp to assist handicapped, winter home repair

The Madison County Community Development Committee and members of the Citizens Committee have allocated $52,000 in community development funds to participating jurisdictions in the county.

The committee is composed of five district mayors and two county board members. It consists of: Paul Lenz, District 1; Paul Schuler, District 2; Wilbur Kurmann, District 3; Lew Krause, District 4; William Steib, District 5; Nelson Hagnauer, chairman, and H. Jack Frandsen, member, Madison County Board.

The committee members voted to support the following projects which they determined were of a special need due to the timing or urgency:

Madison County ramp for the handicapped, $6,000; Wood River interim stormwater relief, $3,000; Venice-McKinley Bridge project, $1,560; Moro Township, local share, sewage collection systems, $7,525.

Olive Township, acquisition of property, $3,500; Glen Carbon, village park equipment, $2,150; Jarvis Township, tri-township park road, $15,000.

Helvetia township road and drainage improvement, $3,000; and South Roxana, $5,000 for storm drainage channel improvement.

The committee also voted to set aside $5,000 of its housing funds to support a proposed home winterization program of the Madison County Economic Opportunity Commission.

The Commission has requested a $100,000 grant from the State EOC for this program, designed to provide immediate attention to the winter home repair needs of low-income residents.

FISCHER FOUNDATION PRESIDENT. Harold R. Fischer (right) of Granite City, newly-elected president of the Southern Illinois University Foundation at Edwardsville, presents a past-president's plaque to Kenneth Anderson of Highland "in appreciation of his services to the Foundation for the past two years." Anderson will continue as a member of the Foundation's Board of Governors until 1978. Other members of the Board of Governors include Mrs. Maurice Dailey, Russell C. Solomon, John A. Shelley, Mrs. Gene Sternberg and Mrs. Margaret Blackshere, ex-officio, designated by the chairman of the SIU Board of Trustees.

GOLDEN FRIED SHRIMP DINNER EVERY DAY AT GRANT'S—$1.98

Corrie is awarded Venice scholarship

JEFF CORRIE

Jeffrey Corrie was the recipient of the 12th annual scholarship awarded by the Venice Women's Club, at the Venice Recreation Center.

He is the son of the late John W. Corrie and of Mrs. Peggy Corrie, 1301 Robin St.

A 1975 Venice High School graduate, he was validictorian of his class, a record he has maintained throughout his school years.

Corrie was co-captain of the basketball team, a four-year letterman, and a member of the student council and other school organizations.

He is a freshman at Lincoln Trail College, Robinson, Ill., on a basketball scholarship.

Qualifications for the Women's Club scholarship are based on intelligence, honor, leadership and achievement. The recipient must be a Venice High School graduate.

The club of 33 members has provided over $6,000 in scholarships and youth-related programs.

The Salem School of Dance presented a program featuring the students, directed by Mrs. Marge Salem.

Participants were Marilyn and Ann Sycyepancik, Cindy and Lynn Jeffries, Bonnie Luebbert, Lia Salem, Karen and Kim Myracle, Becky and Missy Kayzak.

Jackie and Suzanne Gray, Linda Foster, Lori Diak, Rebecca Papa, Heather Skubish, Becky Garcia, Gina Mangiaracino, Christi Ebersoldt, Boleyn Allen, Linette Maier, Beth Callahan, Andria Suareg, Debbie Strain.

Gwynne Johnson, Kim Ebersoldt, Amy Uhlendorf, Christie McDaniels, Jill Kinder, Amy Adelsberger, Dianna Orris, Sue Hubner, Cheryl Hutchings, and Gay Wright.

Hostesses, Mrs. Margaret Seibert, Mrs. Josephine Johnisee, Mrs. Hazel Painter, Mrs. Ilsa Bauer and Mrs. Nora McCord, served a dessert course from tables decorated in a Halloween theme.

Other members attending were Mesdames Alice Mitchell, Bertha Pace, Christie Goff, Ruth Cavner, Rose Scaturro, Loretta Ziegler, Ann Boelling, Elsie Cavner, Naomi Boelling, Ora Anderson, Vivian McKinney, Rhea Buente, Dorothy Koelker, Mamie Ponce, Jessie Foley, Ann Hartman, Bess Snell and Madonna Groshong.

Eagles annual dinner Nov. 6

The Granite City Eagles Aerie 1126 will hold its annual fund-raising dinner for the benefit of senior citizens at 6:30 p.m. Thursday, Nov. 6.

Proceeds from the annual event are used to provide Thanksgiving dinners, Christmas baskets and mobile meals for the elderly.

Tickets for the dinner cost $3 and are available from Eagles members or at the Eagles' hall, 2600 Madison Ave. Those planning to attend are requested to obtain tickets in advance.

Canteen committeeman praises Wolf selection

Cloyd "Pep" Marshall, a Democratic precinct committeeman in Precinct 9 of Canteen Township for the past 12 years, has taken exception to remarks by Canteen Township Supervisor Joseph Segech that the appointment of Sam W. Wolf of Granite City as state representative was illegal.

"I am tickled to death the way things went, and I'm certain some of the other committeemen in Canteen are well satisfied," Marshall said in reference to Wolf's appointment as state representative of the 56th Legislative District by the weighted Madison County vote cast for Wolf by Nelson Hagnauer, chairman of the Madison County Democratic Central Committee.

Canteen Township, which has 12 precincts, is the only part of St. Clair County which is located in the 56th Legislative District. The rest of the district includes 12 Madison County townships, including the Quad-City area.

Segech, who had been proposed as a nominee for the state representative post, said after Wolf's appointment was announced Oct. 9 that Canteen Township committeemen had no voice in the state representative selection, and that the township "has no business in the 55th district."

Marshall, however, said, "I don't think we can say that Canteen Township has been neglected.

"Anytime I ever contacted Nelson Hagnauer or any of the state representatives for help of any kind, they always fell over backwards to do what they could for us.

"They have worked hard for the interests of Canteen Township. I certainly have no argument with the selection of Mr. Wolf and I have no axes to grind.

Noting that he was speaking on his own behalf, and not for the Canteen Township committee as a whole, Marshall said that recent projects in which the state legislators of the 56th district aided Canteen Township include the $780,000 reconstruction of the intersection of Black Lane and Route 40, and securing of revised train schedules by the Penn Central to eliminate long freight train blockages on Black Lane.

Hagnauer, meanwhile, denied Segech's charges that Wolf's appointment was "steamrollered" without consultation with the Madison County Democratic Central Committee.

He said that he met with the executive committee of the county committee prior to the appointment and there "were no votes cast against Wolf."

Hagnauer said there was no vote at that time, but that the executive committee later recommended Wolf for appointment as state representative and recommended that Hagnauer notify Barney Metz of Dupo, chairman of the St. Clair County Democratic Central Committee, of the selection of Wolf.

The Canteen Township Committee later met and recommended Segech. Metz informed Hagnauer of that selection and Metz and Hagnauer met as the Legislative Committee to vote on the appointment.

Hagnauer said he cast his weighted vote of 28,000 votes for Wolf and Metz cast his 4,120 votes for Segech.

Both Metz and Hagnauer then signed the appointment documents agreeing that Wolf had been selected on the basis of the weighted vote.

Enrollment jumps again in community colleges

Community college enrollments statewide jumped 24 per cent this fall. Estimates based on preliminary data from the Illinois Community College Board (ICCB) indicate the community colleges have enrolled 331,000 students, more than the combined enrollments of all other Illinois institutions of higher education both public and private.

The headcount enrollment is based on figures the ICCB collects from the community colleges statewide and are expressed in terms of full-time equivalent students (FTE). The annualized FTE figure (includes summer, fall, and spring enrollments) is 169,000.

William R. Keel, president of Belleville Area College, said Belleville Area College registered a 25 per cent increase this fall enrolling 10,000 students, 2,000 more than last fall.

Officials from all levels of education concede that community colleges have reached a population not served by traditional educational institutions.

By providing a transfer program (the first two years of a four-year baccalaureate education), an occupational program designed to train persons for skilled jobs, and an adult and continuing education program designed to serve the traditionally noncollege population, community colleges have dramatically increased the total number of persons involved in post-secondary education, Keel added.

The statewide increases continue a trend which began at the turn of the century with the creation of Joliet Junior College. But it is in the decade between 1965 and 1975 that community colleges have shown their greatest growth, officials said.

From 1966 through 1975, community colleges' yearly enrollment increases have never dropped below 13 per cent. Even during the periods 1971 and 1972 when universities' enrollments were declining, community colleges registered increases of 15 and 13 per cent respectively, records show.

The record of enrollments for Illinois community colleges are: 1966—68,034; 1967—83,246, a 22.4 per cent increase; 1968—102,414, a 23 per cent increase; 1969—121,845, a 19 per cent increase; 1970—142,486, a 17 per cent increase; 1971—163,830, a 15 per cent increase; 1972—185,328, a 13 per cent increase; 1973—226,109, a 22 per cent increase; 1974—267,349, an 18.2 per cent increase.

COLLIDE NEAR TRACKS

Terri L. Nance, 2018 Illinois Ave., sustained a minor injury when the car she was driving and a vehicle operated by Gregory E. Forys, 823 (rear) Greenwood St., Madison, collided near the West Pontoon railroad tracks this week.

WELCOME TO GOVERNOR. President John S. Rendleman (right) of Southern Illinois University at Edwardsville welcomes Gov. Daniel Walker of Illinois to the SIUE campus last week. The governor visited a class of the Open University program in the University Center, along with visiting several senior citizen centers in Madison and St. Clair Counties.

Veterans informed of benefits

Each of the 50,000 men and women leaving military service every month can expect at least five Veterans Administration communications within six months of their separation date, the agency noted last week.

Upon notification by the Department of Defense of termination of active duty under conditions other than dishonorable, the VA tells the new veteran of his eligibility for benefits.

The veteran is urged to contact the nearest VA regional office or a representative of a veterans' service organization for complete application procedures.

Separate communications are sent to veterans providing them with GI Loan Certificates of Eligibility for homes, condominiums and mobile homes and also information on insurance and educational programs.

Six months after release from the military, veterans receive a follow-up VA letter, again reviewing the veterans' benefits timetable. Particular emphasis is given to those benefits which require application within a year of separation.

The benefits timetable includes:

Register with local state employment service office. Veterans have up to one year to apply for unemployment compensation, but applications filed after a long period of unemployment could result in a lower rate of unemployment compensation.

Within 10 days, if previously registered with Selective Service, report address through local board.

Within 90 days, apply to former employer for re-employment.

In 120 days, (up to one year if totally disabled) convert Servicemen's Group Life Insurance to five-year Veterans Group Life Insurance.

Within one year from date of notice of VA rating on disability, apply to VA for special National Service Life Insurance based on service-connected disability, if applicable.

As soon as possible, apply to VA for GI education or training, which must be completed within 10 years of separation from military service.

There are no time limits for veterans to:

Apply for GI loan guaranty to buy, build or improve a home.

File claim with VA for compensation for service-connected disabilities or disease, or apply for hospital care.

Seek assistance from local state employment offices in finding work or entering Labor Department job-training programs.

MATTRESS BURNS

Madison firemen extinguished a fire in a mattress at 121 Garesche Homes, Madison, last week. Firemen were on the scene one hour. Only the mattress and box springs were damaged.

Imports pictured as endangering needed steelmaking expansion

"The American steel industry always has been faced with market disruption whenever declines in world steel demand occurred," according to Frederick C. Langenberg, president of the American Iron and Steel Institute. "And this has caused an impairment in the ability of U.S. industry to expand its productive capacity," he said.

Langenberg made these comments in an interview in the fall issue of Steel Facts magazine, published by AISI and announced during the weekend. Langenberg became president of AISI on July 9, 1975. He had been president of Jessop Steel Co., a subsidiary of Athlone Industries.

The current recession has prompted some pricing of steel products at levels below cost of production, Langenberg noted.

This is a practice "prevalent among foreign steel industries that benefit from varying degrees of governmental financial assistance," he said; the result has been disruption of domestic steel markets.

On the longer term, Langenberg noted that the U.S. could find itself back in the situation of short steel supply that existed a little over a year ago — unless domestic steel producers are able to expand steelmaking capacity.

"Raising enough money to pay for that expansion," Langenberg said, "is the overriding problem faced by the industry. This is especially true since, at the same time, the industry must replace and modernize existing capacity and meet soaring environmental costs."

Telecourses chosen for use on national network

Representative programs from eight adult education telecourses produced in the St. Louis studios of KETC-TV, Channel 9, have been selected for airing on the Public Broadcasting Service, the national non-commercial television network, this fall.

Mark Handley, assistant coordinator for educative services at PBS, reports that the PBS educative services division will carry the Channel 9 programs between Nov. 10 and Dec. 15.

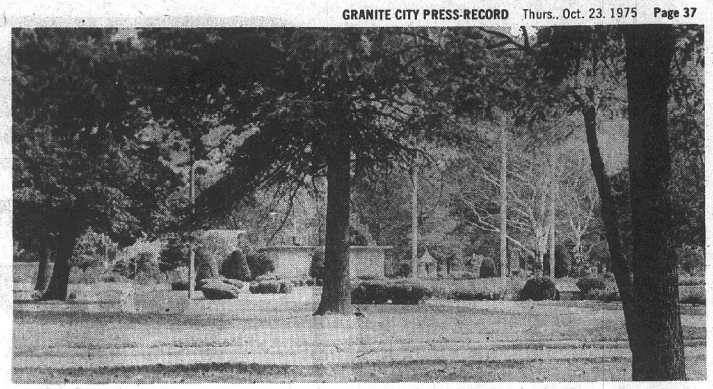

Channel 9 telecourses selected for the "showcase" are: Who Dealt?, an instructional series on bridge featuring St. Louis humorist Ruth Garvey; Opa!, a series in creative bellydancing featuring Estella Karros; Sight on Sounds, a series on lip-reading produced in cooperation with the St. Louis County Special School District.

Why Knot?, a course in beginning macrame with Melissa Mills; Patchwork, a folk music series with Laura Weber; The Eyes Have It, a speedreading telecourse taught by Jeanette Appel.

Carl Rogers on Marriage, a serious look at the institution of marriage by psychologist Rogers; and Umbrella, a course featuring TV Guide writer Ruth Garvey.

All eight of the PBS "Showcase" telecourses are now on the air on Channel 9. Enrollment information is available on the telecourses through the Membership Services Department, 6996 Millbrook Blvd., St. Louis, Mo. 63130.

SAVE TIME—SAVE MONEY USE WANT ADS

A BEAUTIFUL TIME OF YEAR is typified by this view of the south entrance to Wilson Park, viewed across the median of 27th Street, over the leaves which are falling. Some trees still retain most of their colorful leaves while some, such as those in the right background are already devoid of leaves and color. (Press-Record Photo)

Ignore the 'prophets of despair'—Price

In a series of speaking engagements in this region during the weekend, Cong. Melvin Price (Dem., 23rd Ill.) stressed the need for cooperation among the American people in today's world.

"We can never forget our Revolution and the events which followed it," Cong. Price told members of Posts 370 and 1780 of the Catholic War Veterans in Belleville.

"This country holds, because of the Revolution, the place of world leader. And as a world leader, we must strive to maintain our nation as an example of what liberty and democracy can do for a people.

"This can only be done by calling forth our best efforts to maintain inner harmony and a spirit of cooperation among our citizens."

Rep. Price criticized those whom he termed the "prophets of despair" who predict a speedy end to the nation by evoking comparisons with the declining Roman Empire. He accused them of "bad scholarship and even worse logic.

"By taking certain events into consideration, any nation can be made to look better than the Garden of Eden or worse than the invading tribes of Attila the Hun.

"This country doesn't need people to tell us what is wrong; it needs people like you to help make things right."

"As we approach Veterans Day," he continued, "what better way is there to honor those who have served in the military than to help each other make this country the land envisioned by our founding fathers?"

Rep. Price also stressed cooperation, particularly between civilian and military authorities, at the dedication of the Scott Air Force Base Gymnasium.

"Military and civilian cooperation has always been a hallmark of life at Scott, one of the first bases to realize that an artificial separation of these two worlds in our technological society is not only anachronistic, but foolhardy."

He cited the huge crowds at Scott open houses and work done by the Belle-Scott group, a combined military and civilian organization, as proof of the success of the Scott plan.

Cooperation among Americans is vital to economic survival as well, Cong. Price noted.

At the annual John F. Kennedy Dinner held at Southern Illinois University at Edwardsville this week, Rep. Price likened the nation's economic ills to a three-headed monster; inflation, unemployment and energy.

"Unlike fairy tale goblins, this one is quite real and is eating up our salaries and savings.

"Slaying this monster is no laughing matter'— it calls for every bit of experience and know-how Congress can muster.

"Rhetoric will not solve our problems now. Well-conceived policy, cooperation and action will.

"Success can only be achieved with the help of every American," Rep. Price concluded.

"It was John Kennedy who first called us to the tasks which lie ahead. The support and assistance of each citizen is needed as we face and conquer the trials that are before us."

$1,717,046 bid for work on Interstate 270 bridges

The Illinois Department of Transportation last week announced receipt of a low bid of $1,717,046 on bridge deck repairs to 12 bridges at six Interstate 270 locations between the Chain of Rocks Canal and Illinois Route 111.

Low bidder was H. H. Hall Construction Co., East St. Louis.

The bid is expected to be awarded because it is below the originally estimated cost of $1,953,000.

Hall also was low bidder at $583,366 on furnishing and applying bridge deck waterproofing and resurfacing on 13 bridges at eight locations on Interstate 70 between the intersection of Interstate 55 south of Edwardsville and U. S. 40 north of Highland. The cost estimate had been $609,000.

On patching, waterproofing and resurfacing of 15 bridge decks on Interstate 270 from west of Glen Carbon to northwest of Troy, Hall was the low bidder at $827,963. The advance estimate was $843,000.

On channelization of the intersection of Ill. 143 and 9th Street with base course, resurfacing and modernization of traffic signals, all in Wood River, Chas. E. Mahoney Co., & Redi-Cut Stone, Inc., Wood River, bid $156,185. Estimated cost was $121,000.

For 6.22 miles of base course and resurfacing on Ill. 159 from near the south limits of Maryville north to near the N&W Railroad in Edwardsville and on Maryville Road from Ill. 159 north of Maryville, northeast to Ill. 162, Maclair Asphalt Co., Collinsville, bid $1,149,118. The advance estimate was $1,134,000.

The Department of Transportation announced bids totaling $85,456,432, received on the October bid letting.

Bids were submitted on 84 road improvement projects.

The next regularly scheduled letting is to be held Nov. 21.

Lt. Cmdr. Jeffers to new Navy post

Navy Lieutenant Commader Barry N. Jeffers, son of Mr. and Mrs. William F. Jeffers, 1809 Bremen Ave., Granite City, has reported for duty with Tactical Electronic Warfare Squadron 129, Whidbey Island Naval Air Station, Oak Harbor, Wash.

A 1964 graduate of the University of Illinois, Champaign, with a bachelor of science degree, he joined the Navy in July 1964.

Early American decorator accents in solid hard rock maple by Tell City.

Shop our Tell City collection first and you'll know what to look for in AUTHENTIC EARLY AMERICAN

You can pay less for Early American furniture. But you can't find more authentic styling, more lavish use of hand detailing, or a finer wood than our Solid Hard Rock Maple. That's why experienced shoppers call us Early American Headquarters. Wherever they buy, they use Tell City as a standard of comparison — for styling, craftsmanship and value. Matter of fact, they usually shop here last, too. Because they find that Tell City gives more satisfaction — and costs less per year.

Dairy Oar designed to stir up cheese and apple butter. Now stirs up comment. Full yard high for difficult vertical spaces.

A Bread Peel so authentic you can almost smell the fresh bread. Ideal for that hard-to-find vertical accent or narrow wall.

Mirrored Sconce reflects candlelight. Use a pair to make a room sparkle. Handsome turned candleholder. 24½" high.

Looking Glass Wall Mirror with unusual turned handle. Solid Hard Rock Maple in Andover Finish.

THE PRESIDENT IS A CHEF! Charles Hester, owner of Charlie's Restaurant is heading the Greater Granite City Restaurant Association for the 1975-76 year. *(Press-Record Photo)*

Corrections director to address breakfast meet

ALLYN R. SIELAFF

Allyn R. Sielaff, director of the Illinois Department of Corrections, is scheduled to speak Wednesday, Nov. 5, at the Granite City Rotary-sponsored prayer breakfast, beginning at 7:30 a.m. in Charlie's Restaurant.

The Department of Corrections was criticized by local chiefs-of-police and other citizens at the breakfast held Oct. 1.

The departments policies on standards for local jails and what was described as a "revolving door" policy on juvenile offenders were two of the points of contention.

Arrangements with Director Sielaff to come to Granite City and speak on the issues with local civic, business, labor, political, educational and religious leaders were made by State Senator Sam Vadalabene of Edwardsville.

Sielaff was appointed by Gov. Daniel Walker as director of the Illinois Department of Corrections in June 1973.

The agency he heads is responsible for the supervision and rehabilitation of 3,000 juvenile and 11,000 adult offenders committed by the courts.

It operates 18 state institutions, eight work release centers and two community centers (halfway houses).

The agency also is responsible for parole services, the Parole and Pardon Board, community-related programs and statewide inspections of all local jails and juvenile detention homes.

The department employs nearly 5,000 people and has an annual budget of $90,121,200.

There is some doubt by local police and community leaders who deal with juvenile problems that the director will appear. He reportedly has refused to meet with or answer correspondence from the Illinois Chiefs of Police Association on four occassions, it was reported.

Sielaff, in addition to holding a law degree, has a master's degree from the School of Applied Social Sciences at Case-Western Reserve University in Ohio.

Prior to coming to Illinois he was Commissioner of the Bureau of Corrections from October 1970 to June 1973. Four years prior to being made commissioner, he was the deputy commissioner in the Pennsylvania Department of Justice.

He was state director of Illinois for the National Council on Crime and Delinquency from 1966 until 1968. Sielaff was in private law practice five years.

A CMC SALE!

THE 4 BEST SYSTEMS IN TOWN!

1. PIONEER Cerwin-Vega SHURE BSR

Impossible, you say? Not at CMC . . . an all top-brand system for under $300. The receiver is a Pioneer . . . the world's best-selling brand. The speakers are from Cerwin-Vega, who built the theatre speakers used in "Earthquake." These small bookshelf models produce bass that will shake your walls with just a few watts of power input. The record changer (complete with base and dust cover) is a reliable BSR, who builds more than all other changer companies combined. And the cartridge is a Shure. Put 'em all together and you have a lot of sound for not a whole lot of money, thanks to CMC's savings of almost 30%.

Pioneer RJ-900 AM/FM stereo receiver; reg. $199.95
Cerwin-Vega HED-V-8 speakers, pair; reg. $159.00
BSR 2260X changer with Shure M-81 cartridge; reg. $59.95
Total if purchased separately, $418.90

SALE $295

2. Technics by Panasonic ElectroVoice PE ADC

Here's a system with enough solid performance to satisfy most people for the rest of their life. The brilliant Technics receiver has super-clear FM and abundant power . . . 23 watts RMS x 2 (20-20,000Hz @ 8 ohms) at no more than 0.5% distortion. Electro-Voice has been a mainstay in the audio business for years with speakers that sound like these . . . clean and mellow. The PE turntable's precision and craftsmanship are typically West German, and the new $75 ADC cartridge will pick up all the music on your records. And to top it all off, CMC saves you over $260.

Technics SA-5250 AM/FM stereo receiver; reg. $299.95
Electro-Voice EVS-14B speakers, pair; reg. $219.90
PE 3044 changer with base, cover and ADC LX-II cartridge; reg. $222.85
Total if purchased separately, $742.70

SALE $480

3. FISHER ALTEC Garrard SHURE

This new receiver clearly shows why Fisher has excelled for over 35 years in the hi-fi business. With a powerful output of 30 watts RMS x 2 from 20-20,000Hz @ 8 ohms (with no more than 0.5% distortion), combined with a superb FM tuner section, it's beautifully balanced. The Altec 3841's have a 10" woofer coupled with a separate passive radiator to nearly DOUBLE bass output. The Garrard changer has the same "zero tracking error" tonearm that made the Zero-100 a near-legend, and we've included a base, dust cover and a 555 Shure cartridge. What could make this system better? CMC's savings of over $360.00.

Fisher 332 AM/FM stereo receiver; reg. $389.95
Altec 3841 speakers, pair; reg. $338.00
Garrard Z-92 changer with base, cover and Shure M-91ED cartridge; reg. $247.80
Total if purchased separately, $855.75

SALE $595

4. SHERWOOD Ultralinear PIONEER ADC

An absolute mind-blower! The 4 square feet of floor-space these super-efficient Ultralinear "towers" occupy have got to deliver the most sound-per-square-you've ever experienced. And the Sherwood receiver produces power output that can only be described as pure, brute force . . . 50 watts RMS x 2 (20-20,000Hz at 8 ohms) and 20 watts RMS x 4 at no more than 0.6% distortion. An ultra-quiet Pioneer turntable with a state-of-the-art ADC cartridge complete a truly magnificent 4-channel system. The savings aren't bad either . . . well over $500.00!

Sherwood S-7244 AM/FM stereo/quadrophonic receiver, reg. $499.95
Ultralinear 450 speakers, 2 pairs; reg. $679.80
Pioneer PL-A45 turntable with ADC LX-III; reg. $249.95
Total if purchased separately, $1,449.70

SALE $875

ALL BACKED BY THE BEST LONG-TERM PARTS AND LABOR COVERAGE IN TOWN!

When you buy a system at CMC, you naturally receive a warranty from each of the individual manufacturers. To give you really long-term protection, however, we extend the coverage (whether its an advertised system or not) so that you receive a total of

. . . 5 full years free parts and labor on the receiver (most manufacturers are 2 or 3 years)

. . . 7 full years free parts and labor on the speakers (most manufacturers are 3 to 5 years)

LABORATORY VISIT. Senator Sam Vadalabene tours the laboratory during a recent visit to St. Elizabeth Hospital. From left are: Dr. George T. Wilkins; C. E. Blankenship, hospital's lay advisory board member; Senator Vadalabene, and Ted Eilerman, hospital executive vice-president.

A. O. Smith sales up

A. O. Smith Corporation had profits of $435,000, or nine cents per share, in the third quarter, compared with a loss of $2.5 million, or 51 cents per share, in the same period last year, L. B. Smith, chairman and chief executive officer, said during the weekend.

Sales in the quarter were $139.7 million, compared with $129 million last year.

For the first nine months of 1975, A. O. Smith had earnings of $1.5 million, or 3 cents per share, on sales of $420.8 million. In the first nine months last year, the company lost $935,000, or 19 cents per share, with sales of $415.3 million.

Included in the profits for 1975, Smith said, was an extraordinary credit of eight cents per share, reflecting a tax benefit arising from a net operating loss carry forward of a 100 per cent-owned foreign subsidiary.

Not included in either the third quarter or nine-month figures is an after-tax loss of about $3 million resulting from sale of the company's U.S. elevator business, which was announced Sept. 22. The actual loss will be determined in late October when the sale is closed.

Most A. O. Smith operating units reported improved results in the third quarter compared with the same period in 1974, Smith said.

Among them was the Automotive Division, which recovered from a substantial loss a year ago caused by a strike at its Milwaukee plant, the company's largest manufacturing facility.

Besides the absence of a strike, the Automotive Division experienced an increase in passenger car frame demand and also was able to move into production on 1976 auto frames smoothly because of relatively minor model changes.

However, Smith noted that demand for medium and heavy-duty truck parts is at its lowest level in recent years.

Also helping results in the third quarter was the improved performance of the Meter Systems Division, which manufactures petroleum measuring equipment. This division is being sold to Geosource Inc., of Houston, Tex., effective Jan. 1, 1976.

Unit sales were down in three of A. O. Smith's businesses which supply products to the construction industry. The slow pace of construction hurt sales of the Consumer Products Division, which makes water heating equipment; the Electric Motor Division, which manufactures motors for the air conditioning and refrigeration industry; and Armor Elevator.

Despite lower unit sales, results improved at both the Electric Motor Division, which cut its losses considerably from a year ago, and the Consumer Products Division.

Performance at A. O. Smith Harvestore Products, Inc., was behind a year ago, Smith said. Even though shipments in the quarter were better than earlier in 1975, they were still behind the third quarter of 1974 when a large backlog of orders existed.

Unit sales were also down at the Reinforced Plastics Division of A. O. Smith-Inland Inc., an affiliate. Oil industry uncertainty over government policy on controls is affecting demand, Smith said.

Test 1,365 for sickle cell anemia in Madison Schools

Madison School Board members have been informed by Supt. John Palcheff that 1,365 persons were tested for sickle cell anemia in the Madison schools this fall.

Special emphasis is being placed on Safety Awareness Week in all schools with films, poster contests and classroom assignments, it was noted.

The board has approved plans for the Mothers' Club school carnival which will be held Nov. 7, and urged parents of Madison students to return Title I cards to the schools.

Willie Walker, board member, was selected as the board's delegate to a meeting of the Illinois Association of School Boards.

Partial payment of $6,000 to the Illinois School Consulting Service for its assistance in conducting the Sept. 27 school building bond issue vote was authorized.

Elks Lodge 1063 was authorized to conduct a special program for physically handicapped on Nov. 30.

Forestry field day Nov. 1

By RON CORNWELL
Farm Extension Adviser

A forestry field day will be held Nov. 1 at the Brownstown Agronomy Research Center. Wagon tours of the forestry research area will be held from 9 a.m. to 11 a.m.

Visitors will have a chance to learn about management of native hardwood timber, reforestation of open areas and use of treated material on the farm. Stops will include a white pine planting, fence post treatment stop, reforestation stop, and hardwood management.

The Cooperative Extension Service and Department of Forestry, University of Illinois, together with the Division of Forestry, Illinois Department of Conservation, are planning the event to show 35 years of forestry work at the Brownstown Research Center. Foresters will be available to answer questions throughout the morning.

+++

More and more Illinois swine producers are using artificial insemination in their breeding programs. To help them and others understand and apply the necessary techniques, a series of workshops will be sponsored by the University of Illinois Department of Animal Science.

John Diehl, U of I Extension livestock specialist in reproductive physiology and genetics, will direct the workshop sessions. Registration is open to swine breeders, managers, veterinarians, county agricultural advisers, AI technicians and anyone interested in developing and improving their swine breeding techniques.

Upcoming workshops are scheduled for Nov. 5 and 6, Jan. 7 and 8, March 10 and 11, and May 5 and 6. The registration fee for the workshops is $50. The workshops will be held at the University of Illinois swine farm. To enroll in the workshop, interested persons may contact the Extension office at 900 Hillsboro, Edwardsville.

+++

Farmers fall under the 1975 Illinois Workmen's Compensation Act if they employ 245 man days or more of labor per year. This excludes all family labor.

If a farmer falls in the category to be concerned with Workmen's Compensation he must first decide if he wishes to be self-insured or if he wants to insure his workmen's compensation liability through an insurance company.

The amount of the premium for workmen's compensation insurance is typically based on the amount of wages paid. Present information indicated that insurance companies will charge a premium equal to approximately 6 to 7 per cent of the wages paid. The premium must be paid by the farmer and the premium cannot be deducted from the worker's wages.

There might be some cases where a farmer would be self-insured. In this case, the farmer must file an application as a self-insurer with the Illinois Industrial Commission. This would be a risky alternative since he would have to own enough assets to cover any claims by employees.

+++

October is Cooperative Month in Illinois. The importance of farm cooperatives to the agricultural economy of Illinois is significant. There are more than 900 Illinois based cooperative associations serving farm operators in Illinois. They have more than 350,000 members and the business volume of these cooperatives exceeds 1.5 billion dollars.

Card of Thanks 32

WE WISH to thank our kind friends, relatives and neighbors for their acts of love and sympathy during our recent loss of our dear husband and father and also extend grateful thanks for the beautiful floral tributes to our loved one.
Mrs. Jack Traylor and Sons—
Harry L. Edwards and
Ray F. Edwards
32 10 23

WE WOULD like to thank everyone who was kind enough to help save our house and belongings from the fire on October 13th. We would also like to thank everyone who has worked so hard to get everything back in order. We appreciate having so many thoughtful friends, neighbors and relatives.
Wayne and Betty Hollis
and Family
32 10 23

The Family of
MARION SYKES
wishes to express their deep gratitude to their many friends and relatives for the kindness and sympathy shown them in their recent bereavement. Special thanks to Rev. George Reader, Pallbearers, and Mercer Mortuary. 32 10 23

In Memoriam 33

In Memory of
JERRY D. MILLER
who passed away
October 25th, 1974
He bid no one a last farewell.
Not even a goodbye.
He was gone before we knew it
and only God knows why.
They say time heals all sorrow
and helps us to forget.
But time so far has only proved
how much we miss him yet.
God gave us strength to face it
and courage to face the blow.
But what it meant to lose him no
one will ever know.
Our heart aches with sadness,
our eyes shed many tears.
God knows how much we miss
him and will—throughout the
years.
Loved and missed by
Wife and Son—
Charlotte and Rudy
33 10 23

In Memory of
JERRY D. MILLER
who passed away
October 25th, 1974
We often sit and think of him
when we are all alone,
For memory is the only friend
that grief can call its own;
Like ivy on the withered oak,
when all other things decay,
Our love for him will still keep
green and never fade away.
Sadly missed by
Son, Jeffrey,
the Miller Family,
the Hazelwood Family
and all who loved him.
33 10 23

In Loving Memory of
ORVILLE E. SYKES
who left us to be
with Jesus
October 24, 1974
The hurt has come,
Within our heart,
For one who could not stay,
God called—He had to go—
He could not disobey.
The things of earth, so great to
him,
Has now become so plain,
Because in Jesus' arms he
rests,
Where there is no sorrow, tears,
nor pain.
Sadly missed by
Wife, Children
and Grandchildren

Public Notice 34

Notice of Public Hearing
on
Location and Design
of
Proposed Interstate
Route 255
Columbia to Collinsville
Monroe, St. Clair
and Madison Counties

Notice is hereby given that a Design Public Hearing for Proposed Interstate Route 255 between the U. S. Route 50 approach to the Jefferson Barracks Bridge (north of Columbia, Illinois) and Interstate Route 55 (west of Collinsville, Illinois) will be held at 8:00 p.m., October 30, 1975 in the East St. Louis Senior High School Auditorium located at 4901 State Street in East St. Louis, Illinois.

The proposed project to be discussed concerns the construction of a six (6) lane, fully access controlled interstate highway on new location. The location for this proposed highway is within or near the following communities: Columbia, Dupo, Cahokia, Centreville, Alorton, East St. Louis, Caseyville, Washington Park, Collinsville and State Park Place.

A location map, the draft environmental impact statement, and the preliminary design report are available for public inspection and copying at the District 8 Planning Office; 6512 State Street; East St. Louis, Illinois, between the hours of 8:00 a.m. to 4:00 p.m., Monday thru Friday, excepting State holidays (telephone: 397-9530) through November 10, 1975. This material will also be available for inspection, beginning at 7:00 p.m., preceding and following the public hearing.

Tentative right-of-way requirements, construction schedules and relocation programs will be discussed at the public hearing.

Oral statements may be given by individuals and organizations at the hearing. Oral statements will be limited to five (5) minutes. Written statements may be presented at the hearing or delivered to the Illinois Department of Transportation prior to November 7, 1975. Such written statements will be entered into the official hearing transcript.

On September 19, 1975, the draft environmental impact statement (DEIS) for this project was circulated to Federal, State and local governmental agencies and local organizations for review and comments. This environmental report contains an evaluation of the anticipated social, economic and environmental effects that would result if this highway project is constructed and if it is not constructed.

Any person desiring to review this DEIS may do so at any of the following locations:

1. District 8 Planning Office - 6512 State Street, East St. Louis, Illinois.
2. East St. Louis Public Library - 405 North 9th Street, East St. Louis, Illinois.
3. Mary Brown Center Branch Library - 1500 Piggott, East St. Louis, Illinois.
4. Cahokia Public Library - 1032 Camp Jackson Road, Cahokia, Illinois.
5. Centreville City Hall - 5800 Bond Avenue, Centreville, Illinois.
6. Alorton Village Hall - 4821 Bond Avenue, Alorton, Illinois.
7. Washington Park Police Department - 5621 Forest Boulevard, Washington Park, Illinois.
8. Belleville Public Library - 121 East Washington Street, Belleville, Illinois.
9. Belleville West Branch Public Library - 3414 West Main Street, Belleville, Illinois.
10. Caseyville Public Library - 10 West Main Street, Caseyville, Illinois.
11. Columbia Public Library - 208 South Rapp, Columbia, Illinois.
12. Dupo City Hall - 100 North 2nd Street, Dupo, Illinois.

Any person desiring to comment on the environmental aspects of this highway project may do so by mailing their comments to: District Engineer; Illinois Department of Transportation; P. O. Box 838; East St. Louis, Illinois 62203. All such comments must be received no later than November 11, 1975.

H. W. Monroney
District Engineer

DISPLAYING TROPHIES earned by the Granite City Police Department's Combat Pistol Team. During Monday night's City Council meeting, 52 trophies earned this year by the team were displayed as the team members thanked the council for its support during the year. Seated is Mayor Paul Schuler. Standing from left are: Patrolman Glenn Wright, Sgt. Kelly Hodges, Patrolmen Roy Koberna, Jim Lengyel and Kip Pomeroy, and Lt. Col. George Tellor, members of the team; and Chief Ronald Veizer and Alderman Everett Morlen of the Council's Police Committee. Lengyel and Pomeroy were named the top two-man expert team in the nation this year. (Press-Record Photo)

EXPERT APPRAISING
MORRISS REALTY CO.

LA BOHEME. The "lovers" in the foreground, Rodolfo and Mimi (Jerry Hadley, Sheffield, and Rebecca Hayes, Overland Park, Kan.) have agreed to stay together. The ones in the background, Musetta and Marcello (Erie Mills, 2104 Cottage Ave., Granite City, and David Koch, Upper St. Clair, Pa.), have agreed to part. The four sing of their life and loves in the Illinois Opera Theatre's production of Puccini's opera "La Boheme," to be performed in the Festival Theatre, Krannert Center for the Performing Arts, University of Illinois at Urbana-Champaign, tonight through Saturday night at 8 o'clock and Sunday at 3 p.m. Miss Mills' appearances will be tonight and Saturday.

Vandals damage vacant house

A vacant house at 2337 Rock Road was extensively damaged by vandals, C. F. Shemwell, 2986 Highway 67, the owner, reported Monday.

Police investigated and found eight broken windows, two broken doors, the porch roof pulled down, a gas heater in the living room kicked apart, plasterboard on the walls damaged, the bathroom toilet and tank broken and the living room damaged.

Arrest youth in apartment

A 16-year-old Kirkpatrick Homes boy was arrested inside the apartment of David Melzer, 2767 Washington Ave., at 1:10 p.m. Monday and is to face a juvenile court hearing on a charge of burglary.

One of Melzer's neighbors notified police he had seen a boy knock on the door of the house, jump over the porch railing, look into the basement through the window and then open the window and climb into the basement.

Three police cars were dispatched immediately to the scene and officers entered the apartment. They said they found the boy hiding in the basement near the furnace.

THEFT FROM VAN

A $160 stereo-tape player combination unit and a $25 black bean chair were stolen from the van of Gary Thornsberry, 3813b Village Lane, parked near his apartment, he reported at 7:10 a.m. Tuesday. A wing vent was pried open to gain entry.

35 at Venice on honor roll

Venice High School has named 35 students to the honor roll at the end of the first six weeks.

Leading the school with a 1.0 straight A average is senior Tami Eck. Other honor students and their averages are seniors Peggy Pier 1.2; Jack Ballentine 1.4; Richard Bailey 1.6; Carolyn Moore and Deborah Pryor 1.67; James Crowder, Lillian Daffin and Jaffee Woolfork 1.8; Gloria Johnson, Pawnee Rigs, Sharon Taylor, James Turner and William Welch 2.00.

Juniors Craig Kalogerou and Denise Rankin 1.2; Venice Govan 1.6; Larry. Arnold and Cornelia Crawford 1.8; Theresa Bilbrey and Lisa Meehan 2.00.

Sophomores Charles Cotton 1.2; Tami Boushard 1.33; Barbara Matkins and Carolyn Richmond 1.4; Andrea Withers 1.8 and David Daniels 2.00.

Freshmen Lori Durer and Chris Ponce 1.2; Mary Beth McGarrahan 1.6; James Matkins and Linda Paterson 1.8; James Crain, Doretha Smith and Anthony Wise 2.00.

Testing Saturday

Students at Granite City High School North who have registered to take the Preliminary Scholastic Aptitude Test-National Merit Scholarship Qualifying Test (PSAT-NMSQT) will be given the examination Saturday. The test is used in awarding National Merit Scholarships and is a major factor in many college acceptances.

Heavy work for thieves

Heavy items, which would have required at least two men and a truck to remove, were stolen from the east side of the Nameoki Garage, 1221 West Pontoon Road, it was reported at 8:25 a.m. Tuesday.

The stolen items were valued at a total of about $500.

Taken were three barrels of scrap metal, two automobile transmissions, an iron bumper from a tow truck and the rear-end unit of an auto.

Shotgun pellets fall on child

A 16-year-old Granite City youth, who was firing a 12-gauge pump action shotgun in a field at the rear of Wilson Park Lane this week, was charged with discharging firearms within the city limits and not having a Firearm Owners Identification card. He was released to his parents on notice to appear.

Police learned of the incident when a resident in the 300 block of Wilson Park Lane complained that shotgun pellets were "falling on children playing in the area." Three other juveniles were with the arrested youth.

Rhodesian pastor to speak at Trinity United Methodist

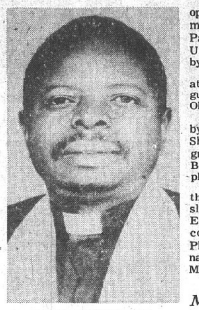

Trinity United Methodist Church, E. 25th and Henry streets, will begin a New World Mission series Sunday, with the Rev. Lovemore Nyanungo of Mtoko Rhodesia, Africa, as the featured evangelist.

Special services will be held each evening at 7 o'clock through Thursday, Oct. 30. Study groups also will be conducted at the church each morning at 9, and youth seminars at 6:15 p.m., followed by discussion groups after the evening services, it was announced by the Rev. Ellis Dugger.

Pastor Dugger said the New World Mission series is a program whereby native Christians from other parts of the world come to 600 selected churches in the United States "to bring the spiritual enthusiam and evangelistic message of the Third World."

According to the Rev. Dugger, the Rhodesian minister was converted to Christianity at the age of 23 and began preparing for the ministry. In 1963 he graduated from Epworth Theological College and, with the aid of the church, was trained in the urban ministry in Nairoba, Kenya.

The Rev. Nyanungo then served as pastor of the Bulawayo United Methodist Church in Salisbury. In January

REV. LOVEMORE NYANUNGO

of this year he was appointed District Superintendent of the Mtoki-Nyadiri District in Rhodesia. He is presently the youngest African to be named to such a high church position in his country.

Special music will be provided by the local congregation and the public is invited to attend the services, the Rev. Dugger added.

Mrs. Hudson director on Deaf Association board

Mrs. Mary Lou Hudson of Granite City, the first hearing person to be elected to the board of directors of the Illinois Association of the Deaf, also was appointed to a committee post at a meeting held in Jacksonville, Ill.

President Larry Forestal of Chicago, presided and named Mrs. Hudson as Mass Media chairman of downstate Illinois, and Bob Mooney, a hearing broadcaster, to the same office covering the Chicago and northern state area. All other officers have impaired hearing.

The association adopted a "position paper" on sign language compiled by Peter Seiler, deaf Illinois State University teacher, and Al VanNevel, deaf secretary of the National Fraternal Society of the Deaf.

In other business, papers were accepted from John B. Davis, executive secretary of the association on "The Adult Education Needs of the Deaf in Illinois," and on the proposed Illinois Commission on the Hearing Impaired. Davis reported that federal housing apartments in Chicago were secured through the association for deaf senior citizens.

It was noted two new brochures soon will be ready for deaf in Illinois. One deals with DVR services and the deaf, and the other gives a summary of services to the deaf through the Illinois Association.

The Illinois Association of the Deaf will have approximately 40 delegates in attendance at the governor's Committee on Handicapped in Chicago on Nov. 8. Most of the deaf representatives are deaf educators and professionals from Jacksonville, Springfield and Chicago area, it was announced.

Mrs. Hudson, whose husband Leon Hudson is deaf, will represent the downstate area as a deaf consumer.

Mr. Hudson, president of the local chapter of IAD, also attended the day-long meeting and reported the Cahokia Chapter has changed its meeting date and place. The chapter now will meet on the fourth Friday night of each month at the Polish Hall, 826 Greenwood St., Madison. Visitors are welcome to attend.

Gospel film at Mitchell Church

The Gospel Road will be shown at 7 p.m. Sunday at the Mitchell Assembly of God Church located 1 mile east of Highway 3 on West Chain of Rocks Road, according to the pastor, the Rev. E. L. Aubuchan.

The film, distributed by World Wide Pictures was conceived and produced by Johnny Cash and his wife, June Carter Cash, whose desire was to tell the story of Jesus Christ in a realistic and meaningful way, Rev. Aubuchan said.

A blend of scripture-based narratives, specially written songs, and a series of in-depth character protrayals with Israel itself as the mixing bowl, is the subject of the film, the host minister added.

Rev. Aubuchan said the program is open to the public.

MRS. CEIL KENNEDY ENTERTAINS CLUB

Prizes were won by Mrs. Kathy Murphy, Mrs. Myrtle Bruns and Mrs. Marie Perry at a meeting of the Monday Afternoon Club held in the home of Mrs. Ceil Kennedy, 2322 Delmar Ave.

Also present were Mesdames Margaret Richardson, Leona Parente, Vi Edwards and Theresa Walkenbach.

Chapter HT opens season

Chapter HT, PEO Sisterhood, opened its fall season at a meeting last week in the Ladies Parlor of St. Peter Evangelical United Church of Christ, hosted by Mrs. R. E. Chapman.

Dessert luncheon was served at 1 p.m. to 19 members and a guest, Mrs. John Doolen of Oklahoma.

The meeting was conducted by president Mrs. R. E. Backs. She announced the reciprocity group meeting was held in Belleville with eight members planning to attend.

In keeping with the year long theme, American Heritage, slides of Jamestown, the first English settlement, and colonial Williamsburg and Philadelphia and sites of the nation's capitol, were shown by Mrs. R. W. Kerch.

Mrs. Jones hosts Past Matrons Club

Past Matrons Club of Granite Chapter 650, Order of Eastern Star, held the October meeting at the home of Sadie Jones with 12 members present.

Plans were finalized for the annual Christmas party to be held at Roustio's on Dec. 8 at 6:30 p.m.

Games were enjoyed and prizes were won by Clara Harbig, Arline Fox, Nannie Meadows and Florence Spohr. Refreshments were served by the hostess.

The next meeting will be at the home of Mary Bilbrey on Nov. 3.

Also present were Louise Meador, Mary Ellen Lewis, Mary Bilbrey, Karmyn Esmonds, Ida Cariss, Rachel Larsen and Hulda Griffith.

Halloween party for Cub Pack 21

Cub Pack 21, sponsored by Madison United Presbyterian Church, held its Halloween party last week at the Madison Recreation Center.

The youngsters attended in costume and were judged for awards. About 100 were present at the party.

Awards were won by John Dickerson, first; Gary Campbell, second; and Brian Brown, third. Honorable mention awards were given to Andrew Reynolds, Mark Rhoads and Kevin Layton.

LIST WITH COCHRANE-WOLF

Missionaries to Nigeria at Nameoki Methodist Church

The Rev. and Mrs. James L. Gulley, United Methodist missionaries to Nigeria, will be guest speakers Sunday at the Nameoki United Methodist Church, according to the Rev. William Fester, pastor.

The Rev. Gulley will preach at the 10:45 a.m. worship service and will provide a slide program and lead an informal discussion at 7 p.m.

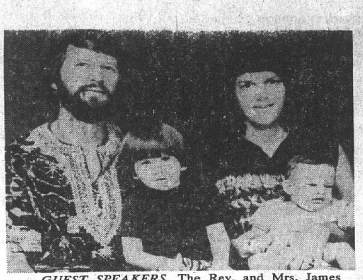

A reception honoring the Gulley family will be given after the evening service, the Rev. Fester said.

Since July 1974, the Rev. Gulley has taught pastors and teachers of Bible for secondary schools at the Theological College of Northern Nigeria. He will return to work in Nigeria at the Muri Christian Training School of the E.K.A.S. Muri Church, which trains men and women to work in villages as lay evangelists and as agents of agricultural and community development.

Previously the Rev. Gulley taught at the McBride School in Jalingo, North Eastern State, Nigeria.

Mrs. Nancy K. Gulley teaches English at a school for wives of students at the Theological College. She also has taught English and math at McBride and supervised Sunday school and literacy programs.

Both the Rev. and Mrs. Gulley are from Illinois and they have two children.

GUEST SPEAKERS. The Rev. and Mrs. James Gulley and their children, who will be guest speakers Sunday at the Nameoki United Methodist Church. A reception is planned by the local congregation for the family after the evening services.

Preceptor Beta Gamma picnic

Preceptor Beta Gamma Chapter of Beta Sigma Phi held a picnic basket dinner at Pere Marquette State Park this week.

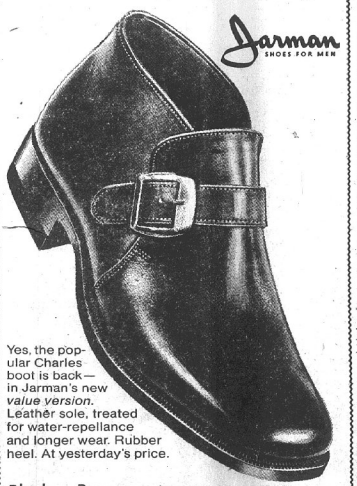

Those attending were Mr. and Mrs. Jack Tolliver, Mary Ann and Dick Tolliver, Mrs. Mary Tolliver, Mrs. Jane Laule, Mr. and Mrs. Harvey Ebling, Delores Dortch and Sydney Wilson.

An early meeting was held at the lodge, followed by a nature study of plants and flowers available for a drying process.
